**COUNTY COURT.**—The October term of the County Court will commence next week.

**HORSE PURCHASED.**—C. W. Kahler has sold his fine trotting horse "Selim" to Alex. Martin for the round sum of \$1,500.

**RE-OPENED.**—Henry Pape has reopened the Railroad Saloon, and is as ever prepared to furnish the public with the best liquors, wines, cigars, etc.

**PROCEEDINGS STAYED.**—B. F. Dowell has appealed from the judgment of the Marion Circuit Court in the May bond case, and proceedings have been stayed.

**REMOVED.**—William Bilger has removed his remaining goods from Willow Springs to town. He is stationed at Boyer's variety store and selling off at the lowest rates.

**ADMINISTRATOR'S SALE.**—P. D. Parsons, administrator of the estate of Jacob Roubush, last Saturday disposed of the dwelling-house and lot on Oregon street, belonging to said estate, at auction. The price obtained was \$400, and Mrs. W. F. Drannan was the purchaser.

**MEETING.**—E. D. Foudray, President of the Jacksonville Social Club, whose headquarters were burned last April, desires us to state that the members are requested to meet at the Court House next Wednesday evening, to consider the question of re-organizing.

**NEW BUILDING.**—The lot between the stores of John Boyer and C. Coleman, owned by N. Langell, has been cleared of all debris, and lumber hauled on the ground with the intention of erecting a frame building. When completed it will be divided in two, and occupied as variety stores.

**LARGE STOCK OF GOODS.**—White & Martin this week received one of the largest, finest and most complete stocks of dry goods, groceries, etc., that have ever been brought to Jacksonville. They are prepared to furnish anything in their line at most reasonable rates. Give them a call.

**BEST ROADSTER.**—At the San Francisco stock fair the other day, "Mountain Boy," formerly owned by James McDonough, and sold by Alex. Martin to L. Swan, of Yreka, who subsequently sold him to his present owner, C. W. Kellogg, took the premium as the best roadster gelding. He is a Vermont, out of Kate Morgan.

**WOODS' HOUSEHOLD MAGAZINE.**—Several of our subscribers who subscribed for Woods' Household Magazine in connection with the TIMES, have of late been making inquiries regarding the non-receipt of the latter for several months past. We were then unable to give the desired information, but we have since learned that owing to unfortunate financial ventures of the proprietor the concern collapsed. A company has again started the magazine, who by circular assures us that as soon as the business can be straightened up, they will fulfill contracts made by the former publisher. Those entitled to the magazine will consequently receive it again ere long.

## LOCAL BREVITIES.

Items are scarce this week.

Advertisements labor while the advertiser sleeps.

Goods for our merchants are arriving in large quantities.

Job printing of all kinds neatly executed at the TIMES Office.

Rev. Mr. McCain has assumed the charge of the M. E. Church.

Fare on the railroad, as well as on the stage, has been reduced to some extent.

H. Farlow, of Ashland, returned recently from a visit to the Willamette Valley.

Barrels are in demand by our farmers, doubtless for securing the wine being made this year.

As the cold weather approaches, wood-haulers are very busy supplying Jacksonville with fuel.

A daughter of Samuel Morgan, of Ashland, aged about seven years, died of typhoid fever last week.

Read Fisher & Caro's new advertisement. They are now receiving their large stock of goods.

An excellent article on fruit-tree planting, by O. A. Davis, of Ashland, appears on our first page.

A. N. Gambell, a revenue officer from Portland, has been inspecting liquor matters in this county for some days past.

Such quantities of lard, bacon and hams have been exported from this valley that these articles are rather scarce at present.

Dr. Jewell and son, also Dr. Aiken, formerly of this place, have taken a ranch in Sacramento county, Cal., and gone to farming.

A correspondent says the Ashland Woolen Mills employ eleven hands at present, and that the employment of more is contemplated.

Chas. Baer, of Leland, elsewhere cautions the public not to credit his wife on his account, as he will not pay any debts of her contraction.

The new telegraph office is now in running order. It is a neat and convenient establishment, arranged internally after the style of the San Francisco offices.

C. W. Savage has purchased some land on Oregon street, adjoining John Conley's, and built a barn thereon. We learn he proposes erecting a residence there next Spring.

Our old friend Henry Scharfenberg, formerly of this place, is now stationed at Empire City. We acknowledge the receipt of his order for a year's subscription to the TIMES, accompanied by the bullion.

Rev. P. C. Hietzer, Agent of the American Bible Society, preached to a good audience at the M. E. Church last Sunday. A considerable collection for the Bible cause was taken up at the close of the services.

**PERSONAL.**—W. H. S. Hyde, H. Pape and B. Robb, who started on a trip to Coos Bay a few weeks ago, have returned, well satisfied with the country. We learn that Messrs. Hyde and Robb intend returning, to engage in the saw mill business.

John Miller returned from San Francisco last week.

John Lanterman returned to town this week, after several days' rustration on his farm on Grave Creek.

D. L. Watson and family have returned to their home at Coos Bay.

We regret to learn that John Bilger is confined to his bed by sickness.

Matt. Obenchain, who has been quite sick, is able to be about again.

Capt. Barnes returned home last Friday.

S. Isaacs, Patriarch of the Grand Encampment of the Coast, passed through town on a professional visit North last week.

Wm. M. Turner has gone to San Francisco.

Sheriff Manning and H. L. Webb returned from East Portland on Sunday.

J. D. Fountain, who has been on a protracted visit to the Willamette, has returned.

**NOMINATED.**—Judge O. Jacobs, formerly of this place, but now Chief Justice of Washington Territory, has been nominated by the Republicans for Delegate to Congress. Mr. Jacobs has been rather unfortunate in his aspirations, having been nominated for various offices in this State, but never elected, we believe. We are of the opinion that he will be sadly disappointed again.

**RACING.**—There will be racing on Bybee's track, commencing on October 29th, lasting three days. The racing will be half-mile heats for runners on the first day, free to all; second day, trotting, mile heats, free to all; last day, single dash of one mile, free for all horses in this county. The racing will be for premiums.

**ST. NICHOLAS** for October opens with a bright story by Mrs. R. H. Davis, which is followed by a splendidly illustrated article on Egypt by Mrs. Sara Keables Hunt. "Venus' Flower-Basket" is a description of the Glass Sponge, with a picture that is positively wonderful in the delicacy of its execution. Mrs. Mary Mapes Dodge has one of her charming little poems called "Coming," and C. P. Cranch contributes some comic verses, illustrated from his own designs, making fun of the Comet. There is also a poem by Helen Hunt. Miss Louisa M. Alcott has a story, and Mrs. Abby Morton Diaz tells something more about those funny little "Jimmy Johns." There is an interesting article on "Ice in India," and Wm. H. Rideing has one of his admirable practical articles called "Our Light-houses and Light-ships," which is full of interesting pictures drawn by Moran, Perkins, Runge, and other noted artists. The serials, "Fast Friends" by J. T. Trowbridge, and "What Might Have Been Expected" by Frank R. Stockton, are concluded. We notice that the Letter Box, and that quaint fellow, "Jack-in-the-Pulpit," are usually brilliant this month.

**QUARTZ MILLS AND TUNNEL MINING.**—There is one peculiarity about the miner of California at present, which has been frequently noticed. Whether the quartz mills are visited in the tunnels, in the placer diggings, on the ear, the ravines, gulches and canyons, the miners are all investing a portion of their spare change in tickets for the last Grand Gift Concert of the Public Library of Kentucky, which takes place Nov. 30th. Indeed, they are not singular in this respect, for \$2,500,000 in cash to be distributed, and one prize to every five tickets, and the prizes (20,000 of them, in all) ranging from \$250,000 to \$50, the whole country is rushing to be in time for a share in this grand distribution.

**STATE FAIR.**—We have received a mammoth poster announcing that the annual Oregon State Fair will commence on October 12th. Over \$10,000 in coin and gold and silver medals, besides some superbly executed diplomas, are offered in premiums. Extensive preparations are being made for the occasion, which promises to be a grand affair. We also acknowledge the receipt of a complimentary ticket.
