LOCAL INTELLIGENCE.

Religious Notices.

Rev. Father BLANCHET will hold divine services at the Catholic Church to-morrow, at the usual hour.

NOTICE.—All persons indebted to the undersigned will please pay up without delay, for I need money to pay my own debts. [4944] JOHN NOLAND.

SNOW.—We are informed that snow fell at Kerbyville, Josephine county, during the late storm, to the depth of ten inches.

WINTER.—The weather for the past week has been exceedingly disagreeable. Rain and dense, chilly fogs prevail. No sufficient quantity of rain has fallen to benefit the miners.

ACCIDENT.—We learn, from Deputy Sheriff Foudray, that a gravel train of cars ran off the track at Harrisburg on Saturday last, and killed two Chinamen and seriously wounded several others.

STATISTICAL.—The amount of claims audited for the expenses of the November term of Circuit Court was \$4,255.17. The amount of claims for county expenses for the month of November, is \$1,253.87.

PLEASANT CREEK.—We learn from Mr. C. K. Williams that there is not enough water to mine on this creek, although active preparations are being made to commence operations when it does come.

TO STOCKHOLDERS.—The stockholders of the Gold Hill Quartz Mining Company will hold their annual meeting at their office in Jacksonville, Oregon, on December 30th, 1871. A full attendance is respectfully solicited. HENRY KLIPPEL, President.

THE MAILS.—Owing to the trains being snow-bound on the Pacific railroads, no Eastern mails had been received for several days until Wednesday last. The roads north are in a poor condition for stage traveling, and the mails from that source are one or two days behind hand.

ROADS.—Travelers from the north report the roads from Eugene City to Canbyville as simply awful. Pass Creek is cut up by the wagons engaged in transporting ties, and the road as far as Oakland is bottomless. Then comes the black mud as far as the Roberts' Hill, which brings to mind the Slough of Despond so forcibly depicted by Bunyan.

FOR MISSOURI.—Mr. J. T. Raimey, an old and respected citizen of this county, left this place on Thursday last, accompanied by his wife, to visit friends in Platte City, Missouri. Mr. Raimey expects to be absent about one year, when he will again return to this State with his family. We wish him a pleasant trip and a safe return.

RACING.—On New Year's day a trotting race, three in five, will come off over the Bybee race course, between the following Vermont horses: "Joe Hooker," entered by James Kilgore; "Brock Pomroy," by Drannan; "Daniel O'Connell," by N. H. Berry. Purse, \$100. Good sport is anticipated, and we hope to see a good turn out.

CATHOLIC LIBRARY.—Rev. Father Blanchet is pleased to announce to the reading public that he has, in the Church Library, four hundred volumes of books, which he will loan gratis to all those who wish to read both sides of the question. Those who have had books, for any length of time, will please call and exchange them for others. Call at any hour in the day time.

THE WINTER FIGHTS HAVE COMMENCED.—Following the example of Mace and Coburn, Indian Billy and a semi-bleached American citizen, named Alfred Johnson, had a set-to this week, in which the representative of the Lo family had his peppers put in mourning. The latter is anxiously enquiring whether the "white man's laws won't punish a nigger for whipping an Injun."

EXHIBITION MONDAY EVENING.—The juveniles of the German private school will give a public entertainment next Monday evening, the 18th instant, at Horne's Hall, commencing at 7 o'clock. The programme will comprise singing, declamation, etc., and everybody is invited to attend. As many of the scholars are American, there will undoubtedly be as much interest taken in this entertainment by Americans as Germans. Let everybody be present!

THE PRICE OF A WIFE, BABY AND A SPAN OF HORSES.—We stated last week that a young man, named Connor, had been arrested for stealing another man's wife, baby and a span of horses. The evidence developed all the above facts, and in addition, that the fellow and the woman had stolen about \$1,000 worth of household gear belonging to the injured husband, including a splendid sewing machine, silver ware, beds, bedding, etc.—in fact enough articles to set up house-keeping very comfortably indeed. The woman left five children behind her, and only took the youngest. On the way out from the Willamette, this fellow, Connor, beat the child (only twenty months old) so unmercifully that a lady who was living on the road near where the brute and his paramour were camped, left her house and marched to the camp and compelled the brute to desist. The poor little creature's person was exhibited at the trial, and was found covered with welchks and weals black and blue—even its little head was covered with the marks of Connor's brutality. The man was arrested while sleeping in the wagon with his paramour, and taken before Justice Kahler, of Grant's Pass, for examination. Notwithstanding the evidence was so plain and unmistakable that the Justice could not get over it, the thief, adulterer and child-whipper, was bound over in the paltry sum of \$150. A mittimus was made out and delivered to the constable, but that kind-hearted personage, instead of delivering his prisoner to the Sheriff, as the process required, accompanied the prisoner and his counsel to Ashland, in the other end of the county from where the trial was had, passing Jacksonville in the road, where the prisoner by some means procured bail—W. F. Songer and Stephen Booth, who never saw him before, becoming his bondsmen. Take it all in all, this was one of the most remarkable proceedings that ever took place before in this county, even in a Justice's court, and these Courts are celebrated for transactions that throw Justice Dogberry's tribunal into the shade.

NEW ADVERTISEMENT.—Messrs. Fay & Rea have been authorized to collect the out-standing accounts of Messrs. Plymale & Manning. Those indebted to that firm will save costs of collection by prompt payment. James Hardes is notified, through her attorney, J. R. Neil, that unless he comes to time shortly the bonds of matrimony now existing between himself and Mrs. Helen M. Hardes will be dissolved. The prayerful attention of Mr. Hardes is respectfully invited to this subject.

The Lost and Link River Irrigation, Manufacturing and Navigation Company desire to make settlement for the right of way in constructing their canal from Lost to Link river. Those interested will please take notice.

Mr. Louis Horne will give a Christmas ball at the U. S. Hotel, on Christmas night. The fair damsels and light-footed gentry of the country are expected to be present. Tickets, \$4.

ADJOURNED.—The Circuit Court after a long and tedious session of a month, adjourned sine die last Monday.

CHRISTMAS TREE AND FESTIVAL.

According to previous notice, a meeting was held at the Court House, in Jacksonville, on Monday evening, the 11th instant, for the purpose of making arrangements for a Christmas Festival and Tree.

Judge P. P. Prim was elected Chairman, and Mr. Silas J. Day, Secretary.

The following committee was appointed by the Chairman: Messrs. Isaac Sachs, James W. Crutcher, J. Boyer, H. S. Dunlap, John Bilger, George Ratrie, David Linn, and Mrs. John Miller, Mrs. McClentie, Mrs. Roudabush, Miss Dora Cardwell, Miss Emma Plymale, Miss Kate Hoffman and Miss Tish Eckelson.

By order of the Chairman, Isaac Sachs, the Committee met at the Court House on Tuesday evening. The following business was transacted:

Committee on Finance.—Mrs. Roudabush, Miss Tish Eckelson, Messrs. David Linn and Isaac Sachs.

Committee on Receiving Gifts.—Mrs. John Miller, Miss Kate Hoffman, Mr. John Bilger.

Committee on Procuring Trees.—Messrs. R. S. Dunlap, J. Boyer and James W. Crutcher.

Committee on Ascertaining the Number of Children in Jacksonville School District.—Miss Emma Plymale, Miss Dora Cardwell, Mr. Geo. Ratrie.

Committee on Music.—Messrs. Helms and Ratrie.

Rev. B. R. Johnson was elected to act as Chaplain for the occasion.

The money collected by the financial committee will be appropriated to decorating the trees, and also to furnishing presents for the children whose parents are supposed to be unable to procure them; however, it is expected that the majority of the presents will be sent in by parents for their children, and friend for friend.

All persons desiring to send in gifts during the coming week, can leave them in care of Mrs. John Miller, Miss Kate Hoffman, or Mr. John Bilger, and also at the Court House on Monday, Christmas Day, until 12 o'clock. All presents should be carefully labeled.

TISH K. ECKELSON, Sec'y.

COUNTY COURT SYNOPSIS FOR DECEMBER.—The Court met Tuesday, December 5th, a full Board being present. The Board was in session two days and audited the claims of jurors, witnesses, bailiffs and officers of the November term of the Circuit Court, amounting in the aggregate to the sum of \$3,722.52; other claims audited to the amount of \$1,253.86. Total, \$4,976.38.

It was ordered by the Board that the consideration of the Langel Valley Road, as prayed for in the petition for the same, be deferred until the next regular meeting of the Board.

Isaac R. Mecum, Justice of the Peace for Klamath Lake precinct, tendered to the Board his resignation, which was accepted, and Nelson Stephenson appointed to fill the vacancy.

It was ordered by the Board that Wm. Hoffman, administrator of the estate of T. H. B. Shipley, be allowed \$79.02, one per cent. upon the gross amount of receipts of the irremediable school fund collected by said Shipley in his lifetime, as local agent of the School Land Board.

Board then adjourned.

A RAMPANT CUSS.—Last week a delegate from the railroad playfully broke a pitcher over the head of another delegate from the same place, in Madame De Gilfoyle's hostelry, and conducted himself generally in such a boisterous manner that the Madame became seriously alarmed, not only for the safety of her crockery, but for her boarders' heads. Marshal McDaniel captured the fighter, after a lively engagement, and escorted him to the calaboose, whereupon our friend went for that calaboose, and in a short time made the inside of it look as if a fifteen-inch moulid had exploded there. He was collared with a bottle of whisky, and the next morning the kind-hearted Recorder let him off with a slight reprimand. "Such is life!"

THE "WHAT IS IT?"—An Oregon curiosity—a quadrum mule—was on exhibition on Tuesday last in this place. It was sired in the extreme Southwestern Oregon, in August, 1868, and was the foal of a mule by a horse. This animal has no mane, a tail similar to that of a cow; and ass' head, and the ears of a horse, while the hair of its body is as kinky as an African's wool. We learn that the owner of this remarkable animal, Mr. J. N. Dougherty, intends taking the mule East, where expects to dispose of it to P. T. Barnum, the museum man.

PERSONAL.—Mr. John Wintjen, of the firm of Wintjen & Helms, arrived last Saturday evening from a trip to Germany, where he has been sojourning for some time past.

Deputy Sheriff Foudray returned from Salem this week, having safely delivered the three horse thieves, Morrell, Good and Warner, into the hands of Bill Watkins.

Judge J. H. Reed, of Portland, and Mr. Joe. Wall, of Crescent City, returned home last week.

FOUND.—A lady's ear-ring was found in the store of Sachs Bros. The owner can recover the same by applying to the above firm.

THE RAILROAD.—We learn from Deputy Sheriff Foudray, who has just returned from the north, that work on the railroad is being vigorously prosecuted. The roads are in an awful condition. It took him six days to get from Eugene City to Jacksonville.

PAY YOUR TAXES.—LAST CALL!—Tax-payers will find me at my office in Jacksonville until the 1st of January, 1872, for the purpose of receiving taxes. All taxes unpaid at that time, will be collected with costs.

HENRY KLIPPEL, Sheriff and Tax Collector.

BLESSINGS brighten as they take their flight. The chief of blessings is good health, without which nothing is worth the having; it is always appreciated at its true value after it is lost, but, too often, not before. Live properly, and correct ailments before they become seated.

For diseases of the liver, kidneys, skin, stomach, and all arising from impure or feeble blood, Dr. Walker's California Vinegar Bitters are a sure and speedy remedy. It has never yet failed in a single instance.

NEW, THIS WEEK. Pay Up. THE accounts of the firm of Plymale & Manning have been placed in our hands for collection. Persons knowing themselves indebted will take notice that costs will be added unless prompt payment is made. FAY & REA. December 15th, 1871. 501f

Each number contains a carefully condensed summary of all the news of the world, together with a great variety of miscellaneous reading in every department of literature, art and science—enough to make a respectable book. It is not a high-priced journal, either, for each number contains fully twice as much reading matter as is contained in the average Eastern weeklies offered at half the price of the Bulletin. Its reliable stock and market reports are also worth more than the price of subscription to any miner, farmer, merchant or producer who needs constant knowledge of the condition of the markets.

NEVER FAILS TO CURE. COWAN & FLINT'S GREAT AGUE KING! A PURELY VEGETABLE REMEDY!

CONTAINS NO QUININE, MERCURY OR ARSENIC!

The astonishing cures daily performed by this preparation cause considerable comment by the Medical Faculty, as they positively assert that CHILLS AND FEVER, FEVER AND AGUE, INTERMITTENT AND REMITTENT FEVERS cannot be cured without the use of Quinine. Nevertheless, the old Poison is laid upon the shelf, and we would recommend in confidence to those who have tried and received but temporary relief from the use of the many Quinine Mixtures, to

Try the Ague King!

NO RINGING IN THE HEAD! NO STIFF LIMBS! NO DEAFNESS!

Or any of those disastrous effects caused by the use of the many Quinine mixtures daily recommended to them.

IT HAS BECOME A FIXED FACT, that no remedy has yet been discovered which allays Fever and gives strength and tone to the Stomach, and that important gland, the Liver, like the AGUE KING. It is nature's own remedy, being composed of vegetable matter, and skillfully prepared. It seeks the root of the disease, and with its magic influence performs a cure.

The Wonder of Wonders—The Great Ague King. I wonder if wonders are never to cease. At present all wonders are on the increase; Of the latest I now will give you a hint, Look at the Ague King of Cowan & Flint.

No Quinine, no Mercury, nor Arsenic we find Were ever compounded or with it combined; This wonder, the doctors were mentally sure, Could never be done and make a good cure.

We confess it astonishes us, and wonderfully too, To see what the Ague King daily does do; If you've Fever, or Ague, or any such thing, Go promptly and purchase the great Ague King.

I'd shaken so long, till every kind friend Consolingly told me to fix my end; Oh! life was so sweet, I wished not to die, Therefore the Ague King I hastened to try.

One bottle is all—I took as directed, And, wondrous to tell, my cure was effected; From the grave I was snatched, and ever will sing Honored and bless'd be the great Ague King!

Now shakers, we tell you go buy it and try it, It quickly will make your shacking limbs quiet; For pills of Quinine, and every such thing, Must speedily yield to this.

Great Ague King! SOLD EVERYWHERE BY DRUGGISTS AND DEALERS. [321f]
