GRATZ BROWN'S CHANCES.

Frank Blair Again Interviewed—Why Grant Sacrificed Pleasantry. (George Alfred Townsend's Cape May Letter to Chicago Tribune.)

FRANK BLAIR FOR GRATZ BROWN.

A very formidable movement in the opposition party appears to have developed to press Grant Brown upon the Democratic Convention next year.

FRANK BLAIR IS AMERICAN-BORN, BUT OF GERMAN EXTRACTION.

He is a man of deep learning, close thought, and ardent convictions, and possessed of ample wealth and unflinching public spirit.

I ASKED IF CARL SCHURZ WOULD SUPPORT GRATZ BROWN ON A DEMOCRATIC TICKET.

He said: "I have not a particle of doubt of it. In fact, I think Schurz told Gratz he would support for him."

FRANK BLAIR TAKES NO LIQUOR IN HIS GREENS AT PRESENT.

He looks well, and claims interest in this State, his great grandfather having landed here as an imported Professor for Princeton.

HOW?—THE ATLANTA CONSTITUTION, ARGUING AGAINST THE POLICY OF WHO OPPOSE THE NEW DEPARTURE.

"Victory is what we want—must have. The defeat of Radicalism demands our first consideration. To sweep from the administration of the government the destroyers alike of the Constitution, the rights of States, the peace and welfare of an outraged, tax-ridden, and plundered people, is the paramount object."

HOW?—THE ATLANTA CONSTITUTION, ARGUING AGAINST THE POLICY OF WHO OPPOSE THE NEW DEPARTURE.

As we do not precisely understand the drift of this, our friends must allow us to put them on the witness-stand a moment. How are we to "rescue the government from centralists" by adopting the principles of centralism?

A NEW JERSEY EDITOR HAS ANNOUNCED THE DEATH OF HIS UNCLE IN AUSTRALIA.

He who commences with certainty will end with doubts, but he who is content to begin with doubts may end in certainty.—Bacon.
