BOARD OF TRUSTEES.—A regular meeting of the Board of Trustees will be held next Tuesday evening, October 20th.

FOR JENNY CREEK.—J. S. Howard, accompanied by a company of assistants, left yesterday to survey some Government land on Jenny Creek under a contract he has secured.

BARGAINS.—Wm. Bilger, who has lately removed into Linn's brick building, is selling his stock of dry goods, etc., at astonishingly low rates. Call and see him if you want bargains.

RESIGNED.—Dr. Plummer, the popular Superintendent of the Western Union Telegraph Company, has lately resigned and taken charge of a drug store in Albany. He is succeeded by a Mr. Lamb.

SETTLE UP.—Persons indebted to the firm of Hull & Nickell will shortly receive a statement of their indebtedness, which they are requested to settle forthwith, as the business must be settled without delay.

REINSTATED.—B. F. Dowell, who was suspended as a claim agent by the Treasury Department at Washington, has returned the money overdrawn by him and been reinstated. He has published a pamphlet against W. C. Griswold, which has been received by many of our citizens.

FOR ROSEBURG.—We learn that several of our farmers intend hauling their produce to Roseburg for sale. This is a capital idea, providing they can make it profitable. Produce is so abundant here that it is difficult to sell it at almost any price for cash, which in a great measure accounts for this movement on the part of our farmers.

NEW ADVERTISEMENT.—E. Jacobs comes to the front again in a new advertisement, in which he announces he is prepared to sell his large and superior stock of fancy goods, groceries, clothing, etc., at the lowest living rates. He this week received a large supply of new goods for the fall and winter campaign, which he invites the public to call and examine. Don't fail to visit him and judge for yourselves.

FOR MARKET.—Dick Ish and W. F. Drannan left on Wednesday, 7th inst., with a band of thirty-three horses and mules for Sacramento. They are destined for a market and comprise many good animals. We trust Messrs. Manning & Ish will have the good fortune to dispose of them at profitable rates. Jackson county contains a large surplus of horses, and we see no reason why more are not driven off to a market.

FROM HAPPY CAMP.—Wm. Bybee has just returned from a business tour to Happy Camp. We have been unable to converse with him on the subject, but we learn that the packers in that locality offer this year but 7 cents a pound for dressed hogs. In previous years he has received 9 cents. He has offered to furnish his customers this year at 8 cents. They having refused to accede to these terms, he is making arrangements to drive in and kill and pack on his own account.

LOCAL BREVITIES.

Beautiful days and moonlight nights. Ye lover is in ecstasy.

Sachs Bros. and Fisher & Caro received more new goods this week.

Latest Sensation.—Girls rushing around town at dusk in male attire.

T. G. Owen has hung up his shingle in Marshfield, and is practicing law. Wintjen & Helms have just received a new stock of fine liquors, wines, etc.

We are pleased to see that John Bilger has recovered from his recent illness.

The new code allows County Commissioners \$4 per day while in service.

M. Menser has started a store at Kerbyville, with Abraham Menser as manager.

Judge & Nunan are agents for the State Investment Insurance Company of California.

The proceedings of the October term of the County Court are crowded out this week.

There seems to be some opposition by the residents of Ashland to incorporating the town.

M. Baum, of the firm of McCall & Co., Ashland, has gone to San Francisco to lay in a stock of goods.

The regular quarter has expired and we will call on our advertising patrons before long.

P. Dunn of Ashland is sojourning in town, taking depositions in cases he has been appointed referee.

Don't fail to attend Stinson & Cox's entertainment next Wednesday evening. It will be worth seeing.

H. H. Gale, formerly of the Eugene Hawkeye, was in town yesterday. He is on his way from San Francisco.

P. D. Parsons has purchased ex-Sheriff McKenzie's residence on Fifth street. The price paid was \$800.

Game of all kind is abundant, especially deer and quail. Venison, fat and juicy, is sold for six cents a pound.

Farmers are now busily engaged hauling wheat to mill, and the various grinding establishments are busy.

The sale of the personal property of A. J. Coakley, deceased, brought out a good attendance. Everything sold well.

P. J. Ryan is making preparations to build a frame structure between White & Martin's and Miller's new brick.

Ben Sachs has received an assortment of new goods, among which are some elegant babies' and children's buggies and wagons.

P. J. Ryan has a large number of men engaged on his proposed two-story brick, and is pushing matters rapidly forward.

We are publishing full proceedings of the Legislature. Persons desiring them for future reference should file away the TIMES.

Geo. A. King has thrown up his position at Jay Beach's, Fort Klamath, and left for Nevada this week in search of new fields in which to labor.

Morrell's Minstrels, including Charley Nickerson and Jake Wallace, threaten to visit us before long. They are now playing to good houses in the Willamette.

Our popular townsman Isaac Sachs led to the hymenial altar the other day one of San Francisco's fairest daughters. The happy couple are expected home next week.

Geo. Kahler, brother of C. W. and Robt. Kahler, of this place, formerly a resident of Jackson county, but now of the Willamette, is on a visit to his friends and relations in this section.

We were visited by a severe thunder and lightning storm last Friday night, which threatened to do serious damage, but fortunately subsided without injuring anything.

We are assured that the races announced to come off the end of this month will transpire, as considerable of the necessary bullion for the premiums has been collected.

Latest advices from C. C. Beekman say that it will be some time before he will return—perhaps upwards of a month. His family and himself are enjoying their visit finely.

Hon. W. J. Plymale has been so sick as to be absent from his post in the Legislature for some days, but we are pleased to notice him now as industriously engaged as ever.

A correspondent says that Ashland has 107 dwelling houses, and many more are being erected. There are about 75 families in the town, and the population amounts to about 350.

L. B. Applegate, who has been sojourning with his relations during the summer, favored us with a call. He left for Southern California for the benefit of his health a few days ago.

The Stage Company some time ago awarded a contract for furnishing 3,000 bushels of oats to G. Karewski at nearly 25 cents a bushel. Thos. McAndrews furnished Cole's station with 3,000 bushels at about 30 cents per bushel. Verily oats are low.

Geo. H. Young has just finished his contract for building an oven for Wm. Kreuzer's bakery, and the bakery has been removed against Wintjen & Helms' brick building to accommodate those digging the cellar for the proposed Masonic structure.

FAIR AND RACES.—The Siskiyou County Fair, held at Yreka last week, was a successful affair in every respect. The races were good, although not up to former occasions. A summary of the same may be interesting to our readers:

Trotting race for colts foaled in 1871 for a stake of about \$600. Won by S. Magoffey's "Siskiyou Girl," by "Gladitor," distancing the rest. Time, 3:12 1/4.

Trotting race of 10 miles, for double teams, for a purse of \$100. Won by Thos. McGrath's team. Time 45:30.

Trotting race, best 3 in 5, for purse of \$150. Won by Col. Winegar's "Pompey," by "Keokuk," beating Wm. McConnell's "Tip Ward" in three straight heats. Time, 3:01, 2:57, 2:54.

Trotting race for 3-year-olds, for purse of \$200. Won by P. G. Strickland's "Black Cloud," by "Lancet," dam "Sligart," in two straight heats. Time, 4:01, 3:45.

Running race, two mile heats, for purse of \$200. Won by James Reynolds's "Mary Tompkins," by "Norfolk," S. S. Ford's "Rattling Jack" won the first heat; the second was a tie between "Mary Tompkins" and "Rattling Jack," and on the third heat "Jack" was drawn on account of having a foot badly, leaving "Mary" without a competitor. Time, 3:57, 4:01 1/2.

County Court Proceedings.

SEPTEMBER TERM.

Present.—Hon. E. B. Watson, Judge; M. A. Houston and John O'Brien, Commissioners.

The Clerk was ordered to advertise for keeping the County Poor for the ensuing year.

A levy of taxes for the year 1874 was made, which we have heretofore published. The petition of Wm. Wheeler for a discharge from his duties as Supervisor of District No. 13 was granted.

The report of viewers appointed to view and locate a county road commencing at the Point of Rocks on the O. C. M. Road, in Goose Lake Valley, to the California line, was confirmed and the road established.

WEDNESDAY, Sept. 23d.

The proposals for building the Jail coming in to be heard, and only one bid—G. W. Holt's, of \$8,000—having been offered, which was rejected on account of exorbitance, the Clerk was ordered to invite proposals for building the same, under the specifications and plans heretofore filed, except that the walls be of brick instead of stone.

THE TULE ON FIRE.—All over the State the tules are on fire with enthusiasm on the subject of the next and last Grand Gift Concert of the Public Library of Kentucky, to come off on November 30, 1874. Until recently it was thought that the excitement was confined to the cities and towns, but reliable accounts show that the rural districts are as much in earnest on the subject as the cities. Indeed, the fact is not surprising when it is known that this is positively the last chance which can be given, and at this concert \$2,500,000 in cash will be distributed to the ticket-holders in such prizes or gifts as \$250,000, \$100,000, \$50,000, \$25,000, \$20,000. For further information, address

Gov. T. E. BRAMLETTE, Louisville, Ky.

FROM COOS BAY.—Howard & Huffer and surveying party have returned from Coos Bay, having finished their surveying contract. They report the country rough, and an immense fire raging in it at one time. Mr. Howard, while surveying down hill, slipped on a log and in saving his compass from injury had a few ribs broken. In attempting to survey some land for which a milling company had a U. S. Patent, the party came very near getting into trouble with the company. They all seemed glad to get back again.

PRODUCTIVE VINE.—John Weiss, of this place, has a vine of not very great dimensions, which this year bore 117 bunches of grapes. And Johnny says it was not an extra year for grapes either.

FROM SALEM.—We received a letter from Hon. W. J. Plymale yesterday evening, which we regret to say is too late for this issue. It will appear next week.

THANKS.—John Weiss has our thanks for a supply of luscious grapes.

SPECIAL NOTICES.

PHYSIOLOGISTS say that our Bodies are renewed once in seven years. The material of which they are reconstructed is the blood, and unless it be fully charged with the elements of vitality, the strength and health of the system decline. Of all blood depurants, Dr. Walker's *Vinegar Bitters* is the safest and most infallible. There is no disease arising from depravation of the blood, which it will not speedily cure.

PROF. J. H. STINSON WILL LECTURE on the subject of Science, Superstition and Automatology at the Court House in Jacksonville on WEDNESDAY EVENING, October 21, 1874, commencing at half-past seven o'clock.

After the lecture Hon. I. COX has consented to give an exhibition of his wonderful will and power over inanimate matter by causing objects to move from place to place and rising from the floor and floating in the air, thus overcoming the power of gravitation without using physical force, demonstrating that inert matter can be controlled by mind. These phenomena are now exciting general interest in the scientific world. Come and see for yourself and hear an explanation.
