BALL.—Oregonian-Pocahontas Tribe No. 1, I. O. R. M., will celebrate their anniversary by a grand ball on next Tuesday evening, 12th inst. John Dick, assisted by an able corps of musicians, will furnish the music. An excellent supper will also be prepared. The reputation of the Tribe for giving the best of parties is a sufficient guarantee that this one will be a brilliant success in every particular. Everybody is invited to attend.

IMPORTANT NOTICE.—We have this week sent, and will continue doing so, accounts of amounts due this office by our patrons. We would request them to respond promptly, as we need the money to lay in our Spring stock with. The amount is doubtless of small consequence to each, but having many of like character, is of much importance to us. Having found crediting in our line a losing business, we shall hereafter discontinue all subscriptions that are not paid up promptly. We mean business!

DIALOGUE.

The following dialogue between Boss Beekman and a farmer occurred this week:

Granger—Well, Beek, what is the meaning of this last petition?

Beek—Why, don't you know; that is an uprising of the people.

Granger—Well, really I did not know that; what is the object to be obtained?

Beek—Why, sir, to do away with these political meetings and politicians, and to modify the taxes and many other reforms too numerous to mention.

Granger—Well, that is a splendid platform, and I like that, especially that part of the programme that ignores political meetings and politicians; but, by the way, Mr. Beekman, who got up this movement?

Beek—(After a few ineffectual attempts to clear his throat)—the people.

Granger—Name them, please.

Beek—Well—well—you see that might be hard to do.

Granger—You do not mean to say this came to life spontaneously?

Beek—Oh, no! Don't you think this Committee can make a good ticket?

Granger—I am inclined to think they can; but, Mr. Beekman, this does not answer my question. I understood you to say the people got up this call. Now, I want you to tell me the names of these people.

Beek—Oh, yes; I had quite forgotten your question. Do you know, sir, that I am paying nearly two dollars a day taxes, and that this is one of the reasons of this call?

Granger—A good reason; but, Mr. Beekman, you have as yet not answered my question, unless I am to conclude that you originated this call yourself; and that the people you refer to mean yourself.

Beek—Well, not exactly; there is Judge Watson, Ad. Helms, and three others. (Beek whispers the names of the last to the Granger, and our reporter could not catch the names distinctly, but believes it was Billhide, Jakeish and Jimkneel.)

Granger—(In utter astonishment.) Why, I understood you to say this call was intended to ignore politicians, and seems after all that the thing is the creation of the worst class of politicians.

Beek—(Loud.) I hope you do not mean anything personal.

Granger—No, sir; but Beek, you know what I said in reference to the people, is Gospel truth.

Beek—Good morning, Mr. Granger; there is a Chinaman in the office who wants to trade in dust, and I am inclined to think I can throw dust into his eyes if I can't in yours.

Agricultural Society Meeting.

The annual meeting of the Jackson County Agricultural Society was held pursuant to notice at the Court House in Jacksonville, on Saturday, May 2d, 1874.

The President, John S. Herrin, called the meeting to order, and explained the object to be the election of officers for the ensuing year. Whereupon, on motion the meeting proceeded to ballot for officers, which resulted in the election of John S. Herrin for President; E. F. Walker and Thomas Wright, Vice Presidents; W. J. Plymale, Secretary; Henry Pape, Treasurer; Jacob Ish, John Walker, John Sizemore and W. C. Myer, Trustees.

The President now briefly thanked the Society for the honor conferred in his re-election; said he believed the object sought by the organization, to-wit: the furtherance of the farming interests of Southern Oregon, was being fully attained; spoke encouragingly of the future success of the Society, and the benefits to be derived therefrom, and concluded by urging a hearty co-operation of all present.

It was now moved that the Committee heretofore appointed to draft the Constitution and by-laws, be allowed further time to report, which motion was amended by adding the names of W. J. Stanley and H. K. Hanna to said Committee. The motion as amended was now put and prevailed.

On motion of E. F. Walker, the meeting adjourned to meet at the same place on Saturday, June 2d.

JOHN S. HERRIN, Pres't. H. K. HANNA, Sec'y.

THE "Hungry Brothers" will meet in conclave next Thursday, 14th inst., for the purpose of nominating candidates for county officers.

RADICAL PRIMARIES.—The Radical primaries held last Saturday were fairly attended. The following are the delegates to their Convention, which meets to day: W. J. Stanley, M. Bellinger, Jesse Dollarhide, John A. Boyer, Geo. Brown, Sam Hall, R. C. Armstrong, P. D. Parsons, Jos. Blatt.

The office-seekers' ring is trying to conceal the real object of its call by styling it a "Independent" move. From the greed for office and hunger they have endured for many years the title "Hungry Brothers" will at once be found fitting and proper.

PAIN-KILLER!

FOR OVER THIRTY YEARS

Perry Davis' Vegetable PAIN-KILLER. Has been tested in every variety of Climate, and by almost every Nation known to Americans.

It is the constant companion and estimable friend of the missionary and the traveler, on sea and land, and no one should travel on our Lakes and Rivers without it. It has been before the public over thirty years, and probably has a wider and better reputation than any other proprietary medicine of the present day. At this period there are but few unacquainted with the merits of the Pain-Killer; but while some extol it as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We therefore wish to say to all that it is equally successful whether used internally or externally and it stands to-day, unrivalled by all the great catalogue of family medicines. It is sufficient evidence of its virtues as a standard compound, to know that it is now used in all parts of the world and that its sale is constantly increasing. No curative agent has had such wide-spread sale of given such universal satisfaction. It is a purely vegetable compound, and perfectly safe in unskillful hands.

After thirty years' trial, is still receiving the most unqualified testimonials to its virtues, from persons of the highest character and responsibility. Physicians of the first respectability recommend it as a most effectual preparation for the extinction of pain. It is not only the best remedy ever known for Bruises, Cuts, Burns, &c., but for Presenty or Chorea or any lower complaints, it is a remedy unsurpassed for efficiency and rapidity of action. In the great cities of India, and other hot climates, it has become the Standard Medicine for all such complaints, and other kindred disorders. For Coughs and Colds, Canker, Asthma, and Rheumatic affections, it has been proved by the most abundant and convincing testimony to be an invaluable medicine.

The Pain-Killer is sold by all respectable Druggists throughout the United States and foreign countries. Prices—25 cents, 50 cents and \$1 per bottle. PERRY DAVIS & SON, Prop'rs., No. 103 High St., Providence, R. I.
