All accounts due said firm prior to September 1st, 1874, may be paid to either party, and all accounts against the firm will be paid by the same. All persons indebted are requested to settle forthwith, as the business must be closed without delay. All accounts not settled in a reasonable length of time will be placed in the hands of an attorney for collection. All unexpired contracts for subscription, advertising, etc., will be fulfilled by the new proprietor. P. D. HULL, CHAS. NICKELL.

TAKEN UP.—C. Schieffelin elsewhere advertises a sorrel and a bay mare, which came to his place a few months ago.

LITERARY SOCIETY.—The Independent Literary Society will resume its regular weekly sessions this (Friday) evening.

SCHOOL EXHIBITION.—The exhibition given by W. J. Stanley's school, assisted by others, was a success peculiarly, as well as otherwise. The District School House was filled both evenings, and the performance gave general satisfaction.

BOUND OVER.—The case of Mr. Thompson, charged with the arson of M. Mensor's store, was concluded before Justice Stinson this week. The defendant was bound over in the sum of \$2,500, to await the action of the Grand Jury. The required bail was given—Jos. Solomon, Newman Fisher and C. Coleman becoming his bondsmen—and Thompson was released.

HAY BURNED.—David R. Jones, who is at present sojourning in town, learns from his brother, W. R. Jones, that his entire supply of hay was burned lately. There were 500 tons of it, and Mr. Jones says it was set afire by some person, of whose identification he is pretty certain. This is a heavy loss, and should a hard winter set in, will be a calamity to that section.

INSTALLATION.—At a regular meeting of Oregon Division No. 1, Sons and Daughters of Temperance, held January 6th, the following officers were installed by Special Deputy John A. Boyer: Daniel Cronemiller, W. P.; Mrs. S. J. Oliver, W. A.; Stephen M. Hubbard, F. S.; Chris Ulrich, Treasurer; Kate Darwin, Conductor; Chas. Howard, A. C.; F. M. Mace, I. S.; Geo. Oliver, O. S.

JOCKEY CLUB.—A good attendance was present at the meeting called last Monday evening for the purpose of forming a Jockey Club. M. Caton was chosen temporary President, and H. K. Hanna, Secretary. Several persons not present signified their intention of becoming members. No further business was transacted, except the appointment of Committees. J. N. T. Miller, Alex. Martin and Stephen Booth were appointed a Committee on Constitution and By-laws, and John S. Herrin, James A. Cardwell, J. W. Manning, W. F. Dhanan and James A. Wilson, as a Committee on track. Another meeting will be held next Monday evening, at the office of H. K. Hanna, Esq.

MORTALITY REPORT.

The City Sexton, Mr. R. S. Dunlap, furnishes us the following report for the year 1874, to-wit: Jan. 6th—Mary J. November 16th—Wm. Johnson; aged 63 years; aneurism; in Town Cemetery. December 25th—Annabel Grieve; aged 1 year and 4 months; whooping cough; in Town Cemetery. And 10 Chinamen, making a total of 27 interments in all the cemeteries on the hill. This shows a gradual decrease in the mortality of the town and surrounding country for the last four years, there being 35 interments in 1872, 40 in 1873, and 50 in 1874. GALICE CREEK MINES.—Nothing new from these mines has come to our notice. The latest concerning them we find in the Yreka Union of last Saturday, which says: "Some two weeks ago a gentleman by the name of Morse who resides at Chico passed through here on the stage on his way to these mines. He had a partner there who had taken up claims and he was going to see them. He passed through here this week again on his way back. We did not meet him but learn that he stated that the assays which have been made have generally yielded \$60 and upwards in gold and silver. He further stated that parties there had taken out 30 tons of rock which they were having packed by mules out to the stage road at Grave Creek; that from Grave Creek they would have it hauled by teams to Roseburg, and would send it thence by rail and steamer to San Francisco, where they would have it worked." MODOC WAR CLAIMS.—The telegraph announces that Secretary of War Beiknap recommends the sum of \$76,758 be appropriated by Congress to pay the expenses incurred by the State of Oregon and citizens of California in the late Modoc War. This recommendation is made in accordance with the report of Inspector General James A. Hardie, and on the basis of Government prices. The sum allowed Oregon is \$70,268—a little more than half the amount of the bonds issued by the Legislature. The California claims are reduced in like proportion. The amount asked for will undoubtedly be appropriated. I. O. R. M. INSTALLATION.—The following officers were installed at a regular meeting of Oregonian-Pocahontas Tribe No. 1, I. O. R. M., held on the evening of the 5th, by David Cronemiller, D. D. G. M.; Sol. Sachs, Sachem; P. D. Parsons, S. S.; J. N. T. Miller, J. S.; C. W. Savage, C. of R.; A. Fisher, K. of W.; E. D. Foudray, Financial Chief; P. D. Hull, Prophet; H. L. Webb, 1st S.; W. H. McDaniel, 2d S.; D. Cronemiller, 1st W.; L. Solomon, 2d W.; M. Mensor, 1st B.; C. Coleman, 1st P.; L. Hubert, 2d P.; John Cimborsky, G. of W.; A. Smith, G. of F. THE weather is clear and frosty.

LOCAL BREVITIES.

The County Court was in session this week. We are turning out a large amount of job work. John Wolters will shortly open a bakery in this place. New Year's day passed off very quietly, and was scarcely noticed. Stephen Booth has charge of Judge Tolman's fine "Norfolk" stallion. Those who have promised us wood are requested to respond forthwith. The various schools have resumed again, after a vacation of two weeks. James Drum has opened a variety store in West's building on California street. The assessment for 1873 of the Oregon Central Military Road Company, as compromised, was settled some time ago. Rock is being hauled for walling in the cellar of the Masonic building, and the work will commence as soon as practicable. The best attended ball of the season occurred at Phoenix on Christmas Eve. Seventy-four tickets were sold. A good time was had. The Winter fights have commenced in dead earnest. Several scrimmages are reported throughout the county, and also one fight for \$20 a side. The prevailing mild weather is favorable to the sheep interests. The various flocks are in fine condition, and as yet no sheep have died from exposure. The new postal law went into effect Jan. 1st. Our subscribers will hereafter receive the TIMES free of postage, the new postal law requiring us to prepay the same. All mail service for Crescent City, via Waldo, has been discontinued. H. Gasquet is still engaged in carrying the mail accumulated at Waldo. Steps are being taken to remedy this glaring defect. Wm. Bybee has been slaughtering a large number of hogs this Winter. John Orth this week killed sixty more. The amount of hogs killed in Jacksonville and the immediate vicinity will aggregate nearly 1,000. PERSONAL.—W. R. Jones, of Warner Valley, and School Superintendent of Lake county, arrived in town last week. He was accompanied by Mr. Tipton, a prominent cattle raiser of Lake. W. S. McFadden, a lawyer of Corvallis, who has been on business among us, left for home yesterday. C. Schieffelin, Esq., called on us this week. He reports matters quiet in his region. W. H. S. Hyde, formerly of this place, has associated himself with John Pence, at Empire City, Coos county, purchased a ranch, and gone into the wholesale and retail butchering business. Asher Marks, of Roseburg, passed through town yesterday, on his way South. Prof. B. Robb, lately of this place, has purchased a bookstore in Stockton, California. I. O. O. F. INSTALLATION.—John A. Boyer, D. D. G. M., at a stated meeting of Jacksonville Lodge No. 10, I. O. O. F., held at their Hall on January 2d, installed the following officers: C. W. Savage, N. G.; John Miller, V. G.; Sol. Sachs, R. S.; Wm. Bybee, Treasurer; S. J. Day, P. S.; Newman Fisher, R. S. N. G.; Jacob Ish, L. S. N. G.; Daniel Cronemiller, R. S. V. G.; Chris. Ulrich, L. S. V. G.; Henry Klippel, L. G.; K. Kubli, R. S. S. Trustees, K. Kubli, Isaac Sachs and Jacob Ish. FARMS FOR SALE.—If those of farmers who desire selling their land would advertise the fact, they would be more certain of selling it. Frequently persons in search of homes have applied to us for the TIMES containing farms for sale, and in each case were not accommodated, as no advertisements of this nature appear. The cost of advertising their land would be little, and it would be more apt to find a purchaser than otherwise. HEALTHY.—As will be seen by the Sexton's report, the year just passed has been one of the healthiest years in the annals of Jacksonville and the surrounding country. Only 27 interments occurred, and some of them were occasioned by the parties being killed. ADJOURNED.—Jacksonville Band of Hope has suspended until the weather moderates.

ASHLAND NOTES.

From a correspondent and from other sources we gather the following news, concerning affairs about Ashland. The days are foggy and nights ditto. The Ashland District School opened on Monday last with an attendance of 54 pupils. The health of Ashland is good, although complaints incident to Winter weather prevail. Professors Watt & Wood propose opening a dancing school at Flowers' Hall next Saturday evening. Minus Walker, and old resident of Jackson county, residing south of this place, died of typhoid fever on New Year's day. The holidays and their attending amusements are subsiding slowly but surely, and matters hereabouts are about running their natural course. Owing to the frozen state of the water the Ashland Woolen Factory has not been running for the past week. It will resume operations soon, however. The Good Templars number about 90 members and are constantly receiving accessions to their ranks. This Lodge is one of the most successful organizations of the kind in the State. The Good Templars' Entertainment on New Year's night was a brilliant success. Notwithstanding the variety of characters, all were sustained in a manner which would have reflected credit on older and more experienced performers. The following is the report of the Ashland District School, James D. Fountain, Teacher, for the quarter ending December 24, 1874: Number of males enrolled, 35; number of females enrolled, 30. Total, 65. Average attendance, 43. Tuition per quarter, \$2.85. IN MEMORIAM.—At the last regular session of Ashland Grange No. 87, Patrons of Husbandry, the following resolutions of respect, on the death of Minus Walker, were adopted: WHEREAS, It has pleased the Supreme Master of the Universe to take from among us our worthy brother, Minus Walker, of Ashland Grange No. 87; and WHEREAS, Our late brother, Minus Walker, had, by his gentlemanly deportment and kindness of heart, endeared himself to all; therefore be it Resolved, That in the death of Minus Walker the Fraternity have lost a faithful and devoted brother, and the community a respected and useful citizen. Resolved, That we tender to the bereaved wife and relations of our deceased brother our heartfelt sympathies, and commend them to Him, who doeth all things well, for comfort and consolation in this, their hour of affliction. Resolved, That a copy of these resolutions be sent to the wife of our deceased brother, and to each of the County papers for publication. A. D. HELMAN, H. C. HILL, J. D. FOUNTAIN, Committee. INSTALLATION.—At a regular meeting of Ruth Rebekah Degree Lodge No. 4, I. O. O. F., held on the evening of January 4th, D. D. G. M. John A. Boyer installed the following officers for the ensuing term; Kaspar Kubli, N. G.; Jane Kubli, V. G.; Rachel Fisher, R. S.; Mary Miller, Treasurer; Frances Luy, F. S.; Isaac Sachs, R. S. V. G.; Henry Klippel, L. S. V. G.; F. Luy, Conductor; C. W. Savage, C.; Sol. Sachs, L. G. ATTRACTING ATTENTION.—There are a large number of experts in this section at present, testing the ores of the various quartz and cinnabar mines. At last, Jackson and Josephine counties are attracting the attention of capitalists, and a promising future awaits us. NEW YEAR'S BALL.—The ball given at Veit Schutz' Hall on New Year's night was a great success. Upwards of sixty tickets were sold. Good music was furnished, while Madame Holt provided an excellent supper. LECTURE.—J. G. Dow, a prominent champion of local option during the late campaign in California, will lecture on "Temperance" at the M. E. Church, in Jacksonville, next Sunday evening. THANKS.—Madame Holt has our thanks for some excellent cake. For the very best Photographs, go to Bradley & Rufoson's Gallery with an ELEVATOR, 429 Montgomery Street, San Francisco.

The question has often been asked by those interested, "Can I have my gray hair restored to its natural color, without coloring the skin? and can my thin locks be thickened up?" We answer, "It can;" and would advise you to read a treatise on the hair, which is published by R. P. Hall & Co., Nashua, N. H., who send it free, upon application. They are the proprietors of Hall's Vegetable Sicilian Hair Renewer. We learn from it, the hair, in a perfect state of health, is constantly falling out, and new hairs grow from the same tubes; but, in case of any disease of the scalp, or by the use of alcoholic preparations, the hair-tube becomes contracted at its mouth, and prevents the new follicle from reaching the surface. Their preparation will create a perfectly healthy condition of the scalp, and, by its tonic properties, will preserve and strengthen the roots of the hair.—Statesman, Des Moines, Iowa. "WHAT I KNOW, I KNOW," said the great surgeon Magendie, "Give me stubborn facts: I care not for theories." This is sound doctrine. Possibly a medical martinet might be able, in a plausible way, to show why DR. WALKER'S VINEGAR BITTERS ought not to cure Indigestion, Headache, Nervousness, Liver Complaint, Muscular Diseases, and Miasmatic Fevers; but as they do in every instance effect that object, his fine theory would be a waste of words. As Magendie said, the world demands facts, not speculative opinions.

THE SUN. WEEKLY AND DAILY FOR 1875. The approach of the Presidential election gives unusual importance to the events and developments of 1875. We shall endeavor to describe them fully, faithfully, and fearlessly. THE WEEKLY SUN has now attained a circulation of over seventy thousand copies. Its readers are found in every State and Territory, and its quality is well known to the public. We shall not only endeavor to keep it fully up to the old standard, but to improve and add to its variety and power. THE WEEKLY SUN will continue to be a thorough newspaper. All the news of the day will be found in it, condensed when unimportant, at full length when of moment, and always, we trust, treated in a clear, interesting and instructive manner. It is our aim to make the WEEKLY SUN the best family newspaper in the world. It will be full of entertaining and appropriate reading of every sort, but will print nothing to offend the scrupulous and delicate taste. It will always contain the most interesting stories and romances of the day, carefully selected and legibly printed. The Agricultural Department is a prominent feature in the WEEKLY SUN, and its articles will always be found fresh and useful to the farmer. The number of men independent in politics is increasing, and the WEEKLY SUN is their paper especially. It belongs to no party, and obeys no dictation, contending for principle, and for the election of the best men. It exposes the corruption that disgraces the country and threatens the overthrow of republican institutions. It has no fear of knives, and seeks no favors from their supporters. The markets of every kind and the fashions are regularly reported in its columns. The price of the WEEKLY SUN is one dollar a year for a sheet of eight pages, and fifty-six columns. As this barely pays the expenses of paper and printing, we are not able to make any discount or allow any premium to friends who may make special efforts to extend its circulation. Under the new law, which requires payment of postage in advance, one dollar a year, with twenty cents the cost of prepaid postage added, is the rate of subscription. It is not necessary to get up a club in order to have the WEEKLY SUN at this rate. Anyone who sends one dollar and twenty cents will get the paper, post-paid, for a year. We have no traveling agents. THE WEEKLY SUN.—Eight pages, fifty-six columns. Only \$1.20 a year, postage prepaid. No discounts from this rate. THE DAILY SUN.—A large four-page newspaper of twenty-eight columns. Daily circulation over 120,000. All the news for 2 cents. Subscription, postage prepaid 55 cents a month, or \$6.50 a year. To clubs of 10 or over, a discount of 20 per cent. Address, "THE SUN," New York City.
