

With this issue the DEMOCRATIC TIMES commences its third volume and third year of its existence.

The TIMES is emphatically a permanent institution of Jackson county.

We shall, as heretofore announced, publish a staunch and true Democratic paper—treating the members of our great party alike.

What They Prove.

The returns of the Presidential election in this State, says the Benton Democrat, show Burnett received, at the June election, 499 more votes than Grant did in November.

California Will Not Contribute Volunteers.

At an impromptu meeting of the citizens of Siskiyou, held in Yreka on the 26th ult., in reference to the existing war with the Modocs, Mr. P. A. Dorris was chosen as a delegate to proceed to Sacramento and represent to his Excellency, Gov. Booth, the necessity of ordering out one or two companies of volunteers to co-operate with the Regulars and Oregon Militia.

The Indians.

There are 300,000 Indians in the United States. Of these 97,000 are so thoroughly civilized as to ape the manners and customs of their pale-faced brethren.

ROGUE RIVER VALLEY.

J. H. Beadle, traveling correspondent of the Cincinnati Commercial, who came overland from California last November, gives this beautiful and interesting description of Rogue River Valley.

Creditable to the Indians.

If all accounts be correct the Legislature of the Cherokee Nation is superior to those of most white communities.

A Large Export.

The Portland Bulletin in a commercial article says a careful estimate shows that the money actually received in the State for wheat and flour sent abroad during the present year is about \$1,400,000.

Immigration to the United States.

It is claimed that the immigrants who landed on our shores last year added upward of \$285,000,000 to the national wealth, computing their value merely as unskilled laborers.

Important Decision.

Judge Bonham has rendered a decision that the act of Congress, granting the swamp and overflowed lands of Oregon to the State, vested the title in the State.

The New York Tribune.

Wm. Orton has resold to Whitelaw Reid fifty shares of the stock of the Tribune Association, retaining but one share himself.
