## SHERIDAN'S LAST RIDE.

There was a little man,  
And his name was Sheridan,  
For to save the Government,  
On the railroad he did jump,  
And to Louisiana went.

Says he: "My friends at Court,  
Have determined to resort  
To a very sharp and short  
Constitutional coup d'état;  
And they've sent me on this raid  
To take I understand the trade,  
And, be it said, I'm not afraid  
Of either league or law.

All yez people in this city  
Are the hoith of bould banditti,  
(It's thrue and more's the pity),  
That the kind of men yez are,  
Av me chafe will turn me loose,  
Sure I'll ax no more excuse;  
Be the powers I'll cook yer goose  
With a little blaze of war.

"All this bloody howl must cease  
About yer tax increase;  
Sure me friends must steel in pace,  
And the negroes live, arrah!  
Och, I'd like to make it hot  
For the dirty Dimierat  
Who would dare to say I'm not  
Just a doctor at the law."

Thus talked the little man  
Whose name is Sheridan,  
Who slew the poor Pagan,  
In the winter night and snow,  
And now with trump and drum,  
Down to New Orleans has come—  
Little Philipbusthero.

A COLT IMPRISONED TEN YEARS.—  
A farmer named Nelson Coleman, residing at Canton, in this State, was, some ten years ago, actually stupid, ignorant, and besotted enough to be offended with the action of a yearling colt, and determined to punish it, as though the poor animal were accountable for its deeds as a Christian. He placed the creature in a small stable, and exclaimed: "D—n you! stay there," and there he kept it until a month ago, a period of about ten years. In consequence of the confinement, the colt's hoofs grew to an enormous length, as it had never been shod or its feet pared. About two years since Forepaugh, the circus man, saw the animal and offered \$1,000 for it as a curiosity, principally to show the length of its hoofs, which grew out like a man's foot, and were from eighteen to twenty-four inches long. The offer was refused, as Coleman determined to imprison the animal for life. It died last month, after an imprisonment of ten years.—*Exchange.*

VIRGIL S. EGGLESTON ran away with the daughter of Henry Wilson's Washington land-lady, and the person having made them one, they returned to the paternal mansion. Mr. Wilson interested himself in procuring Virgil the appointment of paymaster in the regular army. With this commission the young couple went to Oregon, and Eggleston was brought into contact with the Modocs, behaving with such credit and bravery as to win the regard of the army. Soon he found that his wife was faithless, a discovery which led him into a life of dissipation. With dissipation came debt, to discharge which Eggleston puts his hands into the government's pockets. Cashiered and sentenced to imprisonment, he has just entered the Albany penitentiary, there to remain until the amount of money embezzled from the United States is restored—practically a life sentence.—*Chicago Times.*

SECRETS OF HEALTH.—First, keep warm.  
Second, eat regularly and slowly.  
Third, maintain regular bodily habits.  
Fourth, take early and light suppers, or none at all.  
Sixth, get plenty of sleep at night.  
Seventh, keep good cheerful company.  
Eighth, keep out of debt.  
Ninth, don't set your mind on things you do not need.  
Mind your own business; subdue curiosity, and do not set up to be sharp.

A HOT lemonade is one of the best remedies in the world for a cold. It acts promptly and effectively, and has no unpleasant after effects. One lemon properly squeezed, cut in slices, put in sugar, and cover with half a pint of boiling water. Drink just before going to bed and do not expose yourself on the following day. This remedy will ward off an attack of the chills and fever if promptly used.

AN Irishman's house caught fire, and his wife, running to the nearest available water, caught up a kettle from the hob and was hurrying to the attic, where the flames were already at work, when she was met on the stairs by Pat himself. "Is it a fool ye are," he cried, "trying to put out a fire with hot water?"

THE old are allured by gold, the young by pleasure, the weak by flattery, cowards by fear, courageous by ambition; a thousand baits for each taste, each bait concealing the same deadly hook.

ACCORDING to a writer in the *Atlantic*, "it is not impossible that there may be still standing in California trees which were in existence when Adam and Eve walked in Paradise."

THERE are two reasons why some people don't mind their own business. One is that they haven't any business, and the other is that they haven't any mind.

## The Law of Newspapers.

1. Subscribers who do not give express notice to the contrary are considered as wishing to continue their subscriptions.
2. If any subscribers order the discontinuance of their newspapers, the publisher may continue to send them until all arrears are paid.
3. If subscribers neglect or refuse to take their newspapers from the offices to which they are directed, the law holds them responsible until they have settled the bills, and ordered them discontinued.
4. If subscribers remove to other places without informing the publisher, and the newspapers are sent to the former direction, they are held responsible.
5. The courts have decided that refusing to take newspapers from the office, or removing and leaving them uncollected, is *prima facie* evidence of intentional fraud.
6. The postmaster who neglects to give the legal notice of the neglect of a person to take from the office the newspapers addressed to him, is liable to the publisher for the subscription price.

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

## Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required.

Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. This incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable.

Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physician, and for the following complaints, which these Pills rapidly cure:

For Dyspepsia or Indigestion, Loss of Appetite, Langor and Loss of Appetite, the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Biliary Colic and Bilious Fever, Indigestion of the stomach, and all Derangements of the Internal Viscera. Warranted to be a true and reliable Vegetable, containing no mercury, mineral or dangerous drugs.

A few doses of RADWAY'S PILLS will free the system from all the above named disorders. Price, 25 cents per box. SOLD BY ALL DRUGGISTS. Send one letter to J. C. RADWAY & CO., No. 23 N. 3rd St., New York, for a full and complete description of this valuable medicine.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Pains of the Heart, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, refreshes the system, and renovates the effect on the digestive apparatus.
