Mark Twain—What he says About Chambermaids.

Against all chambermaids of whatsoever age or nationality, I launch the curse of bachelordom:

Because:

They always put the pillows on the opposite end of the bed from a gas burner, so that while you read and smoke before sleeping as is the ancient and honorable custom among bachelors, you have to hold your book aloft, in an uncomfortable position, to keep the light from dazzling your eyes. If they can't get the light in an inconvenient position any other way, they will move the bed. If you pull the trunk out six inches from the wall, so that the lid will stay up when you open it, they always shove that trunk back again. They do it on purpose.

They always put your boots into inaccessible places. They chiefly enjoy depositing them as far under the bed as the wall will permit. It is because this compels you to go down in an undignified attitude, and make wild sweeps for them in the dark with the boot-jack, and swear. They always put the match-box in some other place. They hunt up a new place for it every day, and put up a new bottle or other perishable glass thing, and groping about in the dark you get yourself into trouble. They are forever moving the furniture. When you come in, in the night, you can calculate on finding the bureau where the wardrobe was in the morning. And when you come in at midnight, or thereabouts, you will fall over the rocking-chair, and you will proceed toward the window and sit down in a slop-tob. This will disgust you. They like that.

No matter where you put anything they won't let it stay there. They will take it and move it the first chance they get. They always save up the old printed rubbish you throw on the floor and stack them carefully on the table, and then start a fire with your valuable manuscripts. They keep always coming to make your bed before you are up, thus destroying your rest and inflicting agony upon you, but after you get up they don't come any more till the next day.

Drunken Birds.—The mocking bird of Florida is discribed as rather a dissipated character. He forages about singing in his neighbor's vineyard while he robs him, until the berries of the Pride-of-China tree are ripe, and then he proceeds to have a regular frolic, acquires a habit of intoxication, and gets as drunk as a lord. It is curious to see a flock of these birds at this time. They become perfectly tipsy, and fly round in the most comical manner. Hiccoughing and staggering just like men mixing up all sorts of songs and interrupting each other in the most impudent manner, without any regard to the politeness and decorum that usually mark the intercourse of all well bred society, whether of birds or men. They will fly about promiscuously, intrude on domestic relations, forget the way home, and get into each others' nests and families, just like the lords of creation. After the berries are all gone, and the yearly frolic is over, they look very penitent, make may good resolutions, join the temperance society, and never indulge again until the next season comes round, and the berries are ripe once more.

A Naughty Carpet-Bagger.—A carpet-bagger revenue officer in South Carolina recently ran away from his wife, and the bereaved lady writes to the Louisville chief of police for information. This is what she says of him:

"He came into Kentucky to go into polatic's he was one of John Brown's men and was with him in Maryland he is a good stumpt speaker can edit a nuspaper deliver lectures and teach school and is quite a friend to the colored people he tryes to make himself notable where ever he is he was a sesser of eternal revnaw before he went to Kentucy—he has sandy mustash and ways about 145."

Making Treason Odious.—Capt. Thos. Settle, late of the Confederate army, has been nominated by the President, Minister to Peru.

Does the President wish to punish a Confederate Captain, by sending him where the poisonous Lama can spit upon him, and thus punish treason? or is it intended as a kindness and means of escape from the Holden downfall which has caught so many Republican birds like Settle, Pool, Lassiter and Phillips.—*N. C. Sentinel.*

New U. S. Senators.—Hon. John W. Stevenson, Governor of Kentucky, resigns his position to accept a seat in the U. S. Senate. He will be one of the purest and best men in that body. He is a Virginian by birth, a son of Hon. Andrew Stevenson, once U. S. Minister to Great Britain.

Gen. Joseph F. Reynolds, U. S. Army, has been elected U. S. Senator from Texas. In the old army he was regarded as a gentleman, and we regret to learn that he has prostituted his official position as commander in Texas to secure a seat in the Senate.

One by One.—We are pained to learn of the death of two gallant Confederate Generals, J. B. Magruder and Arnold Elzey. The former died at Galveston on the 19th, and the latter near Baltimore, on the 21st. Peace to their ashes.

A resolution has been introduced in the New York Assembly, denouncing the proposed annexation of San Domingo as a fraud. This represents the opinions of nine-tenths of the people of the United States, and yet General Grant is determined to push the job through, even at the expense of a war.

Old maids are described as "embers from which the spark has fled."

An Act to Protect Litigants.

Be it enacted by the Legislative Assembly of of the State of Oregon:

Section. 1. It shall be the duty of the Governor of the State of Oregon, within six months after the taking effect of this act, to designate, by order filed with the Secretary of State, one newspaper for every county in the State, in which shall be published all judicial and legal advertisements for said county: *Provided,* That where there is no newspaper published within a county the Governor may designate to do the legal and judicial advertising for that county, a newspaper published in some other county.

Sec. 2. It shall be the duty of the Secretary of State, immediately on the receipt by him of an order from the Governor designating an official paper for any county, as provided in Section 1 of this Act, to forward a certified copy thereof to the Clerk of said county, and such certified copy shall by said Clerk be filed in his office for the information of all whom it may concern.

Sec. 3. When the proprietor or proprietors of a newspaper designated as the official paper of any county, shall file with the County Clerk of said county, a written stipulation accepting the condition of this Act, together with a bond in the sum of five hundred dollers with good and sufficient sureties to be approved by the Judge of the Judicial District in which said county is situated, for the faithful performance of the legal and judicial advertising of said county, and when such action on the part of the proprietor of a designated newspaper and the District Judge, has been certified by the Clerk of said county, to the Secretary of State, and notice of the same has been given to the Governor by the Secretary of State, the Governor shall, without delay, by proclamation, appoint and confirm said newspaper as the medium through which all judicial and legal advertisements for said county shall be published for the term for which he may have been elected; and thereafter all notices, summonses and advertisements of whatever nature, authorized or required to be published by any law o this State, which shall be published in any other newspaper than the one so designated, shall be illegal and void: *Provided,* That at any time, upon proof of a failure on the part of the proprietor of any newspaper to properly publish legal and judicial advertisements, or of their noncompliance with any of the conditions of this Act, the Governor may designate and appoint and confirm, according to the provisions of this Act, some other paper as the official organ of the county in which such failure or default is made.

Sec. 4. It shall be the duty of the Secretary of State and all County Clerks to make and forward, within ten days from notice thereof, certificates required of them by this Act, and to receive and to file all papers, bonds, and other documents mentioned in this Act, as to be filed in their respective offices.

Sec. 5. All notices or advertisements required prior to or during the course of any legal or judicial proceedings, shall be made in the newspaper which has been designated, appointed and confirmed, as hereinbefore provided, as the official organ in the county in which such proceedings are had. *Provided,* That the prices charged for such advertising shall not exceed for each square of twelve lines of nonpareil type two dollars and fifty cents for the first, and one dollar for each subsequent insertion.

Sec. 6. Each newspaper designated under this Act shall furnish, free of charge, one copy of its issues to the Secretary of State Librarian and Clerk of the Supreme Court of the State of Oregon, and two copies each to the Clerks of all Courts of Record in the counties for which it is the official organ. And it shall be the duty of the Clerks of the Courts of Record aforesaid to have one copy of said newspaper filed and from time to time bound: and the Courts may determine any question that may arise as to the publication of any legal or judicial advertisements by reference to such files.

Sec. 7. All Acts or parts of Acts in conflict with this Act are hereby repealed.

Sec. 8. As the present laws relating to the publication of legal and judicial advertisements are imperfect, and important advantages to litigants and others are to be secured by this Act, therefore this Act shall take effect and be in force from and after its approval by the Governor.

Approved Oct. 24, 1870.

Attest, S. F. CHADWICK, Secretary of State.

HENRY T. HELMBOLD'S COMPOUND FLUID Extract Catawba GRAPE PILLS.

Component Parts—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.

FOR LIVER COMPLAINTS, JAUNDICE, BILIOUS AFFECTIONS, SICK OR NERVOUS HEADACHE, COSTIVENESS, Etc. PURELY VEGETABLE, CONTAINING NO MERCURY, MINERALS, OR DELETERIOUS DRUGS.

H

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea or griping pains. They are composed of the *finest ingredients.* After a few day's use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar coated Pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. THE CATAWBA GRAPE PILLS, being pleasant in taste and odor, do not necessitate their being sugar-coated. PRICE FIFTY CENTS PER BOX.

E

HENRY T. HELMBOLD'S HIGHLY CONCENTRATED COMPOUND

LADIES.

In many affections peculiar to ladies, the Extract Buchu is unequaled by any other remedy—as in Chlorosis or Retention, Irregularity, Painfulness or Suppression of Customary Evacuations, Ulcerated or Schirrus state of the Uterus, Leucorrhœa or Whites, Sterility, and for all complaints incident to the sex, whether arising from indiscretion or habits of dissipation. It is prescribed extensively by the most eminent Physicians and Midwives for enfeebled and delicate constitutions, of both sexes and all ages, (attended with any of the above diseases or symptoms.)

O

H. T. HELMBOLD'S EXTRACT BUCHU CURES DISEASES ARISING FROM IMPRUDENCES, HABITS OF DISSIPATION, ETC.,

in all their stages, at little expense, little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflammation, so frequent in this class of diseases, and expelling all Poisonous matter.

Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "Poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after Marriage.

Use HELMBOLD'S EXTRACT BUCHU for all Affections and Diseases of the Urinary Organs, whether existing in Male or Female, from whatever cause originating, and no matter of how long standing. PRICE, ONE DOLLAR AND FIFTY CENTS PER BOTTLE.

L

HENRY T. HELMBOLD'S IMPROVED ROSE WASH

cannot be surpassed as a FACE WASH, and will be found the only specific remedy in every species of Cutaneous Affection. It speedily eradicates Pimples, Spots, Scorbutic Dryness, Indurations of the Cutaneous Membrane, etc., dispels Redness and Incipient Inflammation, Hives, Rash, Moth Patches, Dryness of Scalp or Skin, Frost Bites, and all purposes for which Salves or Ointments are used; restores the skin to a state of purity and softness, and insures continued healthy action to the tissue of its vessels, on which depends the agreeable clearness and vivacity of complexion so much sought and admired. But however valuable as a remedy for existing defects of the skin, H. T. Helmbold's Rose Wash has long sustained its principle claim to unbounded patronage, by possessing qualities which render it a Toilet Appendage of the most Superlative and Congenial character, combining in an elegant formula those prominent requisites, Safety and Efficacy—the invariable accompaniments of its use—as a Preservative and Refresher of the Complexion. It is an excellent Lotion for diseases of a Syphilitic Nature, and as an injection for diseases of the Urinary Organs, arising from habits of dissipation, used in connection with the Extracts Buchu, Sarsaparilla, and Catawba Grape Pills, in such diseases as recommended, cannot be surpassed. A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA

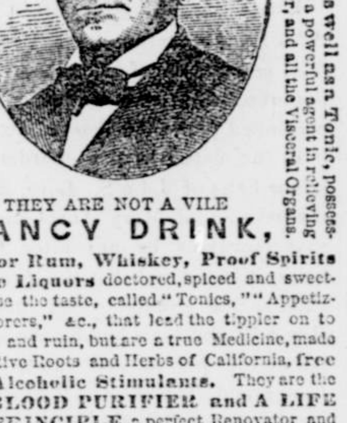
VINEGAR BITTERS

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. Send for a circular.



They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE GIVING PRINCIPLE a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

$100 will be given for an incurable case, provided the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effect.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French and Spanish.

To Correspondents.

Patients (male or female) residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty in their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing that all letters are opened and replied to by himself only, and the latter as promptly as possible.

If the case be fully and candidly discribed, personal communication will be unnecessary, as instructions for diet, regimen and the general treatment of the case itself (including the remedies), will be forwarded without delay, and in such a manner as to convey no idea of the purport of the letter or parcel so transmitted.

Consultations, by letter or otherwise, FREE. Permanent cure guaranteed, or no pay. Address W. K. DOHERTY, M. D., San Francisco, California.

Spermatorrhoea.

DR. DOHERTY has just published an important pamphlet embodying his own views and experiences in relation to Impotence or Virility, being a short treatise on Spermotorrhœa or Seminal Weakness, Nervous and Physical debility consequent on this affection, and other diseases of the sexual organs.

This little work contains information of the utmost value to all, whether married or single and will be sent free by mail on receipt of six cents in postage stamps for return postage. Address
