Ayer's Cathartic Pills, For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative.

Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use.

For Rheumatism, Gout, Gravel, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression, a large dose should be taken, as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels generally well, and who finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
