CHOLERA MORBUS.—We hear of several cases of cholera morbus in town.

COUNTY COURT.—The August Term of the County Court commences next Monday.

The Yreka papers report hail and rain south of the Siskiyou on Saturday and Sunday.

SLAUGHTER.—We are informed that Judge Prim and party are making havoc amongst the game and fish in the Siskiyou.

SURVEYORS.—Messrs. Howard and Turner started with a party on Thursday for the purpose of surveying the Klamath Basin.

HEAVY RAIN.—Capt. Goodale informs us that a severe rain storm occurred on the north side of Rogue river Sunday afternoon.

WHAT'S THE MATTER.—We have not had the pleasure of seeing a copy of the New Northwest for several weeks. What's the matter, Mrs. Dunaway?

THE RED KNIGHTS' BALL.—at Viet Schutz's Hall, Wednesday night, was well attended, and the youth, beauty and chivalry had a gay and festive time until the approach of day warned the revellers to retire.

FRUITS AND VEGETABLES.—Green corn, turnips, early potatoes, beans and all kinds of kitchen vegetables; and apricots, plums, early apples, watermelons, onions and other kinds of fruits have been in our markets some time.

DESSERTS CAPTURED.—Messrs. Griffith and Booth arrived here Thursday morning from Ashland with two deserters captured at that place by them. The men deserted from Fort Klamath recently in company with another who stole a fine horse from Lieut. Botells. The latter has not been captured yet.

ANOTHER ROBBERY.—We are informed that Mr. L. J. White, of Rock Point was robbed of \$46 or \$47. The money was in his pocket, but was not missed until the next morning, after a visit to town. He does not know whether he was relieved of the cash here or was robbed, as Mr. Bybee was, after his return home.

ROBBERY.—Last Tuesday night Mr. Wm. Bybee's bed room was entered and his pantaloons, which were laying on a chair near the bed side, were taken into the kitchen where they were relieved of some \$80, which was in the pockets. The graceless scoundrel who committed the theft did not have the politeness to return the garment, but threw it upon the floor and decamped.

QUARTZ.—We have been shown a specimen of quartz, at the Table Rock saloon, which is richer by far than any quartz seen in this county since the famous days of the Gold Hill and Fowler leads. The rock fairly shines with the precious metal. The specimen shown is merely a piece of the out-croppings. The exact locality of this new-found lead is a secret at present.

RUNAWAY.—Last Wednesday one of Reams & Wilson's teams, attached to a buggy, indulged in a runaway on Applegate. A Heathen Chinese was chief engineer of the team, and, wishing to tie up, took off the bridle in order to put on the halter, whereupon the horse took to his heels and left that part of the country. The buggy was badly demoralized and the horse was injured somewhat also.

PARADE.—The Red Knights paraded through the principal streets last Wednesday. We have heard it intimated that the organization will be made permanent. We hope it is true. The young men who have become members show a high proficiency in drill, considering the short time they have been in practice, and with a permanent organization and proper encouragement would doubtless do honor to our town. We hope, however, that they will select some other name; the present one is inappropriate and is not half as significant as that applied to them prior to the 4th of July.

Read the "Unk Weed" Advertisement.

A GOOD JOKE.—A stencil man—one of those fellows who go about the country advertising "Ague King," "Farriers' Friend," "Unk Weed," and other specifics on bridges, fences, gates, rocks, and every object animate and inanimate—perpetrated a joke on a farmer below Eugene City. The aforesaid farmer had constructed a magnificent gate in the midst of a tumble-down fence. The stencil artist went for that gate and literally covered it with advertisements. The owner boiled over with wrath and wanted to whip the artist. The stencil man explained why he beautified the gate; it looked so incongruous in the midst of the fence he could not resist the temptation. "But," said the farmer, "there was a bigger gate in that fence round the corner; why didn't you go for that?" The artist was dumfounded; he felt as if he had let a bird go; he couldn't rest that night. At dawn he arose, got out his team, went back four miles and looked for that gate. To his chagrin, there was no gate there. He was badly sold, and sat on his wagon-box while he cursed things blue. But while indulging in sad rumination on the wickedness of mankind in general, and the owner of the gate in particular, he espied four white horses standing inside the farmer's fence. He became inspired! he caught the animals and took his stencil plates and went to work. When he got through, the horses were peripatetic advertisements of Loryea's remedy. "Unk" appeared between their eyes, "weed" over the roots of their tails, and "Unk Weed" appeared upon every available part of their bodies and legs. They were ambulating advertising machines. Upon the completion of his work that artist girded up his loins and left. But two hours after, the farmer made his appearance in Eugene City, making anxious inquiries for that stencil man. He wants to put a head on him.

HAIL AND RAIN.—Last Sunday this valley was visited by a severe storm of wind, hail, thunder and rain. The hail whitened the hill tops west of town, and remained on the north hill-sides for several hours. The storm was evidently very severe on Applegate and the country west. A storm of this character is an unusual thing in this region, and considerably astonishes and confuses that venerable individual, the oldest inhabitant, as he ruminates over the fire which the chilly weather rendered necessary. As yet we have heard of no damage to crops.

DISORDERLY CONDUCT.—Last Saturday John Marks put himself outside on an overdose of benzine, and indulged in an address to Madame De Guillefou in which his diction was more forcible and expressive than elegant and polite. Marshal McDaniel appeared upon the scene, cut the oration short and accommodated the orator with quarters in the calaboose. During a short interview with Recorder Hayden, the next morning, he was apprised of the fact that such amusements cost the performer \$5 and costs.

YREKA RELIEF FUND.—Amounts reported last week: Flour, 21,500 lbs; cash, \$265. Additional contributions: J. Layton, 500 lbs. flour; Henry Beecher, 50 of lard and 45 lbs. hams; Wagner & McCall, 1,000 lbs. flour; J. C. Tolman, 400 lbs.; Alexander, \$250. Total flour, 23,400 lbs.; total cash, \$137.50. Several errors occurred in our statement of the contributions from Rock Point last week. Mr. L. J. White should have been credited with \$25 instead of \$20; Mr. David Sexton with \$5 and Mr. Milo Caton with \$2.50 instead of \$5.

ARRIVALS AT THE U. S. HOTEL THIS WEEK.—Thos. Hatton, Jr., Des Moines, Iowa; Wm. Hume, Oak Point, Oregon; Francis Cassin, San Francisco; F. E. Perrin, Philip Thomberry, M. D., Louisville, Ky.; Rich'd Isaacs, Geo. W. Isaacs and wife, Butte creek, Ogn.; G. H. Goodale, U. S. A., Fort Klamath; D. L. Stevens, San Francisco; Cannester Crosby, Indiana; Dr. A. M. Loryea, East Portland; Aug. Woodroof, Sam'l W. Sawyer, Kerbyville, Oregon.

IT IS useless to attempt to cleanse a stream while the fountain is impure. Dyspepsia, complaints of the liver or kidneys, eruptions of the skin, scrofula, headaches, and all diseases arising from impure blood, are at once removed by DR. WALKER'S CALIFORNIA VINEGAR BITTERS, the great and infallible purifier of the blood, and renovator of the system. It has never been known to fail, provided the patient had not delayed using it until the vitality of his system was too far gone.

A NUISANCE.—The condition of the gutter on California street, near the China houses, above Oregon, demands the early attention of the Street Commissioner. The gutter is a stagnant pool of greenish water, filthy enough to breed a pestilence in that portion of town. Moreover, this water stagnates in the immediate vicinity of a spring which supplies drinking water to a large portion of the residents in the vicinity of that part of California and Oregon streets. Make the "Heathen Chinese" keep their gutters clean.

EXPLORERS.—We are informed that Messrs. Bybee, Childers and Thurpin started to Sprague's river, Thursday morning, to view out the land.

NOTICE.—All business communications to this office, to receive prompt attention, should be addressed to E. D. Foudray, business agent.

JUSTICE COURT.—In Justice Wade's Court, the case of G. Karewski vs. Peter Boushey, action for damages for failure to deliver freight was compromised and withdrawn.

LAST CALL.—All parties knowing themselves indebted to us, by note or book account, will please call and settle immediately, to save cost.

I. CARO & BRO. Ashland, August 3d, 1871. 314

THREATENING LETTER.—We learn that Mr. P. J. Ryan has received a letter intimating that his property will be set on fire. No clue has been found to the intended incendiary. It is a pity that the infamous villain who penned the letter cannot be detected. If discovered he will be made an example of, as he ought to be.

HAIL.—We learn that last Sunday's storm was very severe at Sterling. The hail fell to the depth of three inches, and lay on the ground till Monday morning. Mr. Henry Bleacher's orchard, west of town, was utterly ruined; the hail stripped every tree of its limbs. Mr. Jos. Wetterer's vineyard has been greatly damaged; in some instances the clusters of grapes were severed from the vines by the violence of the hail.

CATTLE.—Messrs. John McIntire and Wm. Simpson started Thursday last for Pellican Bay, Klamath lake, with 80 head of cattle. Mr. McIntire will take his family and expects to make the Klamath his permanent residence. Mr. Simpson will, we understand, follow with his family in the Spring. Mr. Ed. Loftis intends settling in the same neighborhood. He will take a large drove of sheep to Pellican Bay.

ASSESSING.—We notice Dave Redpath, the County Assessor, "bobbing round" town and cornering unwilling victims while he demands an account of their worldly gear. Good, Mr. Assessor. We hope you will go for the Land Ring, and as they have done much to prevent the rapid population of the county, and consequently a distribution of the taxation among the many, instead of the few, make them contribute to the county treasury a proportionate amount of what they have robbed the poor man of.

ROUGH ON THE RING.—The county officials, who head the "land ring" in this county, are afflicted with a disease like the summer complaint of the cholera infantum. We don't know whether the affliction was caused by our exposure of the infamous doings of the ring, or is the result of the efforts of nature to relieve itself of too much unredness. We are glad, however, to hear that all the patients are convalesced, and hope that with the recovery of health will come a thorough reformation on the land question.

PERSONAL.—Dr. A. M. Loryea, of East Portland, was in town Thursday. He is en route to San Francisco to attend the Mechanics' State Fair, as representative of Oregon. The doctor seems so wild on the subject of "Unk Weed,"—his remedy for rheumatism,—that we fear the Californians will not let him get farther than Stockton.

Capt. Goodale and Lieut. Botelle, of Fort Klamath, have been in town this week. B. F. Dowell has returned from Portland.

THE CEMETERY.—Within the past year the Jacksonville cemetery has been greatly beautified. The shrubbery has been trimmed away, and the last resting place of so many of our citizens, in many other ways, rendered attractive. Recently a number of monuments, of Williamsburg marble, very tasteful in design and of exquisite workmanship, have been erected. Among others we noticed very fine monuments from Russell's marble works at Ashland, over the remains of Hon. J. N. T. Miller's children, and those of Mr. P. Donegan and John Orth. The stone over Mrs. Love's remains is also very tasteful.

BORN.—On Grave creek, July 30th, 1871, to the wife of F. N. Browning, a son.

DIED.—In Waldo, Josephine county, Oregon, July 10th, 1871, Alfred James, son of A. J. and Luise Adams; aged 3 years, 7 months and 2 days.

The "PAIN KILLER" may justly be styled the great medicine of the world, for there is no region of the globe into which it has not found its way, and been largely used and highly prized. Moreover, there is no climate to which it has not proved to be well adapted for the cure of a considerable variety of diseases; it is a speedy and safe remedy for burns, scalds, cuts, bruises, wounds and various other injuries, as well as for dysentery, diarrhoea and bowel complaints generally. It is admirably suited for every race of men on the face of the globe. It is a very significant fact that notwithstanding the long period of years that the "Pain Killer" has been before the world, it has not lost one whit of its popularity, but, on the contrary, the call for it has steadily increased from its first discovery, and at no previous time has the demand for it been so great, or the quantity made been so large, as it is now.

Another significant fact is, that nowhere has the Pain Killer ever been in higher repute, or been more generally used by families and individuals, than it has been here at home, where it was first discovered and introduced. That the Pain Killer will continue to be, what we have styled it, THE GREAT MEDICINE OF THE WORLD, there cannot be the shadow of a doubt.— Providence Advertiser, 7

THE UNK WEED REMEDY, OR OREGON RHEUMATIC CURE.

History. This remedy is composed of the active principle of the Unk Weed, Eng.—Thapsium Cordatum Originis, Lat.—Indigenous to Oregon. Grows most abundantly and perfectly in Washington Co. Properties, Etc. It contains an ACTIVE VOLATILE principle, extracted by Ether, and a BITTER TONIC principle, soluble in Alcohol. Medical Properties and Uses. It is the most speedy cure for Rheumatism, Rheumatic Gout and Rheumatic Pains of all kinds that was ever introduced in Materia Medica. The Unk Weed Remedy, as prepared by us, in consequence of its existing bitter principle, possesses the necessary virtue of being a POWERFUL TONIC, Promoting the Appetite and Invigorating the whole Digestive Apparatus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatic Pain, removing it from the circulation and system. There are a few remedies known to the Medical Profession which will remove the RHEUMATIC POISON from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rheumatic patient, that their use has to be abandoned before specific effects are obtained, hence the want of success in treating this prevalent, and in consequence heretofore incurable disease. Unlike these medicines, already known, the UNK WEED REMEDY, though producing as powerful and as effective effects on the blood and system, in removing the Rheumatic Poison, also possesses a strong TONIC and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these two necessary elements in ONE REMEDY, which accounts for its Superior and Never-Failing curative effects in Rheumatism, Rheumatic Gout, and Rheumatic Pains of all Kinds.

We are aware of the fact that it is generally an easy matter to procure certificates attesting the efficacy of patent medicines from a certain class of those who use them. We have selected the following because the names attached to them, those of men of the most careful and scrupulous character, and because the large class of their acquaintances in Oregon will not, for a moment, accuse or suspect them of any exaggeration in the statements they may make.

Remarkable cure of Mrs. Hoover, Wife of Hon. Jacob Hoover, ex-Treasurer of Washington county, Oregon. Taulain Plains, Washington county, Oregon. July 22, 1871. A. M. Loryea & Co.—I have been troubled with Rheumatism for the past twelve years; my joints, especially those of my feet and hands, were badly swollen, so that I could with difficulty go around. My shoulder pained me a great deal and a large bony swelling grew out, so that I could not raise my hand to my head. Since last Spring I have been taking your "Unk Weed Remedy," and find myself much improved. The swelling and pain has left my joints and shoulder, and the bony growth has entirely disappeared and I use my limbs and hand as well as I have been for years. M. HOOVER.

Certificate from the Deputy Jailor of Multnomah county jail: City Jail, Portland, Oregon, June 7th, 1871. A. M. Loryea & Co.—I was attacked with a severe case of rheumatism. It was in my thighs, hips, fingers, shoulder blade—indeed in all the joints of my body I suffered great pain and anguish. I was attended by a regular physician, but with no effect. I was induced to try your Unk Weed Remedy, and it immediately cured me. I consider it, from my experience, the best remedy for rheumatism known. ALFRED E. TURNER, Deputy Jailor. This is to certify that the above statement is correct to my own knowledge. JOHN P. WARD, Jailor.

Certificate of A. R. Shipley, Esq., special contributor to the Willamette Farmer, and Secretary of the Oregon Horticultural Society: Oswego, Oregon, March 28th, 1871. A. M. Loryea & Co.—Some four weeks ago I was entirely prostrated with rheumatism in my leg. I was almost helpless. I sent you for one 10-ounce bottle of the "Unk Weed Remedy," by the use of which I experienced almost immediate relief, and by the time the bottle was gone the rheumatism was gone. From my own experience, and from what I have heard others say who have used the Unk Weed, I believe it to be a certain cure for the rheumatism. Yours, respectfully, A. R. SHIPLEY.

Certificate from Hon. A. J. Dufur, ex-President of the Oregon State Agricultural Society, and author of "Statistics of Oregon": East Portland, April 1, 1871. A. M. Loryea & Co.—I was afflicted with a severe attack of chronic rheumatism; was confined to my bed most of the time from January to July, when I used the Unk Weed, and it cured me up. A. J. DUFUR.

Certificate from Hon. Gideon Tibbets, a member of the City Council of East Portland: East Portland, April 7, 1871. A. M. Loryea & Co.—Gents: This is to inform you that I have used your "Unk Weed" for neuralgia and rheumatic pains, and found relief from the use of only one bottle, and can recommend it to those in need of such a remedy. Yours, GIDEON TIBBETS.

Certificate from James Bybee, the celebrated stock-grower, and "King of the Oregon Turf": Suave's Island, January 14, 1871. A. M. Loryea & Co.—This is to acknowledge the efficacy of your "Unk Weed remedy," or Oregon Rheumatic Cure. I was afflicted for months with a very serious attack of the inflammatory rheumatism, and tried nearly all of the so-called rheumatic remedies without any relief perceptible. I then tried your remedy, and its use resulted in the most happy effects—a perfect cure. Truly yours, JAMES BYBEE.

Certificate from Hon. E. L. Quimby, ex-County Commissioner of Multnomah County, Oregon: East Portland, April 1, 1871. A. M. Loryea & Co.—I have used the "Unk Weed Remedy," and am satisfied it is a valuable medicine. It regulates and invigorates the system. This is my experience with the Remedy. Truly yours, E. L. QUIMBY.

Certificate from the well-known merchant, O. W. Weaver, Esq.: The Dalles, May 23, 1871. A. M. Loryea & Co.—I have used the "Unk Weed Remedy," and can cheerfully recommend it to persons afflicted with inflammatory rheumatism. It cured me of that disease. My hands, wrists, ankles—indeed, all my joints—were swollen and very painful. O. W. WEAVER.

Certificate from Hon. N. H. Lane, Pilot Commissioner of Oregon, and a member of the City Council of East Portland: East Portland, April 19, 1871. A. M. Loryea & Co.—I have been afflicted for several years past with "weakness in the back," and wandering rheumatic pains, accompanied by severe constipation. By the use of one bottle of your Unk Weed Remedy, or Oregon Rheumatic Cure, I have been entirely relieved, and I cheerfully recommend it as a most valuable and effective remedy. NAT. H. LANE.

Put up in 10-ounce bottles, at \$1.50 per bottle. Prepared at the Oregon Medical Laboratory, by A. M. Loryea & Co., East Portland, Ogn. For sale by all Druggists. 30
