

The Democratic Times.

SATURDAY MORNING, NOVEMBER 9, 1872.

Agents for the "Times." Geo. P. Rowell & Co., New York; L. S. Jacobs, San Francisco; L. P. Fisher, San Francisco; Dan. Green, Josephine Co.

Town and County.

A SUCCESS.—Prof. Brooks' concert at Ashland was a great success, the house being crowded.

NOTARY PUBLIC.—Gov. Grover has appointed Thomas Mulholland, of Hot Springs, Jackson county, a Notary Public.

TOO LATE.—A communication from Roseburg is unavoidably left out on account of being received too late for insertion.

RETURNED.—Hon J. N. T. Miller's surveying party returned from an expedition to the Lake country, where they have been several months.

THANKSGIVING DAY.—The President has set apart Thursday, November 28th, as Thanksgiving Day, and the turkey begins to roost high.

ENDED.—The teaming season is about ended, the late rains having placed the roads in such a condition that it is impossible to team to advantage.

CIRCUIT COURT.—The November term of the Jackson County Circuit Court, Judge Prim presiding, will commence next Monday, 11th inst. The docket is much smaller than last winter's.

ORTH'S BUILDING.—This elegant structure is now nearly completed, and, though the inclement weather has impeded the work, will be ready for occupation in a short time.

"THOU ART GONE FROM OUR GAZE, BUT WE'LL NOT DEPLORE THEE."—The notorious "French Pete," who has been a pest to this community for some time, "has folded his tent like the Arab, and silently stole away." His absence is perceptible.

REMOVAL.—E. C. Brooks has removed his jewelry store to the new drug store, in which he has lately acquired an interest.

E. Jacobs will remove his variety store to a room in John Orth's new building next week.

Do not neglect a cold. Thousands have been carried to early and unnecessary graves by not resorting to some sure and reliable means of cure. Wistar's Balsam of Wild Cherry is offered as a cure of nearly half a century's standing, and is in all respects the best for coughs, colds, bronchitis, whooping-cough, etc.

"WENT TO THE BOARD."—Hon. E. C. Mason informs us that his bill for the formation of a new county from the eastern part of this county was not passed, owing to the inability of the Legislature to reach it for action.

The bill introduced for the annexation of a part of Jackson county to Josephine, also was not passed.

THE CIRCUIT.—John Wilson's Consolidated Circuit gave one of its excellent performances in Jacksonville last Saturday to a very large house. The performance was the best witnessed in town for a long time, and the clown was especially good. In short, everybody was satisfied with the entire circus, except those who stayed to see the concert afterwards.

PERSONAL.—Thomas B. Kent, publisher of the TIMES, left for Roseburg last Monday. Those gay and handsome chaps, K. F. Osburn and Robt. A. Miller, left on Thursday's stage for the Willamette—the former for Corvallis, and the latter for Salem.

Sheriff McKenzie returned from East Portland this week.

GAME.—For several days the wild geese have been winging their way southward and frequenting the grain fields in this vicinity. Since the late rains the ducks are beginning to arrive. Some of our hunters are expecting large numbers of ducks the coming winter. Quails are also unusually numerous in the valley. Our game market will soon be supplied with these fine birds, and shot-guns, gum boots and trained dogs will be in demand.

THE SCHOOLS.—Various schools in the county opened their winter terms last Monday.

Prof. J. B. Farley opened his private school with an attendance of about fifty scholars.

The Jacksonville District School, Prof. Robb and lady, teachers, opened with about thirty scholars.

The Sisters' school commenced its second quarter with a good attendance.

The Ashland Academy, under the supervision of Rev. J. H. Skidmore, opened under the most favorable auspices. Several from Jacksonville and other parts of the county are in attendance.

Mr. Wm. Kreutzer's German School will commence its second quarter next week.

Mr. W. T. Leeke's Writing School closed its second term this week.

ITEMLETS.

Disagreeable weather. Stages arrive late these days. Circuit Court begins next week.

The Circus didn't perform at Ashland. Geese and ducks are becoming abundant.

Jackson county cast a small vote last Tuesday. The Jacksonville String Band has disbanded.

Wood-haulers still busy, and doing big business. Merchants have about received all their goods.

There was a pleasant surprise party at Wm. Bybee's last Monday evening. Owing to the Circuit Court docket being incomplete, we omit publishing it.

Bets of 10 to 1 were freely offered on O'Connor—that he'd get beat—with no takers.

The late rains have softened the ground, and farmers are busy with their fall plowing. A letter was lately dropped into the postoffice at Goose Lake, directed to "Schichagough, Illinois."

The members of Mr. W. T. Leeke's Writing School had a pleasant sociable at Horne's Hall last night.

The present cool weather has caused the fleas and bed-bugs to suspend operations, and our devil rejoiceth greatly thereat.

Wm. Miller of Lane county, whose cattle were stampeded by the Indians near Klamath Lake some time ago, has recovered a part of the stock.

The time for setting out shade trees will soon be on hand. The fall season is by far the best for transplanting maples, so said by those who have had experience.

If that angel artist who so assiduously practices "Shoo-Fly," and other classical music, near this office, will call at the American Consul's house, China, he will be liberally rewarded.

A youthful lover who sang and played at his young lady's house two mortal hours, Friday night, was electrified after a short pause by a cordial "thank you" gracefully pronounced by the "other feller," who appeared at the window.

The Yreka Journal says: "Ben Holladay has hauled off the steamer running to Crescent City, and the Jacksonville freight will now come through this county, via Redding, for Southern Oregon. The Jacksonville merchants have already ordered their winter goods via Redding, which will make lively times for the teamsters from now until the roads close, and make more business during winter for teaming whenever it is possible to make the trip at a reasonable rate of freight."

NEW ADVERTISEMENTS.—James T. Glenn offers the Angel farm for rent. Osburn & Brooks—New Drug Store. L. T. Davis—Final Settlement. G. W. Holt—Lime Notice.

JOSEPHINE COUNTY.—Josephine has undoubtedly gone for Greeley by a small majority. The only precincts heard from are Kerbyville, Slate Creek and Williamsburg, which give Greeley an aggregate majority of about 12. The other precincts will increase the majority to about 25.

HOMICIDE.—Andrew Roundtree was killed in Goose Lake valley, on the 24 day of October, by M. L. Smith, who acknowledged to several witnesses that he killed him by striking him with a hoe, and justified himself in the act on the ground that Roundtree had assaulted him with a pistol while he was in the field digging potatoes with the hoe. Smith had a preliminary examination before a Justice of the Peace and was discharged. The difficulty grew out of a reported improper intimacy between Smith and Roundtree's wife.

THE ELECTION.—The Presidential election last Tuesday was the quietest and most orderly election held in Jackson county, in fact the whole State, for many years, not even a genuine drunk gracing the occasion. But very little interest, it seems, was manifested among Democrats, a large number of whom refused to vote, though the vote in Jacksonville, through the exertion of some of our citizens, ran up to 294—ten tickets being thrown out, in consequence of two each being cast by five persons. The following are the respective majorities in the precincts of Jackson county, as far as heard from:

INGALLS' SURVEYING PARTY.—Our readers will recollect that Mr. Ingalls fitted out a surveying party at this place about the 4th of July last, says the Yreka Union, to survey the country between the Ninth Standard on the south and the California and Oregon line on the North, and Little Klamath and Tule Lakes on the west and Goose Lake on the east. Mr. Ingalls had a contract from the government to survey this district. Mr. McKay, one of the party, has been stopping in Yreka the present week. From him we learn that the job has been completed and the company disbanded. It is proper to remark that the belt of country immediately to the west of Goose Lake for a breadth of about twenty miles, known as the "Devil's garden," was sectioned last year. The most of this is perfectly worthless even for pasturage. Mr. McKay informs us that but little of the country surveyed has any value except for pasture, and a great deal of it but little value for that. On the borders of Tule and Clear Lakes there is some land that will produce grain and vegetables, but even that is better adapted to grazing.

JURORS.—The following are the jurors impaneled for the ensuing term of the Circuit Court, to commence Monday, November 11th: Charles Miller, Wm. Chambers, T. G. Dewa, M. F. Hurst, J. A. Boyer, T. H. Moreland, Elijah Jones, C. Magruder, E. R. Abbott, L. Broadsword, D. N. Birdseye, W. A. Childers, L. J. C. Duncan, J. W. Hamrick, F. Lay, C. F. Blake, M. Fountain, G. W. Isaacs, J. N. T. Miller, Z. Carlwell, C. Kretzer, A. Gordon, J. G. Lanterman, Ole C. Gunnison, Isaac Miller, Sanford Amy, J. W. Mills, G. Kaweski, Jno. Head, T. H. Fielder, R. B. Hargadine.

THE NEW MEDICAL DISCOVERY! THE GREAT LIVER KING! A Vegetable Substitute FOR CALOMEL!

IT HAS LONG BEEN NEEDED, more especially on the Pacific Coast, a remedy for inactivity of the Liver. The Superiority of the Liver King over any other remedy introduced consists in the following: 1. It operates upon the Stomach and Liver and not upon the lower bowels. 2. It is pleasant to the taste, and does not produce nausea of the stomach. 3. It is purely vegetable, and does not injure the system like mineral remedies. 4. It can be given with ease to children, which in itself will make it popular as a family medicine. 5. Persons of delicate constitution who cannot take pills, will find it with joy. 6. It is perfectly harmless, and can in no wise injure you and persons who are troubled with Liver Complaint, Dyspepsia, Rheumatism, Sick Headache, Dizziness of the Head, Drowsiness and a train of indigestible diseases arising from a deranged Liver, will find THE LIVER KING A SURE SPECIFIC!
