

SATURDAY MORNING, MAY 11, 1872.

VARIETIES.

Florida now has two State Governments in successful operation.

San Francisco has a century plant whose blossoms now grow a foot higher every day.

The old Irish language is dying out; only one-fourth of the Irish people can speak it now.

Grace Greenwood acknowledges that man is a grand creature, even if he is a little stingy about the franchise.

"You'll grow up ugly if you make faces," said a maiden lady to her niece. "Did you make faces when you was a girl, aunty?"

Josh Billings says he never knew a dog, of any breed, whatever, to take hide-fobbery after they had been thoroughly vaccinated with buckshot.

U. S. Senator Goldwater has written home to Alabama: "Tell the Democracy to stand up square, for I am strongly in hopes that day is dawning upon us."

London telegrams, of April 27th, say that Nellie Grant, daughter of Ulysses I., was presented, to Queen Victoria. The ceremonies are said to have been very imposing.

There is point in this remark of the Boston Post: Principal business of the Democrats—announcing the death of the Democratic party; their hardest work—to bury it.

Latest accounts state that famine and pestilence still prevail in Persia. The destruction of the people is so great that it is believed the entire population will be swept away.

FLORENCE

Will sew everything needed in a family, from the heaviest to the lightest fabric.

IT DOES MORE WORK.
MORE KINDS OF WORK.
AND BETTER WORK.
Than any other machine.

If there is a Florence Sewing Machine within one thousand miles of San Francisco not working well and giving entire satisfaction, if I am informed of it, it will be attended to without expense of any kind to the owner.

MME. JEANNE DE ROBOAM PROPRIETOR

THE MADAME TAKES THIS METHOD OF TENDERING HER THANKS TO THE PUBLIC FOR THE patronage which has hitherto been extended to her, and would respectfully solicit its continuance. HER TABLES are always under her immediate control, and by her long experience in the business she feels confident that she will give entire satisfaction to all her guests. Her table is always kept clean, and the Madam has the VERY SHUTZ HALL as an appendage to her house—which is well fitted up—and offers it free to the public, either for dancing parties or theatrical amusements.
