The Democratic Times.

SATURDAY MORNING, FEBRUARY 15, 1873.

SCISSORINGS.

There are 100 female physicians in New York.

Some women use paint as fiddlers do | ued. rosin-to aid them in drawing a beau.

world besides yourself, reader, scrambling sponsible. for bread and butter.

An Indiana woman laments that her husband had not better sense than to take the best sheet to hang himself.

Allentown, Pennsylvania, is the place to live in. Every wife in town gets up and lights the fires without growling.

It is the fashion now for clergymen to kiss the bride-without regard to race, color or previous condition of servitude.

A woman in Mazeppa, Minnesota, won a hundred dollar wager recently, by eating five quarts of oysters in fifteen minutes.

An Utah man, aged 57, having no children of his own, and yearning for juverile affection, is about to marry a girl of thirteen.

"I pronounce you man and-hand over the \$10 before I go any further," is the way Connecticut clergymen have of securing their fee.

Count Kissittoff is dead. He was a terror to modest virgins, who were always unwilling to pronounce his name for fear he would take them at their word.

Mrs. Fisher, in Harrisonville, New Hampshire, has a charming little boy, five years old, weighing 130 pounds. What a sweet little cherub to sit up aloft.

A Wilmington (Delaware) paper announces that a gentleman in that city, 90 years old, who within the past year or two has proposed marriage to over 50 ladies, has been advised by the mayor to take a rest.

There is only one lady down on rubber bustles. The slippery condition of the Milwaukee flagging the other day necessitated her sitting down with enthusiastic suddenness, and the rebound that followed drove her head through a sixtydollar showcase.

The young ladies of Buffalo invite young gentlemen callers to leave their autographs and the date of their visit in a small book kept for the purpose. This book is posted once a month, and any young man who has failed to record his name in that time is dropped from the lady's acquaintance.

A PRETTY FIX FOR A SENATOR.

Zach. Chandler Gets a Head Put on Him.

At great expense I have obtained a complete narrative of the celebrated fight between Zach. Chandler, Radical Senator from Michigan, and Mr. Hannegan, of Indiana, son of ex-Senator Hannegan, who was Minister to Prussia. It happened in the National Hotel, at mealtime. Zach. took advantage of the fortuitous concourse of several persons to abuse Hon. Dan. Voorhees loudly while in his presence. His remarks resounded all over the dining room, such as "traitor," "scoundrel," etc., plentifully con- IN THESE COUNTIES! sorted with oaths.

"Dan," said Hannegan, "I wouldn't stand that foul-mouthed vituperation." "I won't," said Dan, and he walked over to Chandler and struck him a backhanded blow, which resounded like a whip-crack.

Chandler, who had got up wrong end foremost, immediately struck out at Voorhees, and Mr. Hannegan, interposing, remarked: "Gentlemen, this is not the place for a personal collision-a dining room where you disturb other people. Think of your positions, and do not disgrace your constituents."

"Who in h-ll are you?" exclaimed Chandler, and with that he struck Mr. Hannegan with all his force on the side of his face.

Hannegan was stunned by the blow, which he had not expected, being a peacemaker, and not a fighter; but he picked up a molasses pitcher and brought it down on Zach's forehead so that he was covered with blood and molasses, which, strange as it may appear, seemed to improve his appearance. He took up the nearest jug he could find to strike with, but Hannegan ducked his head, and Zach struck an entirely harmless JOB person in the abdomen, who forthwith got the cramps and walked out of the dining-room on his belly. Hannegan said that he now understood that Zach meant business, so forth he took that great patriot by the top-knot, and pushing his head down to the floor, dragged him along, planting blows all over his frontispiece, and nearly making an intelligent countenance out of the Senator. Much spent, gasping and frothing, Zachariah followed his hair across the floor: and several ladies rushing in, cried : "Oh don't kill that man !"

"No, ladies," said Hannegan; I just want to keep him from injuring me, and If you will take care of him I shall let him go immediately."

With this Hannegan gave Zach a last shot, which effectually finished him, and the Michigan Ajax rolled over on his ask and was wheelbarrowed away by some of the servants .- Chicago Tribune.

The Law of Newspapers.

1. Subscribers who do not give express notice to the contrary, are considered as wishing to continue their subscriptions.

2. If any subscribers order the discontinuance f their newspapers, the publisher may continue to send them until all arrearages are paid. 3. If subscribers neglect or refuse to take their newspapers from the offices to which they are directed, the law holds them responsible until they have settled the bills, and order them discontin-

4. If subscribers remove to other places without informing the publisher, and the newspapers There are 1,378,999,999 fellows in the are sent to the former direction, they are held re-5. The courts have decided that refusing to take

newspapers from the office, or removing and leaving them uncalled for, is prima facie evidence of intentional fraud. 6. The postmaster who neglects to give legal notice of the neglect of a person to take from the office the newspaper addressed to him, is liable to

inquire at the farm of WM. C. MILLER

Vinegar Bitters are not a vile Fancy Drink made of Poor Rum, Whisky, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., at lead the tippler on to drunk-enness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants. They are the Great Blood Purifier and a Life-giving Principle, a Perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition, enriching it, refreshing and invigorating both mind and body. They are easy of administration, prompt in their action, certain

in their results, safe and reliable in all forms of No Person can take these Bitters accord ing to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Ead Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertis For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Eitters display so decided an influence that a marked improvement is

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Lilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Eitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs and

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Biotches, Spots, Pimples, Pustules, Eoils, Carbuneles, Ring-worms, Scald-Head, Sore Eyes, name or nature, are literally dug up and carried out of the system in a short time by the use of these Ditters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system Grateful Thousands proclaim VINEGAR BIT-

Thus the most wonderful Invigorant that ever sustained the sinking system. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: There is scarcely an individual on the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of readicing any corniforms, the enthelliphical will medicine, no vermifuges, no anthelminities, will free the system from worms like these Bitters. Mechanical Diseases .- Persons engaged in Prints and Minerals, such as Plumbers, Type-sciters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VIN-EGAR BITTERS twice a week.

Ellious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Onio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Erazos, Lio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALE-ER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating

the secretions of the liver, and generally restoring the healthy functions of the digestive organs. Scrofula, or King's Evil, White Swellings, Ulcers, Erysipeias, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Gl.I. Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these as in all other constitu-tional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most Dr. Walker's California Vinegar Bit-

ters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation he tubercular deposits) the affected parts receive realth, and a permanent cure is effected.

The properties of Dr. Walker's Vinegar BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious. The Aperient and mild Laxative properties of Dr. Walker's Vinegar Bitters are the best cafe-guard in cases of cruptions and malignant

fevers. Their balsamic, healing, and soothing properties protect the humors of the fauces. Their edative properties allay pain in the nervous system, stomach, and bowels, from inflammation, Their Counter-Irritant influence extends throughout the system. Their Anti-billious properties stimulate the liver, in the secretion of lile, and its discharges through the biliary due and are superior to all remedial agents, for the cure of Bilious Pever, Fever and Ague, etc. Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed. Directions .- Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-

steak, mutton chop, venison, roast beef, and vege-tables, and take out-door exercise. They are composed of purely vegetable ingredients, and R. H. McDONALD & CO., Druggists and Gen. Agts., San Francisco, Cal., & cor. of Washington and Charlton Sts., N.Y.
