CHICKENS.—Spring chickens are making their appearance in this market in considerable quantities. They command three dollars and upwards per dozen.

CATTLE.—A band of 230 cattle passed through town this week on their way to Honey Lake. They belong to a Mr. Jordan, living near the mouth of Rogue river.

HOMESTEAD ENTRIES.—J. C. Fullerton, Receiver of the Roseburg Land Office, will be in town next Monday and Tuesday, July 20th and 21st, to take final proof of homestead entries.

THANKS.—Webb & Jones, the popular lessees of the "New State," have our thanks for a bountiful supply of excellent cobbles. They are just the thing for this hot weather. Give them a call and try them.

SMALL-POX IN ROSEBURG.—Some cases of small-pox are reported in Roseburg. Teamsters and other persons should be careful not to contract this terrible scourge, as the citizens of this county have no desire to pass through the trying ordeal they were subjected to a few years ago.

NEW POST OFFICE.—A petition has been forwarded to Washington for the establishment of a post-office on Applegate, about twelve miles from Benedict's and near Wimer & Son's new grist mill. It is expected the petition will succeed, as this office will accommodate a large space of country unsupplied with mails. The office is on the route from Jacksonville to Waldo.

ANNIVERSARY.—Ashland Lodge No. 45, I. O. O. F., will celebrate their first anniversary in grand and appropriate style at Ashland next Thursday. Extensive preparations are being made and no pains will be spared to make it well worthy the occasion. A grand ball will be given in the evening at the factory. For further particulars see advertisement elsewhere.

PICNIC.—The picnic given by the Temperance Order of this place was well attended and passed off pleasantly. The day's entertainment consisted of an oration by C. B. Watson, prayer by Rev. J. W. Stahl, and other appropriate exercises, after which various amusements were engaged in. The social ball in the evening was a very agreeable affair and well patronized. The music was first-rate and the supper given by Mrs. Horne splendid and not to be excelled.

COUNTY COURT PROCEEDINGS.

No further business than to pass on several bills was transacted at the adjourned term of the County Court held June 29, 1874.

JULY TERM.

Present—Hon. E. B. Watson, Judge; John O'Brien and M. A. Hueston, Commissioners; E. D. Foudray, Clerk.

The petition of J. R. Hudson for relief in the care of his infirm mother and brother was granted, and Dr. Danforth, County Physician, was notified to provide for them.

The official undertakings of E. D. Foudray as County Clerk, in the sum of \$10,000, J. W. Manning as Sheriff, in the sum of \$15,000, K. Kubli as Treasurer, in the sum of \$20,000, and W. A. Childers as Assessor, in the sum of \$5,000, were presented and approved by the Court.

The report of T. T. McKenzie, Sheriff, returned as delinquent taxes for 1872 the sum of \$1,473.42, and for the year 1873, \$1,590.40, not including the assessment of the Oregon Central Military Company. The report was approved and ordered filed.

It was ordered that the south line of Road District No. 23 include all that territory south of Klamath river, included between said river and the State line and the west boundary line of District No. 33.

The petition of G. W. Isaacs and others for change of county road leading from Brownsborough to Klingle's ford on Butte Creek, was adjourned till next term.

The petition of M. Hanley, J. E. Ross and E. Walker for the loan of \$2,000 of the Building Fund was granted upon the entering upon of usual agreement.

The petition of John Weiss and others for the vacation of the portion of the county road running from Jacksonville to Sterlingville was dismissed for want of bonds.

The petition of M. Hanley and others for a county road commencing on the county road on Little Butte, near Brownsborough, and running thence to Fort Klamath and Linkville, was adjourned till next term.

The petition of C. Laey and others for a view and survey of a county road commencing on the Applegate road, near Herling's, and thence up Poorman's creek, to intersect the county road near the residence of J. P. True, was postponed till next term.

The petition of Thos H. Stinson and others for a private road was refused for want of jurisdiction.

The petition for a road in Goose Lake Valley was postponed until next term.

Bills to a considerable amount were audited.

REFUSED BAIL.—At their examination before the Justice's court in Waldo precinct last Friday, Mrs. Briggs and son, the slayers of John Delmarter, were refused bail in any amount. They were remanded to the jail in Kerbyville to await the action of the Grand Jury. The regular term of Court does not occur until next October; but Judge Prim may hold a special session for their trial.

ANOTHER HORSE SOLD.—A. Martin, Esq., who knows how and where to sell horses and get good prices for them too, has sold James McDonough's Vermont colt for the sum of \$1,000. San Francisco parties were the purchasers—we believe the same who purchased "Barney Flanders." W. F. Drannan has taken both horses to San Francisco.

BRICK-MAKING.—P. Fehely has a contract with the Government for the manufacturing of several thousand brick at Fort Klamath. Mr. Fehely left for that place this week, accompanied by a number of employes, and will commence work immediately. A thorough renovation and rebuilding of the post is promised this summer.

ADMINISTRATOR'S SALE.—P. D. Parsons, administrator of the estate of Jacob Roubush, last Saturday disposed of the house and lot on Oregon street belonging to said estate. The price obtained was \$350, and Mr. Parsons was the purchaser.

RE-PAINTED.—John Bilger has had his store repainted, and it presents a neat appearance. J. H. Penn performed the job, and did it in style not to be surpassed by the painters.

LOCAL OPTION PETITION.—We notice petitions to the next Legislature for the passage of a local option and civil damage law in circulation.

PERSONAL.—Dr. O. P. S. Plummer and lady sojourned with us a few days this week. He is on his way South.

Dan. Cawley, formerly of this place, passed through town this week.

Wm. Bybee has returned from California.

H. K. Hanna and C. W. Kahler returned from Josephine, where they have been in attendance on the Briggs case.

Mrs. A. Winckler and daughter, of Yreka, are in town on a visit.

ACCIDENT.—A little girl of G. W. Crystal, while walking along the sidewalk above the Post Office, on California street, struck her foot against a projecting nail and was thrown to the ground, seriously injuring her. Dr. Belt was summoned and found that she had dislocated one bone and fractured another of the right arm. We are pleased to learn that although seriously injured she is doing well.

NEW TELEGRAPH LINE.—Work is progressing on the new telegraph line with rapidity. About two or three miles are built each day. The building-reached Willow Springs Wednesday evening and will be completed to Jacksonville this week. Dr. Plummer, Division Agent, informs us that the new line will be in every respect superior to the old one.

CORRECTION.—Mr. R. B. Hatton, of Ashland, informs us that we are mistaken in saying that the "Fort Klamath mail—at least a large portion of it is forwarded from Yreka." He informs us that the mail for the place in question leaves Ashland semi-weekly. We cheerfully make the correction.

FIRST INSTALLMENT.—John A. Boyer this week received the first installment of goods for his new store. He intends re-opening shortly in Linn's brick building, which is receiving its finishing touches, and when completed will be one of the finest business places in town.

OUSTED.—B. F. Dowell, in his last issue incontinently ousted H. Kelly, Esq., from his position on the Sentinel. B. F., from the tone of his document, evidently wants no Dolly Varden in his, but approves the Sentinel's Republican course in the late campaign.

THE WHOOPING-COUGH.—A case of whooping-cough has made its appearance in town. This is the best portion of the year for the treatment of the same, and it is not likely any fatal cases will occur. A little precaution will not be amiss, however.

ATTORNEY FOR DEFENSE.—We learn from the Roseburg Plaindealer that Hon J. F. Watson, of Roseburg, has been secured to defend Mrs. Briggs and son. Kahler & Watson, of this place, are also counsel for the defense.

IN SISKIYOU.—The Vieuxtemps Bros. have a large music class at Yreka and are organizing more throughout Siskiyou county. They inform us that they will return to Jacksonville in the course of a few weeks.

APPROACHING COMPLETION.—Judge & Numan's brick is approaching completion rapidly, and will be ready for occupation before many weeks. Meanwhile they continue selling everything in their line at low rates.

CIRCUS.—John Wilson's circus has gone East. We revel in the hope that they will forego their visit through Oregon this year. It is a concern that carries off the loose seeds and leaves no equivalent therefor.

PROGRESSING.—The work of excavating the cellars for Miller's and Schumpff's new buildings is progressing rapidly and is nearly completed. The erection of the brick-work will shortly commence.

SUSPENSION.—The Literary Society at its last meeting resolved for a suspension during the summer months. They propose meeting again in September.

FOR CHEWACAN.—J. C. Avery and family left Corvallis for the Chewacan Valley last week. Mr. Avery has sons engaged in the stock business there.

JAILER.—Sheriff Manning has appointed M. R. Fletcher as Superintendent of the Jackson County Jail.

WEATHER.—The weather continues excruciatingly hot. The thermometer approaches 100° in the shade.

GREENBACKS have an upward tendency just now. They are quoted at 91@91½ in San Francisco.

MODOC WAR CLAIMS.—The following explains itself: SALEM, July 11, 1874.

Holders of State certificates of indebtedness on account of expenses of Modoc War are requested to notify the undersigned in writing, care War Department, Washington, D. C., or else in person or in writing, as they may find it convenient, at the following places: Oakland and Roseburg, from July 22d to July 26th; and Jacksonville, from July 28th to Aug. 3d. Where the certificates of indebtedness are in the hands of original holders, or where original parties rendering service or furnishing supplies are accessible, the notification of ownership of certificates above called for should be accompanied by affidavit setting forth the facts of rendition of service or furnishing supplies, and the reasonableness of the charges. The undersigned will call for such special testimony as circumstances may render necessary when cases come up.

JAMES A. HARDIE, Inspector General.

INSTALLATION.—At a stated meeting of Ashland Lodge No. 45, I. O. F., held at their Hall on the evening of the 11th inst., D. D. G. M. John A. Boyer installed the following officers for the ensuing term: N. G., W. W. Kentnor; V. G., E. DePeatt; R. S., W. T. Leek; P. S., A. D. Helman; Treas., H. S. Emery; R. S. N. G., W. Beeson; L. S. N. PAIN-KILLER!

1840. 1874.

Time tests the Merits of all Things.

THIRTY YEARS are certainly long enough time to prove the efficacy of any medicine, and that the Pain-Killer is deserving of all its proprietors claim for it, is amply proved by the unparalleled popularity it has attained. It is a sure and effective remedy. It is sold in almost every country in the world, and it needs only to be known to be prized, and its reputation as a Medicine of Great virtue, is fully and permanently established. It is the great Family Medicine of the age. Taken internally, it cures Dysentery, Cholera, Diarrhea, Cramp, and Pain in the Stomach, Bowel Complaint, Painter's Colic, Liver Complaint, Dyspepsia, or Indigestion, Sudden Colds, Sore Throat and Coughs. Taken Externally, it cures Bruises, Bolls, Felons, Cuts, Burns, Scalds, Old Sores and Sprains, Swelling of the Joints, Toothache, Pain in the Face, Neuralgia and Rheumatism, Chapped Hands, Frost-bitten Feet, &c.

Pain is supposed to be the lot of our poor mortals, as inevitable as death, and liable at any time to come upon us. Therefore, it is important that remedial agents should be at hand to be used on emergency, when we are made to feel the excruciating agony of pain, when we are made to feel the depressing influence of disease. Such a remedial exists in Perry Davis' "Pain-Killer," the fame of which has extended over all the earth. Amid the eternal ices of the Polar regions, or beneath the intolerable and burning suns of the tropics, its virtues are known and appreciated. And by its suffering humanity has found relief from many of its ills. The effect of the Pain-Killer upon the patient, when taken internally in cases of Cough, Cold, Bowel Complaint, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores and Sprains, Cuts, Stings of insects, &c., and other causes of suffering has secured for it the most prominent position among the medicines of the day. Beware of counterfeits and worthless imitations. Call for Perry Davis' Vegetable Pain-Killer, and take no other.
