Stages leave Jacksonville as follows: For Rock Point, Grant's Pass and Roseburg, every day at 8 a. m. Mail closes at 7:30 p. m. For Phoenix, Ashland, Yreka and Redding, California, every day at 3:30 p. m. Mail closes at 3 p. m.

BRICK KILN.—P. Fehely is making preparations for making another kiln of 100,000 brick, the other one having been exhausted.

ANGORA GOATS.—Judge Tolman, of Ashland, has gone to the California State Fair with the intention of purchasing several head of Angora goats.

BOOTS AND SHOES.—John A. Boyer has on hand a first-class assortment of boots and shoes, just received from San Francisco. He will sell them at reasonable prices.

BALL.—A ball was given by Mrs. Lavenburg, at Phoenix, last night, which is said to have been a pleasant and successful affair. Several couples from this place were in attendance.

INVESTING IN REAL ESTATE.—We see by the real estate transactions of Marion county, that our Jacksonville friend Silas J. Day has been investing in Salem real estate, though to no considerable amount.

FINE PEACHES.—Herman Helms this week presented us with a number of fine peaches, for which he has our thanks. They were the finest we have seen this year, some measuring 11 inches in circumference.

SADDLERY.—Judge & Nunan this week received an elegant and complete assortment of everything in their line. They will take wheat in exchange for goods, which will no doubt be pleasant news to farmers. Call and see their stock.

EMIGRATION.—We learn that the population of Josephine has considerably increased within the past few months by reason of emigration. Josephine county contains a large area of fertile land, suitable for making comfortable farms for many people.

TAKEN BELOW.—The many friends of John Neuber will regret to learn that his symptoms have become of such a serious nature as to necessitate his removal to East Portland again. He was accordingly taken below this week by Sheriff Manning and H. L. Webb.

FINE ROAD.—From various parties in from the Lake country we learn that work on the Southern Oregon Wagon Road is progressing finely under the superintendence of Hon. E. C. Mason, and that it will be one of the best and most practicable roads in the State.

CONTRACT AWARDED.—The contract for excavating the proposed Masonic building has been awarded to R. S. Dunlap at 65 cents a yard. Mr. Dunlap has already commenced work in earnest, and will no doubt finish his contract in the allotted time—October 15th.

FOR YREKA.—Moses Mansfield, of this county, intends taking his black Vermont stallion to the ensuing Siskiyou county fair, which will commence on October 7th. The Yreka Union is informed that this horse is said to have made a quarter in 33 seconds, which, if kept up, would be a mile in about 2:12.

Leland Items.

LELAND, Sept. 18, 1874.

EDITOR DEMOCRATIC TIMES:

In the TIMES of the 4th instant I see a slight mistake in regard to the accident which befel Southwick Isham. Although the item is correct in its most prominent features, the following will be found more substantially the case: Mrs. Isham went to go out of the door, where she was met by a large rattlesnake which threatened to strike her, and in her fright screamed so loud that it frightened Mr. Isham, who was standing on his crutches in adjoining room, that he says he forgot his leg was broken and started to run out and fell, injuring his leg so that he was confined to his bed for some time. He is now able to go on his crutches again, and is doing as well as might be expected.

E. G. Browning took out 16 tons of quartz out of his ledge and crushed it in Browning & Co.'s mill on Grave creek, realizing about an ounce to the ton. There is every appearance of plenty of quartz and that it is easy to get. Respectfully, B.

SWAN LAKE VALLEY.—O. C. Applegate, writing from the mountain valley of Swan Lake, in the range south of Klamath reservation, says: The summer has been delightful this side of the mountains. The nights even have usually been quite warm and the crops quite good. It will surprise you a little, I presume, to learn that in a land over 4,000 feet above the level of the old ocean, and proverbial frosts, cucumbers are being picked for winter use, and tomatoes are maturing. All energies are united in hay making, the continuous snow storm of over 120 days last winter having made the necessity of "making hay while the sun shines," fearfully apparent.

TO BE RE-OPENED.—A. Fisher's store, which was burned out last April, will be re-opened between the 28th of September and October 1st, under the management of the firm of Fisher & Caro. Mr. Fisher and Simon Caro, the new partner, have both been in San Francisco selecting goods, and the latter informs us that the stock will be one of the most complete and elegant ever brought to Southern Oregon. The store has been repaired and fitted up in a neat and substantial manner, and is a great improvement on the old structure.

RAILROADS.—No less than four schemes for railroads in this county are on foot—the Humboldt and Pacific, the Oregon and California, Pengra's new route, and Hon. W. J. Plymale has introduced a bill in the Legislature for the State to pay interest on \$1,000,000 bonds of a railroad through Rogue River Valley to the Coast, which doubtless means another one. Jacksonville surely cannot mourn for railroad schemes.

OWNER WANTED.—A couple of work mares, tied together with a rope, came to the farm of C. Scheffelin the other day, for which an owner is wanted. One of the mares is a bay, and the other a sorrel. The owner can have the animals by applying at Mr. Scheffelin's farm, five miles from Rock Point, and paying for this notice.

LOCAL OPTION.—From a private letter to one of our citizens from a gentleman in Salem, we learn that the Legislature is besieged by women desiring the passage of a local option law, and from present indications their prospects for success are rather favorable.

TAX LEVY.—The County Court of Josephine at its last session made a levy of 2 1/2 cents on the dollar—an increase of one-fourth of a cent over last year. This raise is made to meet the extra expense liable to occur from the Briggs and other cases.

CLOSING OUT.—The firm of Sachs Bros. will sell their elegant stock of goods for cost and freight, as they desire closing out their business in Jacksonville. Here is a chance for bargains.

PROPERTY PURCHASED.—Deputy Sheriff Kent has purchased the house and lot adjoining the Excelsior livery stable, and has taken up his residence there.

SOCIAL PARTY.—The party given at the U. S. Hotel in honor of Miss Lulle Horne's return, was a pleasant and well-attended affair.

FINISHED.—The new telegraph office has been completed and is ready for occupancy. It is a neat frame building and was built by David Linn.

PERSONAL.—Miss Lulle Horne returned to Jacksonville last Saturday, after an absence of several months to New York city.

D. R. Jones left for Camp Warner on Sunday. Jay Beach, of Fort Klamath, is in town.

Simon Caro returned from San Francisco this week. Capt. Barnes, of Goose Lake, is in town.

Judge Sifers, of Josephine, favored us with a call on Tuesday. D. L. Watson, Esq., of Coos Bay, is in town.

We noticed the good looking phiz of Ben Haymond, Esq., of Rock Point, on our streets this week.

John A. Ogden, who has been acting as foreman of the Sentinel for several months past, left for Wisconsin Saturday, where he intends starting a new paper, in company with his brother. We wish him success wherever he may go. His place is filled by E. F. Lewis, the former foreman.

NEW RAILROAD.—Articles of incorporation were last week filed in the Clerk's office of Multnomah county, and also the Secretary of State's office, by B. J. Pengra, B. Goldsmith, W. H. Watkins, Ed. Quackenbush, of the Oregon Central Pacific Railroad Company. The proposed road commences from a point at or near Winemucca, on the Central Pacific Railroad, in the State of Nevada (but not east of said place); thence, northwesterly, to and across Goose Lake Valley and Sprague River Valley, to the waters of the Willamette river in the Cascade mountains; thence down the said river, on the north side thereof, to Springfield, in Lane county, Oregon; thence, crossing over to and continuing upon the west side of said river, via Portland, in Multnomah county, Oregon, to the waters of the Columbia river. The amount of capital stock is \$7,500,000, divided into shares of \$100, with power to increase when required. The principal office and place of business is to be in Portland.

LEGISLATION FOR SOUTHERN OREGON.—The following bills have been introduced in the Legislature: By Mr. Herrin, for payment of the Modoc War Claims. By Mr. Fiddler, for changing the boundaries of Josephine. By Mr. Van Riper, for the division of Jackson county.

By Mr. Plymale, for the payment by the State of Oregon of interest on \$1,000,000 bonds of a railroad through Rogue River Valley to the Coast. By Mr. Herrin, to incorporate the town of Ashland.

HORSES PURCHASED.—Dan. Cawley, formerly of this place, but now holding a prominent position on the Black Bear quartz mine in Klamath county, Cal., in company with the Superintendent of the mine, W. A. Farrish, were in town the other day with the intention of purchasing some draft horses. They secured three fine animals. This certainly speaks well for the reputation of our horses abroad, when buyers will come several hundred miles to purchase them, and slight their own counties in the bargain.

NEW FIRM.—Geo. W. Frey has bought an interest in the boot and shoe shop of Capt. Caton, and the establishment will hereafter be run under the firm name of Caton & Frey. They are both excellent and accommodating workmen, and having just received a new supply of goods, are prepared to furnish the best of everything in their line. Give them a call.

ACCIDENT.—Wm. Finley, stepson of Sam Phillips, had his arm broken at the elbow joint last week, by being thrown from a horse. Doctors Callender & Matthias set the damaged limb and the sufferer is doing well.

LEGISLATIVE PROCEEDINGS.—We furnish our readers a synopsis of last week's proceedings of the Legislature. Owing to our limited space, this week's proceedings are omitted until next issue.

SEALED PROPOSALS.—L. S. Dyar, U. S. Indian Agent, in another column advertises for 50,000 pounds of wheat for the Klamath Agency, and 20,000 pounds of flour for Yainax.

IN TRAINING.—Although no exhibitions of speed are announced, still we notice several horses being trained, some of which give great promise of speed and endurance.

THE ABANDONMENT OF FORT WARNER.

The soldiers stationed at Camp Warner have all been removed to Fort Bidwell, in Modoc county, Cal., and the former fort abandoned. Steps are being taken to rebuild Bidwell, Capt. Winters having arrived from San Francisco with orders to build a four-company post. This virtually leaves a large area of country at the mercy of roving bands of Indians, hitherto held in awe by the soldiers at Fort Warner, while a comparatively well settled country is to have four companies for its protection. This is one of the meanest acts of injustice ever perpetrated by the Government, and in the face of numerous earnest protests. On our first page will be found a communication from Hon. G. W. Colby, a prominent member of the Patrons of Husbandry of California, who has been on an extended tour through the Eastern portion of this county, and whose remarks will be vouched for by all persons acquainted with the facts. We shall in future issues refer more fully to this subject.

RELIGIOUS.—Rev. P. C. Hetzler, Agent of American Bible Society, will preach in the M. E. Church, to-morrow (Saturday) evening, at 7 o'clock. Also on Sunday morning at 11 o'clock, at which time a collection will be taken up in behalf of the Bible cause.

YOM KIPPUR.—The business houses of our Jewish citizens were closed Monday, in commemoration of their holiday Yom Kippur. The customary services were held in the Odd Fellows' Hall.

FIRE IN THE MOUNTAINS.—The atmosphere in various localities in the mountains is filled with smoke, giving the appearance of fires again raging there.

FRUIT CULTURE.—We have received from O. A. Davis, of Ashland, an article on fruit culture, which will appear next week.

ARM BROKEN.—A little son of Col. R. F. Maury had his arm broken one day last week, by falling from a work bench, we believe.

COUNTY JAIL.—The County Commissioners' Court will receive new bids for building the County Jail. See advertisement elsewhere.

THANKS.—A. W. Sturges has our thanks for a plentiful supply of excellent peaches.

RICH DIGGINGS, AND PLENTY OF THEM.—Gov. Bramlette, of Kentucky, displays the richest and most extensive diggings that have been discovered for a long time. Those diggings are to be found in the Grand Gilt Concert of Public Library of Kentucky, of which he has charge, and which takes place November 30th, at Louisville, Ky. The four that have already taken place were grand successes, and this, the last one, will be the most successful of all, as it is the largest. There will be \$2,500,000 in cash distributed to the ticket-holders. There are only 100,000 tickets, in all, with 30,000 prizes, or one prize for every five tickets, and such sums as the following are embraced among the grand prizes: \$350,000, \$100,000, \$50,000, \$25,000, \$20,000, &c. &c. Applications should be made at once to Gov. Bramlette, at Louisville, as there is a rush for tickets from all parts of the country, and from Europe.

For the very best Photographs, go to Bradley & Rufolson's Gallery with an ELLEVATOR, 429 Montgomery Street, San Francisco.

MARRIED.—RODGERS—HOUSTON.—At the residence of the bride's father, in Sam's Valley, on Sept. 13, 1874, by C. C. Gall, J. P., W. J. Rodgers to Miss Cynthia L. Houston—all of Jackson county.

"Wanted a hand to hold my own, As down life's stream we glide; Wanted a hand to milk the cows, And be my own sweet bride." **

This space is reserved for BEN SACHS, who is selling a complete and elegant assortment of general merchandise at the lowest rates.

PRO BONO PUBLICO.—THE PUBLIC ARE HEREBY NOTIFIED that I have placed my notes and accounts in the hands of my attorney, H. K. Hanna, with positive instructions to make immediate and forced collection in every instance where security is not given. Those knowing themselves indebted to me will do well to call upon Mr. Hanna, without delay, as this is my last call. My business must be settled!

JAMES T. GLENN, Jacksonville, Sept. 9, 1874.
