

THANKS.—Mr. Al. Sturgis has our thanks for a bountiful supply of delicious apples.

DEFEATED.—The petition of J. Houck, of Ashland, for a liquor license, was again before the County Court this week. The Court refused to grant the petition.

PERSONAL.—Mr. Pitt, traveling correspondent and agent for the S. F. Call and Bulletin, is now in town engaged in canvassing for these first-class papers.

REVERSED.—The judgment of the Circuit Court of this county, in the case of the Gold Hill Mining Co. vs. Jacob Ish, has been reversed by the Supreme Court. Judge McArthur rendered the opinion.

SCARCE.—Items continue scarce as \$20 pieces. The only items of interest occurring were the opening of the Spring fights and the demise of Mrs. Johnson's dog, who is supposed to have gotten an overdose of strychnine.

ACCIDENT.—Wm. Finley, a stepson of Sam. Phillips, was severely injured by being dragged by a horse, while hunting cattle on Applegate. The accident occurred in the evening, and before assistance could be rendered him he was nearly frozen. Dr. Belt was called, and the boy is now doing well.

BUSINESS CHANGE.—J. B. White, Esq., of Rock Point, has disposed of his interest in the Rock Point store to C. Magruder, Esq., who will take possession in the course of a month. The business will be carried on under the firm name of Hammond & Magruder, and we wish them much success. We learn that it is Mr. White's intention to remove to Oakland, Cal.

S.; John Coleman, G. K.; Mrs. M. E. Gore, C.; Mrs. S. C. Taylor, P.; Miss A. E. Shideler, F.; Miss Mary A. Herrin, L. A. S.

COUNTY CONVENTION.—The Democratic County Committee met in Jacksonville on Thursday, 5th inst., and issued a call for a Democratic County Convention. The time for holding the Convention was fixed for March 7th; the primaries for Feb. 28th, except Goose Lake, Lost River and Chewacan, who, on account of their great distance from here, will hold their primaries on Feb. 21st. The apportionment of delegates is based upon the vote of the Democratic nominee (Mr. Burnett) for Congress in 1872, allowing one delegate for every 25 Democratic votes, or a fraction of 13 or more votes over; and allowing to each precinct at least one delegate. The meeting was well attended.

THE GAME LAW.—Numerous enquiries having been made as to when the season for killing certain kinds of game will close, we herewith republish a synopsis of the game law. The Act passed at the late session of the Legislature, makes it unlawful to kill or offer for sale any deer, moose or elk during the months of February, March, April, May and June. It is unlawful to kill or offer for sale any wild swan, mallard duck, summer or wood duck, spoon-bill duck, or black duck during the months of April, May, June and July; except that farmers are permitted to kill geese or ducks in said months if necessary to protect their growing crops. It is unlawful to kill or offer for sale any grouse, pheasant or sage hen during the months of April, May, and prior to the fifteenth day of June each year; or any quail or partridge, during the months of April, May, June and July. It is unlawful to take or kill, at any time, any elk or deer for the sole purpose of obtaining the horns or skin of the same.

LOCAL BREVITIES.

Stages are unusually late this week, on account of the bad roads.

We are pained to learn that Mr. M. Mentor is suffering with a severe attack of apoplexy.

Geo. Brown, assisted by others, will open a dancing school next Saturday evening, 14th inst.

The I. O. G. T. entertainment at Ashland last Wednesday evening is said to have been a success.

A new Florence sewing machine can be had at a reasonable figure by calling at this office immediately.

Isaac Sachs, Esq., who is now on a visit to the old folks in Bavaria, Europe, is expected home about the 1st of April.

We are pleased to note that Wm. Hoffman, Esq., who has been suffering with a severe attack of sickness, is able to be out again.

The Spring fights have commenced in dead earnest already. Several occurred this week, and exciting times were the consequence.

No certificate of publication will be given on legal advertisements, unless all charges are paid. No deviation from this rule in the future.

The Lake country has experienced some cold weather lately. The thermometer at Linkville on Jan. 24th stood 12 degrees below zero.

County Court was in session this week. But little business of any importance was transacted. The proceedings will appear in our next.

In another column will be found the announcement of Fred. Grob. He has all the qualifications necessary for a good Marshal, and will make a fine race.

Isaac Van Dorn, residing on Applegate, had his right hand badly crushed while mining the other day, so that the amputation of one of his fingers was necessary.

Col. T. H. Cann, Clerk of the State Board of School Land Commissioners, has issued deeds to John E. Hall for 40 acres of school land, and to Sam. Colver for 200 acres.

An inmate of the County Hospital, while attempting to detach the bullet of a cartridge from the shell, was severely wounded by the missile exploding and the bullet penetrating the wrist of his left hand.

From the testimony before the Coroner's jury of the persons present at the Linkville affray, nothing definite as to who killed White can be learned. It is supposed here that the fatal shot was fired by John Corbell.

Postal cards may be read by postmasters, but they must keep mum about the contents thereof. Any postmaster who divulges what is on a postal card does so at the risk of his official head, as removal is the price of the discovery. This information may be necessary to teach postmasters their liabilities and also to instruct the people as to their rights.

WOODS' HOUSEHOLD MAGAZINE.—The February number of Woods' Household Magazine is really a marvel of what can be furnished for only one dollar a year; considering the cost and the quality, this is the cheapest magazine which comes to our table. Its articles have a chasteness about them which is not always found in periodical literature, which adapts it to fill a place now too largely occupied by cheap publications that are positively injurious to the young, without being exactly immoral.

We have not room to specify the articles which fill the pages before us—but they are many and excellent. The magazine contains three engravings—a pretty house design—also the New York Fashions, (illustrated) prepared expressly for the Household by Mme. Demorest. The publisher announces that hereafter the magazine will always be illustrated. The Magazine and Chrono "Yosemite" will be furnished in connection with the TIMES for the low price of \$4.00, in advance. Subscriptions may begin at any time. Now is your time to subscribe.

MINING.—The late rains have swollen the creeks and streams considerably, and from all parts of the county we learn that the miners have water enough to keep them busy for some time. Should the rains continue, a large amount of gold-dust will be taken out, which is needed hereabouts just now.

IMPORTANT DECISION.—By a telegram from Secretary of State Chadwick to Hon. James D. Fay, we learn that the case of Gaston vs. Stott and Waggoner, has been decided in favor of Gaston. The decision holds that the State is entitled to all swamp lands within her boundaries.

A LARGE volume would not contain the mass of testimony which has accumulated in favor of Dr. Wistar's Balsam of Wild Cherry as a safe, efficient and reliable remedy in curing coughs, colds and pulmonary disease. Many of the cures are truly wonderful.

POSTPONEMENT.

FOURTH GIFT CONCERT!!

The Public Library of Kentucky.

A CARD TO THE PUBLIC.

THE TRUSTEES OF THE PUBLIC Library of Kentucky and the management of the Gift Concert announce the postponement of the Fourth Gift Concert until Tuesday, the 31st of March next.

All interested parties are notified that the causes which have made this postponement necessary.

The financial panic which has for the last few months paralyzed the business of every section of this country and of Europe, has prevented thousands from investing in tickets.

The management have met with unprecedented success. The sales of tickets, the proceeds of which have already been received, amount to over a million dollars.

This drawing (sealing the gifts one-half) could be had now, but the management desire it best to have a postponement and a full drawing.

This postponement assures the sale of all the tickets and a FULL DRAWING. That this determination will meet with the approbation of nearly every one interested is made apparent by the very numerous letters received from every section of this country and the Canadian Provinces for a postponement.

This action of the management will work no detriment to any but will be for the good of all. By it the fortunate ticket-holders will receive their gifts a full week later, but it will not affect those who do not draw gifts.

In making this announcement the management emphatically state that there shall be no further postponement, and to this end all agents will be imperatively required to close up and transmit their accounts to this office by the 21st of March.

ASIATIC CHOLERA IN CHINA.

Almost Every Case Cured With

THE PAIN-KILLER!!

DEAR SIR: During a residence of some ten years in Siam and China, as a missionary, I found your Pain-Killer a most valuable remedy for that fearful scourge the Cholera.

In administering the medicine I found it most effectual to give a teaspoonful of Pain-Killer in a gill of hot water, succeeded with me, after about fifteen minutes, to begin to give about a tablespoonful of the same mixture every few minutes, until relief was obtained. Apply hot applications to the stomach, clear, and rub the limbs briskly.

Of those who had the Cholera, and took the medicine faithfully, in the way stated above, eight out of ten recovered.

REV. R. TELFORD, Missionary in China.

DEAR SIR: During a long residence in China I have used your valuable Pain-Killer, both in my own family and among the Chinese, and have found it a most excellent medicine. In the summer of 1862 and 1863, while residing in Shanghai, I found it an almost certain cure for cholera, if used in time, using it in a great many instances. I do not remember failing in a single case.

For three years I have been residing in this place, more than fifty miles from my own resources in cases of sickness. The Chinese come in great numbers for medicine and advice. Those who would not meddle with themselves, the few simple remedies we can command are so much in advance even of their physicians that we have almost daily applications. We allow them to come, because it brings us in contact with them and opens a door of usefulness.

In diarrhea, colic, vomiting, cholera, coughs, etc., your Pain-Killer has been my chief medicine. Yours, very truly, REV. T. P. CRAWFORD, Tanchow, China.

Those using Pain-Killer should strictly observe the following directions: At the commencement of the disease, take a teaspoonful of Pain-Killer in sugar and water, and then take freely across the stomach and bowels with the Pain-Killer.

Should the diarrhea and cramp continue, repeat the dose every fifteen minutes. In this way the dreadful scourge may be checked, and the patient relieved in the course of a few hours.

N. B.—Be sure and get the genuine article; and it is recommended by those who have used the Pain-Killer for the cholera, that in extreme cases the patient take two (or more) teaspoonfuls instead of one.

The PAIN-KILLER is sold by all Druggists and Dealers in Family Medicines. Price, 25¢. PERRY DAVIS & SON, Manufacturers and Proprietors, 136 High Street, Providence, R. I.
