Thus it is that poor girls are checked in every attempt to help themselves. But why couldn't a fortune be made by starting out some of the long, lean, bloodless, the very best liquors and cigars may be found, at scraggy women-women, with directions prices to suit the times. to threaten to hug any man who refused to "come down." There's money in that

MINERS' LUCK .- All miners are not lucky. Many who came to the Pacific coast in '49 have never "struck it." Doubtless there are many who have been within a few feet or inches of "big things," but owing to some untoward circumstances have been compelled to abandon the prospect just before reaching "pay grit." Others, of course, have absolutely stumbled on valuable mines, and realized immense fortunes when they least expected it. A correspondent writ- Has resumed his former business in Jacksonville, ing from this place to the Austin Reville, tells how a couple of Eureka miners er & Bro., and will keep constantly on hand a genmissed their "pile," in the following lan- eral assortment of guage: We were to-day put in possession of a bit of history—how a pine-nut meal cost two of our old miners \$20,000. It was in this way: Late in the fall of '69 two searchers of the mineral wealth wended their way out in the direction of the General Lee mine, in the immediate vicinity of which they found some good looking float, and in following it up and ings. dropped upon a cache of nuts which so delighted them, not having had a square meal for several days, they concluded to short notice and with the best material. stop and have a big roast, and afterwards to again follow up the float. But after cash price than ever before offered in Jacksonville. throwing themselves outside of a bushel or so their minds became easy, and they were soon in a somnolent state, which lasted them so long that they concluded to prospect no more that day, and re-traced their steps to their brush shanty on the hill-side. This year these two hombres paid a visit to the Wide West mine, and found their pine-nut cache was but five feet from the croppings from which was developed the above named for the patronage that has been given us. The claim, and which sold a few days since business will be carried on by Mr. Sizemore. for \$20,000 .- Eureka Sentinel.

THE UNK WEED REMEDY, COMPOUND FLUID OREGON RHEUMATIC CURE.

History.

This remedy is composed of the active principle of the Unk Weed, Eng .- Thaspium Cordatum Originis, Lat .- Indigenous to Oregon. Grows most abundantly and perfectly in Washington Co. Properties, Etc.

It contains an ACTIVE VOLATILE principle, extracted by Ether, and a bitter TONIC principle,

Medical Properties and Uses.

It is the most speedy cure for Rheumatism, Rheu matic Gout and Rheumatic Pains of all kinds that was ever introduced in Materia Medica. The Unk I am now prepared to furnish my patrons, and Weed Remedy, as prepared by us, in consequence of its existing bitter principle, possesses the necessary virtue of being a POWERFUL TONIC, Promoting the Appetite and Invigorating the whole Digestice Apparatus, thus building up and strengthtile principle, being absorbed in the blood, acts it from the circulation and system.

abandoned before specific effects are obtained, hence | consequently do not produce the desired effect. the want of success in treating this prevalent, and THE CATAWBA GRAPE PILLS, being pleasin consequence heretofore incurable disease. Un- ant in taste and odor, do not necessitate their belike these medicines, already known, the UNK ing sugar-coated. PRICE FIFTY CENTS PER WEED REMEDY, though producing as powerful BOX. and as affective effects on the blood and system in removing the Rheumatic Poison, also possesses a strong TONIC and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these TWO necessary ele ments in ONE remedy, which accounts for its Superior and Never-Failing curative effects in Rheumatism, Rheumatic Gout, and Rheu-
