CITY DRUG STORE.—This well known establishment has changed hands, C. W. Kahler having purchased it from B. Robb. Robt. Kahler, a skillful as well as a careful druggist, formerly connected with the store, has assumed charge. Give him a call.

SAD ACCIDENT.—A little girl of C. P. Cottrell, of Eden precinct, aged six years, while playing in the corral and passing near a vicious cow, received a kick which resulted in the breaking of her leg, above the knee. Dr. Chitwood was called and set the limb, and we learn that the little sufferer is doing well.

THE WELLS BOND CASE.—The case of Jackson county vs. Giles Wells, Jr., John W. Wells, W. F. Songer, Giles Wells, Sr., bondsmen of Jos. Wells, after pending upwards of two years, has finally been decided in favor of the county. Judge Bonham rendered the decision, affirming the judgment of the Court below.

Motion sustained and defendant given to until October 1st to amend. State of Oregon vs. John Cuscheon; attempt to commit a rape. Defendant held to answer in the sum of \$90. Money deposited and defendant discharged from custody.

BOARD OF TRUSTEES.

MONDAY EVENING, Aug. 31, 1874.

A special meeting of the Board of Trustees was held this evening. All the members were present, except Mr. Kubli.

President Beekman called the meeting to order and explained the object of the session.

The Finance Committee reported back the following bills, which were ordered paid: P. Boschey, \$99; P. Dunn, \$1.50.

A communication was received from James A. Wilson, representing the bridge over Kerr Gulch to be in a bad and unsafe condition. Read and referred to the Committee on Roads.

A member called the attention of the Board to the condition of some of the sidewalks. A discussion thereupon ensued in regard to amending the sidewalk ordinance, to allow gravel walks made in certain localities where the present ordinance requires them to be of plank or brick. The matter was referred to the Committee on Roads to report an amendment as suggested.

Mr. Bilger said he would like to understand about enforcing the Dog Tax against some, and not others, as he understood was the case.

The ordinance was called for and read. Mr. Bilger then moved that the Marshal be ordered to enforce the collection of the Dog Tax as required by ordinance, and make complaint against those refusing to pay the tax. The motion was carried unanimously.

H. K. Hanna, Esq., now enquired whether the Board had taken any action upon a request heretofore made by him for leave to move the fence surrounding his lot on Oregon street down on a line with the fence and porch of Herman Helms.

No action having been taken in the matter, the Board now requested Mr. Hanna to present his petition in writing for further action.

President Beekman requested of the Board a leave of absence, whereupon Mr. Judge moved that Mr. Beekman be granted a leave of absence for sixty days. Motion carried.

On motion of Mr. Sachs, the Board adjourned to meet on Monday evening next, September 7th.

PETERS' MUSICAL MONTHLY.—We wish to call the attention of our readers, and more especially those musically inclined, to Peters' Musical Monthly. Almost every home is now supplied with pianos or organs, and should also have the latest and best musical publications, and there is not another publication in the United States, devoted to music, that can compare with "Peters." Every month the latest sheet music published is furnished, consisting of songs and instrumental pieces by the ablest and best composers in America, and which, if purchased in sheet form, would cost at least sixty dollars during the year; yet for the low price of three dollars it can be obtained by subscribing for the Monthly. Send thirty cents for a sample copy, addressing J. L. Peters, 599 Broadway, New York.

FOR WALLA WALLA.—W. C. Myer passed through town this week with three Percheron colts, viz.: "Marshal Ney," one year old last April, weight, 1,340 pounds; "Lady Gray," two years old last July, weight, 1,460 pounds; "Louisa," three years old last Spring, weight, 1,620 pounds, on his way to the Walla Walla (W. T.) and Union county fairs. He wants to give the stock men east of the mountains a sight of some of his fine stock. He also informs us that he has lately sold a pair of thoroughbred Jersey calves to H. C. Powell, of Albany, which will be forwarded from his place next week.

H. & P. R. R.—The proposed Humboldt and Pacific Railroad is expected to end at some suitable harbor at or near Crescent City. The Courier asks why Del Norte county cannot have a representative at the meeting next Wednesday, and lend her aid to this project. We cannot see but that the plan is feasible. If Rogue River Valley had such an outlet the immense commerce which would spring up at Crescent City would have great influence in inducing Congress to grant the necessary aid for the construction of a breakwater there.

RAILROAD MEETING.—A meeting of the citizens of Jackson county, in relation to the prospects of the proposed Humboldt and Pacific Railroad, will be held at Ashland next Wednesday, Sept. 9th. Everybody is invited to participate in the deliberations of the meeting.

PERSONAL.—J. Nunan, of the firm of Judge & Nunan, returned from San Francisco this week, where he has been purchasing a superior stock of saddlery.

Henry Pape, John and Chris. Wintjen returned last Sunday from a brief sojourn at Soda Springs.

Capt. Caton has returned from a rusticating trip to the Pleasant Creek country.

Chris. Ulrich and Wm. G. Kinney have returned from a tour to Deep Lake and the country east of the mountains. They report the weather very cool in that vicinity.

Geo. A. King and John Pearson, of Fort Klamath, were in town this week.

Our old friend Charley Roth, who mined in this and Josephine counties in early days, but now resides at Yreka, favored us with a call yesterday.

Mrs. A. H. Burrows, of Roseburg, was in town this week, visiting her many friends in this vicinity.

Our ex-journalistic friend H. Kelly, Esq., is in town, looking hale and hearty. We believe he is now engaged in mining on Cayote Creek.

C. C. Beekman and family left on Wednesday on a visit to Dundee, Yates county, New York, Mr. Beekman's native city. They expect to be absent about two months.

SAD CASE.—Southwick Isham, who it will be recollected had his leg broken some time ago by a cave, had it re-broken the other day. It seems that his wife became frightened at a rattlesnake which threatened to strike her little boy, and gave a piercing cry. Mr. Isham, who had not fully recovered from his former injuries, sprang upon his wounded foot, re-breaking it. Serious fears are entertained that amputation may be rendered necessary.

SICKNESS IN JOSEPHINE.—Doctors Callender & Matthias were last Sunday summoned to Waldo to attend on Isaac Thompson's family, several members of which were very sick, while one had died that day. From Dr. Callender, who has returned, we learn that one child had died and two others were in a critical condition from inflammation of the bowels. Dr. Matthias remained and is expected home to-morrow.

NEW FLUES.—In compliance with the town ordinance requiring flues to be built, in place of running the stove-pipe through the roof, we notice several brick flues being built on various dwellings. This is a timely preventive to the great danger liable to result from defective flues, and a step that cannot but be of great benefit to the safety of the town.

DISTRICT SCHOOL.—The District School will re-open again next Monday, September 7th. W. J. Stanley and Miss Nettie Gore, two well known and efficient instructors in teaching the "young idea how to shoot," will have charge of the school. For further particulars see new advertisement elsewhere.

BAND OF HOPE.—Judge Wade, Superintendent of the Jacksonville Band of Hope, informs us that that organization has a membership of about 40 and is receiving constant accessions to its ranks. Regular meetings are held every Monday evening, which the public are invited to attend.

BOARD OF EQUALIZATION.—This body has been in session this week, but will not finish its business before to-day. Consequently a report of its labors will be deferred until next week.

PICNIC.—The Band of Hope had a picnic last Wednesday. After marching through town, the procession proceeded to Bybee's Grove, where a pleasant time was had.

IMPROVING.—The ambitious little town of Ashland is improving considerably. Several new dwellings, manufactories, etc., are in progress of erection.

JEWISH NEW-YEAR.—E. Jacobs will close his store on Saturday and Sunday, Sept 12th and 13th, owing to the prevalence of Jewish New-Year.

RECOVERING.—We are pleased to notice that Wm. Boyer has recovered sufficiently from his late sickness to be about again.

SELECT SCHOOL.—Miss Mollie McCully will open a select school at her residence next Monday, September 7th.

REDUCTION OF PRICES.—Ben Sachs is selling school books of all kinds, stationery, pens, etc., at reduced rates.

OREGON CENTRAL MILITARY ROAD.

—Cyrus A. Dolph, an attorney from Portland, was in town this week, on business connected with the assessment of the Oregon Central Military Road. Our readers will doubtless remember that the Company owning this road demurred to the amount their lands were assessed at—\$1.25 per acre—and carried the question before Judge Deady's Court. Here the assessment was declared void. The Company own several thousand acres in this county, and Mr. Dolph filed affidavits that the land was not worth more than 40 cents per acre. In fact, they sold their whole tract of 800,000 for \$100,000. Other persons acquainted with the land acknowledge the assessment too high. The Company are willing to have the land assessed as high as 40 cents per acre, and the County Court will doubtless accept the proposition rather than lose several hundred dollars fighting it, and be forced to accede after all.

MAN LOST.—John Pearson informs us that R. B. Hutton, the Linkville mail carrier, reported a man by the name of Herrill, or Terrill, lost some days ago. Herrill, who is lately from Benton county and in the employ of James Miller, had a deathly terror for Indians, and his fellow workmen, while camped at Cold Springs, concluded to play a practical joke on him. At an appointed time one of them hit a pan a tremendous blow, when a hue and cry was raised that the Indians were after them and a general rush was made from the camp. One man acted as though he was pulling an arrow from another, who was crying "I'm shot! I'm shot!" and sundry maneuvers were indulged in, which doubtless left no doubt in the mind of Herrill that they were in reality pursued by Indians, and he ran with all might and main from the scene. The others shortly returned to camp, but Herrill did not make his appearance. A search was instituted, but all efforts were in vain. Up to the present time nothing has been heard of him that we have learned of.

STAGE STOPPED.—About the first attempt ever made to rob the stage between this place and Yreka was attempted one night this week. Rubbish had on other occasions been placed on the road between Byron and Rutas Cole's, and had been removed by the driver without molestation. Last Monday night, however, the rubbish again obstructed the road, and when Assistant Superintendent Raymond, who was a passenger, went out to remove it, some person in the brush called to the driver, Mathews, to throw out the express box. Milo politely informed the fellow to "go to h—l," and left the scene at a lively gait. Nothing more has been seen or heard of the would-be stage robber.

FIRE IN THE MOUNTAINS.—It seems as though no year shall pass but what the woods are set afire and the country deluged with smoke. We were congratulating ourselves that we should escape such an infliction this year, but our hopes are blighted, for the fire is as bad as ever and the sun can hardly be seen for smoke.

FINGER CUT.—A. S. Moon, of Sam's Valley, had the thumb of his left hand nearly severed. He was heading a stick of wood, when the ax caught on some obstruction behind him, coming down with the above results. The heading together of the finger being impossible, Mr. Moon had the balance of the thumb amputated.

TRIFLES.—A Band of Hope was organized by Judge Wade at Ashland last Saturday. No particulars.—W. H. McDaniel, Robt. McDaniel and Alvin Cardwell returned from Fort Klamath yesterday. A man charged with rape was tried before Justice Stinson this week.—Our jovial friend, David Jones, from Camp Warner, is in town.

WIND.—We were favored with quite a wind storm one day this week. Outside of shaking large quantities of ripe fruit from the trees, we learn of no further damage being done.

RICH QUARTZ.—We are informed that a quartz lead of very rich pretensions has been discovered in the Cow Creek vicinity.

NEW GOODS.—John Bilger this week received a fresh supply of hardware, oils, etc.

SCHOOL.—Father Blanchett has opened a school for boys at his residence.

For the very best Photographs, go to Bradley & Rulofson's Gallery with an ELEVATOR, 429 Montgomery Street, San Francisco.
