

FOR THE CURIOUS.—A lady aged 20 marries a gentleman aged 40 and is of course two-fourths as old.

Why do black sheep eat less than white ones?

Mr. John Smith (widower) and Mrs. Sarah Jones (widow) were married, each bringing children by a former marriage into the family.

There was a room with 8 corners. In each corner sat a cat; before each cat sat seven other cats and on each cat's tail sat a cat.

Can 12 gentlemen be lodged in 11 rooms, each having a room by himself?

12 men applied for rooms and there were only 11 for them.

The Law of Newspapers.

1. Subscribers who do not give express notice to the contrary are considered as wishing to continue their subscriptions.

2. If any subscribers order the discontinuance of their newspapers, the publisher may continue to send them until all arrears are paid.

3. If subscribers neglect or refuse to take their newspapers from the offices to which they are directed, the law holds them responsible until they have settled the bills, and ordered them discontinued.

4. If subscribers remove to other places without informing the publisher, and the newspapers are sent to the former direction, they are held responsible.

HAIR RENEWER

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone.

We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GRAY or FADED HAIR to its youthful color, making it soft, lustrous, and silken.

The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands.

By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Sold by all Druggists, and Dealers in Medicines. Price One Dollar.

Buckingham's Dye FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
