Medical Properties and Uses. It is the most speedy cure for Rheumatism, Rheumatic Gont and Rheumetic Pains of all kinds that was ever introduced in Materia Medica. The Unk Weed Remedy, as prepared by us, in consequence of its existing bitter principle, possesses the hecessary virtue of being a POWERFUL TONIC. Promoting the Appetite and Invigorating the whole Digestive Apparatus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rhenmatic Poison, removing it from the circulation and system.

There are a few remedies known to the Medical Profession which will remove the RHEUMATIC POISON from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rheumatic patient, that their use has to be abandoned before specific effects are obtained, hence the want of success in treating this prevalent, and in consequence heretofore ingurable disease. Unpreparation cause consi erable comment by the like these medicines, already known, the UNK Me ical Faculty, as they positively assert that CHILLS AND FEVER, FEVER AND AGUE, WEED REMEDY, though producing as powerful INTERMITTENT AND KEMIT ENT FEVERS and as affective effects on the blood and system in cannot be cured without the use of Quinine.
