LOCAL INTELLIGENCE.

Religious Notices.

Rev. Father Blanchett will hold divine services at the Catholic Church to-morrow, at the usual hour.

STRUCK IT RICH.—We are informed that Sam Bowden's company have struck rich rock in their lead near Willow Springs.

GRAPES.—Mr. Boyer presented us this week with some bunches of excellent grapes from his store on Main street. He has some more of the same sort left.

SUPREME COURT.—The Supreme Court has affirmed the decision of Judge Prim, in the case of Wm. Chambers, et al, vs. Mary Ann Chambers.

FROST ON APPELLATE.—We are informed that a severe frost was experienced on Appellate last week. All the tomato vines were killed.

WILLOW SPRINGS SCHOOL.—This school will commence on Monday, the 18th inst., under charge of Mr. John Farley, than whom there is no better qualified teacher in the county.

BROKE DOWN.—Several Crescent City teams, loaded with freight for this place, broke down on the McGraw Hill, and were forced to return to the City for repairs.

BRICK.—The undersigned has just finished burning a large brick kiln at his brick yard in Jacksonville, and is ready to furnish brick to all those in need of this article. PATRICK FEHELY.

NOTICE.—Persons having clothing in the tailor shop of Wm. Herman, deceased, will call and claim them and pay charges, or they will be sold at public auction. Jacksonville, Sept. 16th, 1871.

RELIGIOUS.—Rev. C. Curtiss, Secretary of the American Baptist Home Missionary Society for Oregon and Washington, will preach in the Methodist Church next Sunday evening, at 7 o'clock.

THE HOTEL DE KLIPPEL.—Sheriff Klippel has no less than four boarders at his hotel, to-wit: The Chinese murderer, Lui Shing, and the horse thieves, Good, Morrill and Werner. The county jail has more occupants now than it has had for ten years.

AUCTION SALE.—M. A. Brentano will sell at his residence on Oregon street, at public auction, on Saturday, Sept. 16th, 1871, a lot of household and kitchen furniture. All those in want of household goods and kitchen furniture, will do well to be on hand. 3612

GOOD PROSPECT.—While cleaning out the well in the Court House yard, the workmen prospected a pan of dirt from the bottom of the well, and got about eight cents of coarse and fine gold. In what other country do they find gold in the wells?

SWAMP LAND SURVEY.—Hon. J. N. T. Miller, Swamp Land Commissioner, is now engaged in selecting the swamp land belonging to the State, in the Klamath country. Mr. D. P. Murphy is in charge of the survey. When last heard from, the party was engaged in surveying the lands on Little Klamath Lake.

PERSONAL.—We notice our friend, C. Coleman, of Phoenix, in town yesterday. He has just returned from San Francisco, where he has been to purchase a stock of goods for his store at that place. Sheriff Klippel started for a tour east of the mountains, in the Klamath Lake region, Tuesday. Gen. John F. Miller, Mr. Wm. Percils and J. H. Reed started for the north.

NEW EDITOR.—Mr. H. Kelly makes his editorial bow to the readers of the *Sentinel* in the last issue of that paper. He assumes the arduous duties of the tripod, with a just appreciation of the obligations and responsibilities, and if he carries out the sentiments he expresses, as we have no doubt he will, the *Sentinel* will be a credit to Oregon journalism. We extend a cordial welcome to our new confere.

KLAMATH LAKE.—Mr. J. D. Coughlin arrived this week from Klamath Lake and Link River. He reports crops of all kinds, including vegetables, as looking remarkably well. He reports extraordinary beets, radishes, cabbages and garden vegetables of every variety, grown since the visitation of the crickets last spring. A school house has been built at Link River, and a successful school is in operation at that place. Stock is rolling fat, and in short, everything seems to be in a thriving condition.

A BRUTAL DEED.—We are informed that the body of the man Lake, who was recently killed on the Crescent City road, was hastily interred in a shallow grave scooped out among the rocks by the road side, with no other covering but a blanket and the loose rocks which were heaped above him. The consequence is that stench in that vicinity is simply awful. There was no shadow of excuse for this act of barbarism. Our informant states that the owner of the team which Lake drove had a spring wagon on the ground, and could easily have taken the body of the unfortunate man to the City for interment. Instead of this he buried the corpse of the man by the roadside like a dog. He is a burning disgrace to his species, and we only regret that we could not ascertain his name in order to hold up the ignominious wretch to the contempt of the community.

A NUISANCE.—The Sexton complains that a lot of obtrusive boys are in the habit of following every funeral procession which attends at the cemetery, and by their ruffianly conduct seriously interfering with the funeral solemnities. Parents should teach their children at least the common rules of good behavior on such occasions. Respect for the dead is one of the noblest marks of civilization, and the slightest regard for the amenities of civilized life, as well as a common respect for the grief of the mourners on such occasions, should dictate that the ruffianism of these young savages should be restrained. If it occurs in the future, we shall publish a list of the names of these boys, who have no regard for the living and no respect for the dead, and hold them up to the scorn of the community.

BAD BOYS.—We are informed that Mr. Silas J. Day's residence and cellar was entered on Thursday, while Mrs. Day was absent, by a couple of boys (the ringleader not over nine years old) and a raid made on Mrs. Day's store of preserves. After committing a filthy nuisance on the premises, they stole a gold belt buckle belonging to Mrs. Day, which they returned, however. The ringleader in this mischief, has been guilty of repeated offences of like character, and is utterly incorrigible. A house of correction is needed very much for boys of his stamp. It is the only hope for him. As it is, he is rapidly and surely gravitating to the penitentiary or the gallows, and his influence on the youth of his own age in this town is terribly pernicious.

"A FELLOW FEELING MAKES US WONDROUS KIND."—Conjectures of all kinds have been freely expressed as to the reasons which influenced Governor Grover in appointing Judge Duncan to the County Judgeship of this county, and among the rest the fact that both the Governor and the Judge are disciples of the "New Departure" was stated as a reason for the appointment. If this be so, it will be well for the Democracy of Oregon to know that the Executive intends to confer his appointments only on those who happen to agree with his peculiar views on the Montgomery county heresy. All right, Governor; go ahead if you think there is no hereafter.

THEY KNOW THEIR FRIENDS.—On the reception of the news of the California election and the success of the Radicals, our pigtailed friends in Chinatown went on a regular bender, burnt firecrackers and consumed much "blanched," etc. When asked "why these things were thus," they replied: "Me heap sabe. Laddie, him beat Demclat in California. Chinaman little while, him good as Melican man. Him vote. Him catchee office. Him catchee Sheriff. Melican man no more catchee China tax. Me heap sabe. You take some blanched?" Politely declining the "blanched," our reporter meandered away from there, musing on the words of that Chinaman, and asking himself if they might not be prophetic.

A WOMAN'S RIGHTST IN VERY DEED.—Our Jackson county women carry out the doctrines of woman's rights to practical results, for we saw one the other day standing upright in a two-horse wood wagon, driving off from a wood pile in town, where she had just deposited a load of cord wood. Now, we are in favor of giving that woman the ballot, if she wants it. As a representative of woman's rights, she is worth a ten-acre field full of the Woodhulls and Claflins and the rest of them. She has entered into competition with the men in the hardest and most arduous fields of labor, and we are in favor of giving her all men's rights and privileges that nature will allow her to possess.

THANKS.—Mr. Thos. Paulsen and his fair bride have the thanks of this office for that generous quantity of cake, and that wine with which to wash it down withal. Unfortunately it came too late for acknowledgement last week. We wish the donors a prosperous voyage through life, and hope that the name of Paulsen may be perpetuated in a numerous line of young Paulsens, till the "crack of doom." Selah!

OREGON BRANCH PACIFIC RAILROAD CO.—A meeting of the stockholders of the O. B. P. R. Co., will be held at the company's office in Jacksonville, Sept. 23, 1871, for the purpose of holding the annual election of officers for said company, and for the transaction of such other business as may properly come before the meeting. HENRY KLIPPEL, Sec'y. Jacksonville, Sept. 11th, 1871.

'GLANG.—"That gay and festive cuss," Wes. Manning, captured us the other day, and hustled us into one of those fine buggies, and took us whirling into the country for a mouthful of fresh air. He has some kind of human compassion for a poor devil of an editor, a trait, which we are sorry to say, mankind is not in the habit of exhibiting. By-the-by, Wes. keeps about the best horse hotel this side of Portland. He is a good boy, and deserves patronage.

THE UNK WEED REMEDY.

OREGON RHEUMATIC CURE.

History.

This remedy is composed of the active principle of the Unk Weed, Eng.—Thapsia Corniculata, Original, Lat.—Indigenous to Oregon. Grows most abundantly and perfectly in Washington Co. Properties, Etc.

It contains an ACTIVE VOLATILE principle, extracted by Ether, and a bitter TONIC principle, soluble in Alcohol.

Medical Properties and Uses.

It is the most speedy cure for Rheumatism, Rheumatic Gout and Rheumatic Pains of all kinds that was ever introduced in Materia Medica. The Unk Weed Remedy, as prepared by us, in consequence of its existing bitter principle, possesses the necessary virtue of being a POWERFUL TONIC. Promoting the Appetite and Incorporating the whole Digestive Apparatus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatic Poison, removing it from the circulation and system.

There are a few remedies known to the Medical Profession which will remove the RHEUMATIC Poison from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rheumatic patient, that their use has to be abandoned before specific effects are obtained, hence the want of success in treating this prevalent, and in consequence heretofore incurable disease. Unlike these medicines, already known, the UNK WEED REMEDY, though producing as powerful and as effective effects on the blood and system in removing the Rheumatic Poison, also possesses a strong TONIC and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have a remedy for the first time of these TWO necessary elements in ONE remedy, which accounts for its Superior and Never-Failing curative effects in Rheumatism, Rheumatic Gout, and Rheumatic Pains of all kinds.

We are aware of the fact that is generally an easy matter to procure certainties stating the efficacy of patent medicines from a certain class of those who use them. We have selected the following because the names attached to them are those of men of the most careful and scrupulous character, and because the large class of their acquaintances in Oregon will not, for a moment, accuse or suspect them of any exaggeration in the statements they may make.

Remarkable cure of Mrs. Hoover, Wife of Hon. Jacob Hoover, ex-Treasurer of Washington county, Oregon. Taulatin Plains, Washington county, Oregon, July 22, 1871.

A. M. Loryen & Co.—I have been troubled with Rheumatism for the past twelve years, my joints, especially those of my feet and hands, were badly swollen, so that I could with difficulty go around. My shoulder pained me a great deal and a large boy would growl out, so that I could not raise my hand to my head. Since last Spring I have been taking your "Unk Weed Remedy," and find myself much improved. The swelling and pain has left my joints and shoulder, and the long growth has come back again, and I use my limbs and am far better than I have been for years. M. HOOVER.

Certificate from the Deputy Jailer of Multnomah county jail:

City Jail, Portland, Oregon, June 7th, 1871.

A. M. Loryen & Co.—I was attacked with a severe case of rheumatism. It was in my thighs, hips, fingers, shoulder blade—in fact in all the joints of my body I suffered great pain and anguish. I was attended by a regular physician, but with no effect. I was induced to try your Unk Weed Remedy, and it immediately cured me. I consider it, from my experience, the best remedy for rheumatism known.

ALFRED F. TURNER, Deputy Jailer. This is to certify that the above statement is correct to my own knowledge. JOHN P. WARD, Jailer.

Certificate of A. R. Shipley, Esq., special contributor to the *Willamette Farmer*, and Secretary of the Oregon Horticultural Society: Oswego, Oregon, March 25th, 1871.

A. M. Loryen & Co.—Some four weeks ago I was entirely prostrated with rheumatism. I was almost helpless. I sent to you for one 16-ounce bottle of the "Unk Weed Remedy," by the use of which I experienced almost immediate relief, and by the time the bottle was gone the rheumatism was gone. From my own experience, and from what I have heard others say who have used the Unk Weed, I believe it to be a certain cure for the rheumatism. Your, respectfully, A. R. SHIPLEY.

Certificate from Hon. A. J. Dufur, ex-President of the Oregon State Agricultural Society, and author of "Statistics of Oregon." East Portland, April 1, 1871.

A. M. Loryen & Co.—I was afflicted with a severe attack of chronic rheumatism; was confined to my bed most of the time from January to July, when I used the Unk Weed, and it cured me up. A. J. DUFUR.

Certificate from Hon. Gideon Tibbitts, a member of the City Council of East Portland: East Portland, April 7, 1871.

A. M. Loryen & Co.—Gents: This is to inform you that I have used your "Unk Weed" for rheumatism and rheumatic pain, and found relief from the use of only one bottle, and can recommend it to those in need of such a remedy. Yours, GIDEON TIBBITTS.

Certificate from James Bybee, the celebrated stock-grower, and "King of the Oregon Trail": Suva's Island, January 14, 1871.

A. M. Loryen & Co.—This is to acknowledge the efficacy of your "Unk Weed remedy, or Oregon Rheumatic Cure." I was afflicted for months with a very serious attack of the inflammatory rheumatism, and tried nearly all of the so-called rheumatic remedies without any relief perceptible. I then tried your Remedy, and its use resulted in the most happy effects—a perfect cure. Truly yours, JAMES BYBEE.

Certificate from Hon. E. L. Quimby, ex-County Commissioner of Multnomah County, Oregon: East Portland, April 1, 1871.

A. M. Loryen & Co.—I have used the Unk Weed Remedy, and am satisfied it is a valuable medicine. It regulates and invigorates the system. This is my experience with the Remedy. Truly yours, E. L. QUIMBY.

Certificate from the well-known merchant, O. W. Weaver, Esq.: The Dalles, May 23, 1871.

A. M. Loryen & Co.—I have used the "Unk Weed Remedy," and can cheerfully recommend it to persons afflicted with inflammatory rheumatism. It cured me of that disease. My hands, wrists, ankles—indeed, all my joints—were swollen and very painful. O. W. WEAVER.

Certificate from Hon. N. H. Lane, Pilot Commissioner of Oregon, and a member of the City Council of East Portland: East Portland, April 10, 1871.

A. M. Loryen & Co.—I have been afflicted for several years past with "weakness in the back," and wandering rheumatic pain, accompanied by severe constipation. By the use of one bottle of your Unk Weed Remedy, or Oregon Rheumatic Cure, I have been entirely relieved, and I cheerfully recommend it as a most valuable and effective remedy. NAT. H. LANE.

Put up in 16-ounce bottles, at \$1.50 per bottle. Prepared at the Oregon Medicine Laboratory, by A. M. Loryen & Co., East Portland, Ogn. For sale by all Druggists. 31
