OFFICE HOURS.—From 7 a. m. to 7 p. m.: Sundays, 30 minutes after arrival of stages. Mail matter must be in on time or it will not go. MAX MULLER, P. M.

SCHOOL HOUSE REPAIRS.—We learn that the Directors of this School District intend having the School House repainted and otherwise renovated this Summer. A good idea.

JAILER.—We last week made a mistake in saying that Sheriff Manning had appointed M. R. Fletcher as Jailer. Although not appointed, Mr. Fletcher will attend to Jail matters at present.

FREE POSTAGE.—From the 1st inst. newspapers will pass through the mails free of postage in the counties where they are published. Exchanges will also be carried free of postage after the 1st of January next.

CALDWELL'S SODA SPRINGS.—This popular resort is receiving a large number of guests this summer. Among those from Jacksonville now there are Major Glenn, John Wintjen, Henry Judge and others.

SOUTHERN OREGON WAGON ROAD.—Work on this road, under the management of Hon. E. C. Mason, superintendent, is progressing in earnest. R. B. Hargadine, contractor at Ashland, advertises for 15 good hands to work on the same.

NEW STORE.—Attention is called to the advertisement of C. Coleman. He has stocked his new store with a large and superior assortment of groceries, dry goods, boots, crockery, etc., which he is prepared to sell at the most reasonable rates. Give him a call.

NEARLY A FIRE.—Daniel Cronemiller's blacksmith shop had a narrow escape from fire on Thursday evening, 16th inst. A fire had caught in the roof, doubtless from the forge, and was burning slowly, when it was discovered by Mr. E. D. Foudray and extinguished before any damage was done.

CUTTING COMMENCED.—Harvest has commenced in earnest, and our farmers are busy cutting and threshing their grain. The yield will be good throughout the county, though hardly as large as that of last year. Hay has about all been cut, and is being hauled to town in large quantities. It brings \$10 a ton.

COUNTY TREASURY.—The Treasury is empty, and has been so for some time. The county is behind in a considerable sum. This may be ascribed to the non-payment of taxes due from the Oregon Central Military Road Company, which has, as before stated, taken the case before Judge M. P. Deady's Court, at Portland, for decision of the question if they are bound to pay the assessment or not. The amount involved is over \$4,000.

RELIGIOUS.—Rev. T. F. Campbell, of Monmouth, Polk county, will hold divine services at Ashland on Sunday, July 26th, both morning and evening; at the Mound District School House on Sunday, August 2d, both morning and evening. Also at Jacksonville from Monday, August 3d, to the following Monday, provided the M. E. Church can be obtained. He will speak on "Education and Infidelity, both in and out of Church." Every body is invited to attend.

BOARD OF TRUSTEES.

TUESDAY EVENING, July 21, 1874. A regular meeting of the Board of Trustees was held this evening. Present—Messrs. Beekman, Kabli, Sachs and Bilger; absent—Mr. Judge. The meeting was called to order by President Beekman.

The minutes of the two previous meetings were read and approved. The Committee on Road and Streets (Messrs. Sachs and Bilger) made a verbal report to the Board, stating that they had directed the Street Commissioner's attention to the bad condition of sidewalks, and especially the walk in front of the town property; that he has altogether neglected to attend to these matters, and it is time some means be used to enforce repairs of sidewalks, etc.

The Street Commissioner made a quarterly report, showing road tax collected in cash to be \$157.65, and labor expended thus far upon the road at 165 days. He recommended that in place of plank gravel walks be allowed made. Report ordered filed. The Sexton made his quarterly report, showing collections of \$45 made last quarter, and no expenditures except \$5 due from Thos. G. Devens of money collected in 1870, while acting as Sexton in his absence. Report ordered filed.

The following bills were presented: P. Boschey, work on road, \$99; P. Dunn, recording town deeds, \$3. The bills were referred to the usual Committee. H. K. Hanna's quarterly salary bill of \$25 was ordered paid. Mr. Sachs moved that the Road Committee be authorized to place a pump in the town tank on the corner of Third and C streets, for the convenience of the public. The motion, not being seconded, failed.

It was also moved by Mr. Sachs that the claim of \$5 against T. G. Devens, reported by the Sexton, be referred to the Town Attorney and the collection enforced. Board then adjourned.

PERSONAL.—Jay Beach, of Fort Klamath, who was in town last week, has left for home. J. C. Fullerton, of Roseburg, was in town on business connected with the U. S. Land Office. He returned home Wednesday.

James Drum, who left Jacksonville a short time ago, has returned. He evidently thinks there is no place like this town, for he intends starting in business here again shortly. Geo. Frey, a former resident of this place, has returned and may be found at his old place at Capt. Caton's. Gen. Frank Wheaton passed through town this week, on his way to Portland.

Jos. Wetterer and Veit Schutz left for Portland this week, on business connected with the Revenue Department at that place. JUSTICE'S COURT.—The following business was transacted in the Justice's Court of this precinct, before Justice Stinson, this week: Jacob Myer vs. James Ivory; action on promissory note with attachment. Judgment for plaintiff for want of answer.

G. Karewski vs. De Roboam and son; action on account. Dismissed on application of plaintiff. J. Nunan vs. Riley Phillips; action on promissory note. Judgment for plaintiff for want of answer.

GONE.—The comet, after a brilliant and interesting visit, has disappeared from view. The prediction that its tail would encircle the earth and do a great deal of mischief generally, seems to be a myth. Its absence will be most severely felt by the young folks, who were wont to do their courting by its light, and had a most excellent excuse to offer the old folks on their late return.

CADUCUS.—This well known horse, formerly owned by S. Booth, of this county, now by Wm. Young, a negro of Surprise Valley, Siskiyou county, Cal., is getting away with the horses there in the most approved style. At the races commencing on the 1st inst., he won two races, beating "Rattling Jack" and other fast horses.

THE late change in the postal law, whereby newspapers will pass free through the mails in the counties where they are published, will no doubt be well received by our readers. The law took effect on the 1st.

QUARTER ENDED.—The regular quarter ended last week, and we will call and see our advertising patrons this week.

HOW CATTLE WINTERED IN CHEWAUKAN.—P. A. Olmstead informs the Yreka Union that but few cattle perished last winter in the Chewaukan valley from the severity of the climate. He says Perry Hoyt and others drove a band of 1,100 or 1,200 into the valley late in the Fall, most of them "dog poor," and not over 50 out of the lot have died. Further, that most of those that have died, died not on account of the severity of the weather, but from eating, it is supposed, some poisonous herb. It seems there is a small part of the valley in which the cattle obtain something in the early Spring season—what, has not been satisfactorily ascertained—which poisons them and causes speedy death. His statement in regard to the way in which stock passed through the Winter in that valley accords with our previous information on the subject. The amount of snow that fell there, it seems, was nothing near so great as that fell in Big Valley, Hot Spring or Goose Lake, though it must be higher than the first two of those valleys, and nearly, if not quite, as high as the last. Why the winter was milder there than in valleys farther south and of less altitude is one of the anomalies of our climate.

FROM GOOSE LAKE.—Capt. Caton returned from a flying visit to the Goose Lake country this week. The object of his visit there was principally the purchase of the celebrated trotting stallion "Vermont, Jr.," in which he succeeded. We learn that the price he paid was \$650. "Vermont" is the sire of the horse "Barney Flinders" and the McDonough colt, sold by Alex. Martin, and the price paid is very reasonable.

LEG BROKEN.—James Isle had his left leg broken just above the ankle last week by a horse falling backwards upon him. Dr. Danforth was summoned and the patient is now doing well.
