## Proceedings of the Board of Trustees. GEOUS TERMS.

REPORTED FOR THE TIMES

April 18th .- A regular meeting of the Board of Trustees was held this evening, all NESS transacted. the members being present. The minutes of previous meeting, read. A full report was anade by Mr. Daniap, Sexton, of all expenditures on the cemetery during his term of leffice since 1868-total, \$308 50; and receipts for sale of lors, \$289. The report was referred to Finance Committee Marsail McDaniel submitted bill of expenses for taking care of one Oliva-\$16-which was allowed and ordered paid. Sentinet office bitt, \$11, was presented and referred. Liquor licenses were granted to Wintjea & Heims, Henry Breitbarth and M. A. Brentano. A committee was appointed to examine and report upon the matter of improving Taird Street, south of Main Street, by brilging the gulen &c., as previously recommended by remedial agents should be at hand to be used or the Street Commissioner. Order passed, requiring the S.reet Commissioner to remove town. Adjourned to April 27th inst.

RACING .- On the 25th, 26th and 27th of May, there will be racing on the Bybee County Agricultural Society. It is expected that a number of our neighbors in Siskiyou will of the Course will be in the hands of men who will give everybody and every horse a and dishonesty, but their efforts have proved fruitfair show. Jockeying and "chenanegin" and other "ways that are dark and tricks that are vain" are played out.

GONE FROM OUR GAZE. - Deputy Sheriff Henry, of Yolo county, Cal., arrived in town on Monday last, to take charge of the prisonwith robbery, and who have been in jail some days awaiting a requisition from the less accompanied by one-third payment of the pur-Governor of California. On Tuesday Mr. Henry started in charge of his prisoners for Yolo. They do not deny the crime charged and the chances are, that they will become the guests of the State of California, at San Quentin.

WAR .- We have no later intelligence from e belligerent "Chinee." We hear it ru red, however, that instead of boring one thers carcasses with pikes, knives and bullets, our celestial fellow citizens intend to invoke the aid of the lawyers, and fight their battles and heal their grievances in the Courts. It may be more expensive, but it is infinitely more pleasant than settling their

ties, they have some novelties worthy the inspection of everybody. If you are at all disposed to be incredulous when we tell you that Sachs Bros. are selling goods at prices to suit the times, just call and inquire of Ike.

ONE MORE .- The illustrious defunct Celestial now in the cemetery, underwent another post mortem, conducted by Dr. Davis, yes terday, in order to elucidate the manner of his death. He was evidently killed by an awful blow on the jaw, inflicted with a pick or similar instrument. No contused commi- John Monroe, Pl'ff, vs. Arthur M. Waddel, Def't nuted fractures of the os temporalis, such as Coroner Ganung describes, was found. That much learning was a dead waste.

Surveyors Returned .- On Monday last the Ditch surveying party returned with the joyful news that the route to Emigrant creek was perfectly feasible, and that a sufficient quantity of water can be obtained. We hope our citizens will now take hold of this enter prise and push it through to a successful termination. The reports of this party will be found elsewhere.

ARRESTED .- John Blattner was arrested Wednesday night by Deputy Sheriff Foudray. charged with an assault with a deadly weap on Dutton. The man is evidently insane, and is certainly a dangerous person to be at large. He is awaiting an examination con cerning his sanity.

Business .- Street Commissioner Daulap say \$ The Survey-Receipts and Expenditures. | that putting loads of gravel on the street, and then going round and hauling all the The following is a full and complete state | big gravel off, is "business." It may be ex ment of all moneys received and expended in pensive business, but we believe it improves
