

HOW TO GET RICH.

Put on the airs of an eight-keyed flute, if you're only a penny whistle; Pass where you go for a garden rose, if you're only a wayside thistle. Blow, whenever you blow your horn, so people can understand; That you may be sharp, but you won't be flat, in society's great brass band. Pass the plate or the hat in church With the usual Sabbath air; But move with a mild, religious squeak, That people may know you're there. If you carry a nose six inches long, (And a beak can see you're longer.) Believe it a sign of perception strong, And the longer it is the stronger. But if in the order of usual tubes Your organ is brief in measure, Then, brevity being the sign of wit, Consider your pug a treasure! Love your neighbor, but mark the force Of the gospel rule of grace; The more you admire yourself, my friend, The higher your neighbor's place. Click your dime in the Deacon's pan, As if you were throwing it longer; And give, with an eye to the business, hope Of reaping a hundred-fold. Whether your reading is little or great, Quite light or never a note; Polish your speck, though down in the heel, And never indorse a note. Always advance best hand, best foot, (Best hand, best foot, best eye.) And that you may feast on the fat of the land While others enjoy the bone.

VARIETIES.

Calico balls are the rage in Oregon now. The debt of France amounts to about \$125 for each of the population. The State of Massachusetts had 52,063 more women than men in 1870. The female suffragists insist on running George W. Julian for President. Joaquin Miller has entered into an engagement to lecture in Nevada. A Chinese woman in Nevada recently poisoned herself for love of a "Melican." One million and a half of people in Germany are said to speak the English language. Female compositors get through their copy very rapidly, being anxious to get the last word. The Prussians are said to be fortifying Metz with enormous cannon, and enlarging Strasbourg. Stokes tells an interviewer that Jim Fisk was not near so bad a man as Jay Gould was and is. A meeting of the Democratic National Committee has been called for Wednesday, May 8th, at New York. It has been ascertained that some ladies use paint as all fiddlers do rosin—to aid them in drawing a bean. The Boston Jubilee Coliseum is to be 550 feet long by 356 wide, and in the centre the roof is to be elevated 140 feet from the floor. Sprinkle the sheep fold with carbolic acid diluted with 200 times its bulk of water. This will purify the place and prevent disease. Radicalism has ruled Louisiana since the war ended, and as a result that State can now boast of an indebtedness amounting to \$66,000,000! O'Connor, who committed an assault upon Queen Victoria lately, has been sentenced to receive twenty lashes and a year's imprisonment. Cats are to be taxed at the rate of \$1.25 each per annum in Paris. Had this tax prevailed before the war, Paris could not have held out so long as she did. Henry Berry Lowery, the celebrated North Carolina negro outlaw, shot himself in drawing a load from his gun. He was then lying in ambush for his enemies. Out of 130 German Republican newspapers in this country, says the St. Louis Times, the administration has counted up just six favoring Grant's renomination. A Chinaman who had his nose bit off in a fight in San Francisco, had it carefully packed and sent back home to show his friends one of the American customs. The largest rope in the world has been completed in Birmingham, England. It is five and a quarter inches in diameter, and its weight is over 120,000 pounds. One Abbott, alias Jack Allen, is raising men in New York to go to North Carolina, in order to capture or kill the Lowery gang and secure \$35,000 reward. Tom—"I say Jack, what a beautiful complexion Miss Smith has! Do you know her?" Jack—"No; but I know a girl who buys her complexion at the same store!" Grant declares that he will never lift a finger to secure his re-nomination. Possibly he won't, but he lifts every office-holder who doesn't labor to secure it, adds the Louisville Courier-Journal. A man having a spite at a sausage-maker, rushed into his shop when crowded with customers, threw a dead cat upon the counter, and said: "That makes nineteen! We'll settle when you're at leisure!" It is stated that there are in the United States 231 soldiers who lost both eyes, 118 who lost both legs, 11 who lost both feet, five who lost both hands, thirty-five who lost both arms, and sixteen who lost an arm and leg. At a leap year party in Atlanta, Ga., the young ladies showed their manliness by having the following mottoes put in conspicuous places: "We mean business," "Now is our chance," "Waiting is tedious." Dolly Varden, the fortunate young lady after whom the fashionable dress for next summer is named, was the charming daughter of a London locksmith, Gabriel Varden by name, and lived in the reign of George III. She afterward became Mrs. Joe Willet. Wherever the Radicals have got a foothold, they have laid a heavy hand upon the people. Thus, in Washington City they have raised the rate of taxation in that city since 1870, from \$1.75 to \$3.20 on the \$100. This is the case in every place where the Radicals have had power for any length of time. But still their cry is, "Retrenchment and low taxes."

STATE DEMOCRATIC PLATFORM.

Resolved, 1. That we, the Democratic party of the State of Oregon, are pledged to a strict construction of the Constitution, the restoration and preservation of the rights of the States to regulate their internal affairs, and especially the elective franchise, free from the control or interference of the Federal Government; the protection of individual rights in accordance with the fundamental laws of the land, including the rights to the writ of habeas corpus, trial by jury and freedom from unreasonable searches and seizures. 2. That we are opposed to every species of corruption in all departments of the Municipal, State and National Governments. 3. That our motto is, no privileged classes and no privileged capital. 4. That we are in favor of a tariff to raise money only for the necessary expenses of the Federal Government, and not for the benefit of monopolists. 5. That we view with alarm the flagrant and open violation of the Constitution by the party now controlling the Federal Government, in the passage and enforcement of the Reconstruction and Ku-Klux laws, and the corruption and fraud which characterize their administration of every Department of Government, and we pledge ourselves to use all lawful and peaceable means to secure a speedy correction of these outrages and usurpations. 6. That the freedom, welfare and rights of the people are superior to the interests of incorporations, and should be protected against the exactions of oppressive monopolies. 7. That we favor the appropriation of the fund arising from the sale of swamp lands to purposes of internal improvements and the aid of common schools. 8. That the construction of locks at the Falls of the Willamette is a judicious and effective safeguard of the commerce of the Willamette Valley, and we favor legislation to the end that the commerce of the Columbia river may be in like manner benefited and protected. 9. That the thanks of the people of Oregon are due our present State Administration for its successful efforts in securing to the State the grants of land which otherwise would have fallen into the hands of grasping corporations.

Plantation Bitters!

S. T.—1860—X. This wonderful vegetable restorative is the sheet-anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superseding every other stimulant. In all climates—tropical, temperate or frigid—it acts as a specific in every species of disorders which undermines the bodily strength and breaks down the animal spirit.

MEXICAN MUSTANG LINIM'T.

For Man and Beast. Probably few articles have ever had so extensive a sale, while none have been more universally beneficial than the celebrated MEXICAN MUSTANG LINIMENT. Children, Adults, Horses, and Domestic Animals, are always liable to accident, and it is safe to say that no family can pass a single season without some kind of an emollient being necessary. It becomes a matter of importance then to secure the best. Over three hundred livery stables in the city of New York alone are using the Mexican Mustang Liniment, in all of which it gives unusual satisfaction. Caution.—The genuine is wrapped in a fine Steel Plate engraving with "G. W. Westbrook, Chemist," and "Trade Mark, American Mustang Liniment," engraved across the wrapper. The whole bears the proprietor's private United States Revenue Stamp, and not a common stamp, as used by druggists. LYON MANUFACTURING CO., 52 Park Place, N. Y.

THE UNK WEED REMEDY,

OREGON RHEUMATIC CURE.

History. This remedy is composed of the active principle of the Unk Weed, Eng.—Thapsia Corallina Originis, Lat.—Indigenous to Oregon. Grows most abundantly and perfectly in Washington Co. Properties, Etc. It contains an ACTIVE VOLATILE principle, extracted by Ether, and a bitter TONIC principle, soluble in Alcohol. Medical Properties and Uses. It is the most speedy cure for Rheumatism, Rheumatic Gout and Rheumatic Pains of all kinds that was ever introduced in Materia Medica. The Unk Weed Remedy, as prepared by us, in consequence of its existing bitter principle, possesses the necessary virtue of being a POWERFUL TONIC, Promoting the Appetite and Invigorating the whole Digestive Apparatus, thus building up and strengthening the system, while at the same time the volatile principle, being absorbed in the blood, acts specifically on the Rheumatic Poison, removing it from the circulation and system. There are a few remedies known to the Medical Profession which will remove the RHEUMATIC POISON from the blood, but whose action is so powerful in depressing the system of the already enfeebled Rheumatic patient, that their use has to be abandoned before specific effects are obtained, hence the want of success in treating this prevalent, and in consequence heretofore incurable disease. Unlike these medicines, already known, the UNK WEED REMEDY, though producing as powerful and as affective effects on the blood and system in removing the Rheumatic Poison, also possesses a strong TONIC and recuperating element which admits of its continued use even by the most delicate and debilitated. Thus we have the combination for the first time of these TWO necessary elements in ONE remedy, which accounts for its Superior and Never-Failing curative effects in Rheumatism, Rheumatic Gout, and Rheumatic Pains of all kinds. We are aware of the fact that is generally an easy matter to procure certificates attesting the efficacy of patent medicines from a certain class of those who use them. We have selected the following because the language used is entirely straightforward, and because the large class of their acquaintances in Oregon will not, for a moment, accuse or suspect those who exaggerate in the statements they may make. Remarkable case of Mrs. Hoover, Wife of Hon. Jacob Hoover, ex-Treasurer of Washington County, Oregon. Taulatin Plains, Washington county, Oregon, July 22, 1871. A. M. LORRY & Co.—I have been troubled with Rheumatism for the past twelve years; my joints, especially those of my feet and hands, were badly swollen, so that I could with difficulty go around. My shoulder pained me a great deal and a large bony swelling grew out, so that I could not raise my hand to my head. Since last Spring I have been taking your "Unk Weed Remedy," and find myself much improved. The swelling and pain has left my joints and shoulder, and the bony growth has entirely disappeared and I use my limbs and am far better than I have been for years. M. HOOVER. Certificate from the Deputy Jailor of Multnomah county jail: City Jail, Portland, Oregon, June 7th, 1871. A. M. LORRY & Co.—I was attacked with a severe case of rheumatism. My joints, especially my hips, fingers, shoulder blade—included in all the joints of my body I suffered great pain and anguish. I was attended by a regular physician, but with no effect. I was induced to try your Unk Weed Remedy, and it immediately cured me up. I consider it, from my experience, the best remedy for rheumatism known. ALFRED F. TURNER, Deputy Jailor. This is to certify that the above statement is correct to my own knowledge. JOHN P. WARD, Jailor. Certificate of A. R. Shipley, Esq., Special Contributor to the Oregon Horticultural Society: Oswego, Oregon, March 28th, 1871. A. M. LORRY & Co.—Some four weeks ago I was entirely prostrated with rheumatism; in fact I was almost helpless. I sent to you for one 16-ounce bottle of your "Unk Weed Remedy." By the use of which I experienced almost immediate relief, and by the time the bottle was gone the rheumatism was gone. From my own experience, and from what I have heard others say, who have used the "Unk Weed," I believe it to be a certain cure for the rheumatism. Your, respectfully, A. R. SHIPLEY. Certificate from Hon. A. J. Dufur, ex-President of the Oregon State Agricultural Society, and author of "Statistics of Oregon": East Portland, April 1, 1871. A. M. LORRY & Co.—I was afflicted with a severe attack of chronic rheumatism; was confined to my bed most of the time from January to July, when I used the Unk Weed, and it cured me up. A. J. DUFUR. Certificate from Hon. Gideon Tibbetts, a member of the City Council of East Portland: East Portland, April 7, 1871. A. M. LORRY & Co.—Gents: This is to inform you that I have used your "Unk Weed" for neuralgia and rheumatic pains, and found relief from the use of only one bottle, and can recommend it to those in need of such a remedy. Yours, GIDEON TIBBETTS. Certificate from James Bybee, the celebrated stock-grower, and "King of the Oregon Turf": Snaue's Island, January 14, 1871. A. M. LORRY & Co.—This is to acknowledge the efficacy of your "Unk Weed" remedy, or Oregon Rheumatic Cure." I was afflicted for months with a very serious attack of the inflammatory rheumatism, and tried nearly all of the so-called rheumatic remedies without any relief perceivable. I then tried your Remedy, and its use resulted in the most happy effects—a perfect cure. Truly yours, JAMES BYBEE. Certificate from Hon. E. L. Quimby, ex-County Commissioner of Multnomah County, Oregon: East Portland, April 1, 1871. A. M. LORRY & Co.—I have used the "Unk Weed Remedy," and am satisfied it is a valuable medicine. It regulates and invigorates the system. Truly yours, E. L. QUIMBY. Certificate from the well-known merchant, O. W. Weaver, Esq.: The Dalles, May 23, 1871. A. M. LORRY & Co.—I have used the "Unk Weed Remedy," and am cheerfully recommending it to persons afflicted with inflammatory rheumatism. It cured me of that disease. My hands, wrists, ankles—in fact, all my joints—were swollen and very painful. O. W. WEAVER. Certificate from Hon. N. H. Lane, Pilot Commissioner of Oregon, and a member of the City Council of East Portland: East Portland, April 19, 1871. A. M. LORRY & Co.—I have been afflicted for several years past with "weakness in the back," and wandering rheumatic pains, accompanied by severe constipation. By the use of one bottle of your Unk Weed Remedy, or Oregon Rheumatic Cure, I have been entirely relieved, and I cheerfully recommend it as a most valuable and effective remedy. NAT. H. LANE. Put up in 16-ounce bottles, at \$1.50 per bottle. Prepared at the Oregon Medical Laboratory, by A. M. LORRY & Co., East Portland, Ogn. For sale by all Druggists. [altif]

STOCK MEN, LOOK TO YOUR INTERESTS!

"WHITE PRINCE" Will be kept at my farm, near Ashland, until the first Tuesday in April; will then be, every Tuesday and Wednesday, at Union Livery Stable, Jacksonville; Friday and Saturday at home, until the 10th of July.

"NAPOLEON THE II."

The horse I purchased while in the East the past winter, is now at Red Bluff. Will be brought to this county about the 1st of May, and will then be kept with "White Prince" the balance of the season. "Napoleon II" is got quite as heavy as "White Prince" rather finer about the head, neck and withers—a beautiful dark dapple gray, with white mane and tail. This horse and mare, "Joan of Arc," which died before I shipped) was selected in France in 1870, by one of the best judges of this stock in that country. Since the public have seen "White Prince" at our County Fair, he has grown and spread so his former friends hardly know him. While East the past winter, in conversation with intelligent horse-breeders, several of them informed me that they had stood aloof from the "Percheron or Norman" ones, thinking them too heavy for travel or ordinary use; but after having seen the grade-outs and fillies come to maturity, and seen them in use, they are willing to breed to them; and wherever they have been introduced they have given universal satisfaction. I have been at great expense and risk in making the above importations, and have no doubt that if the horse-breeders of this and adjoining counties patronize the above horses and take proper care of the colts, we will show, in a few years, a class of horses not inferior to any on the coast. I will give For the best horse colt, sired by "White Prince," at weaning time the coming fall; and will also give the following premiums at the next JACKSON COUNTY ANNUAL FAIR, The premiums to be awarded by disinterested persons: Second best horse colt, sired by "White Prince," a set of silver tea spoons; for the best mare colt, one set of silver tea spoons; second best, a heavy silver plated soup ladle. At the County Fair of 1873, I will give a set of silver table spoons for the best lot of colts owned and bred by one party from "White Prince" and "Napoleon the II." Terms, \$15, due during the season; and \$15 when the mare is known to be with foal or parted with. I have made my terms reasonable, so that none need complain. I do not think any other person would go to the expense and risk to secure as good imported horses for anything like the same terms. I expect to have shortly an illustrated descriptive catalogue and a large engraving of my stock. My colts I had at our County Fair last fall keep the same form, and have grown well. Call and see the stock and be your own judge as to their merit. I will secure pasture at fair rates to accommodate mares from a distance. W. C. MYER, Ashland, Ogn., March 6th, 1872. 11a3
