

Py Shilmy! Ish Dot So?—There is doubtless such a thing as excessive promptness in emergencies. Presence of mind and determination are admirable qualities in themselves, but it sometimes happens that a decision upon the spur of the moment is regretted upon a more deliberate survey of the field.

ROSEWOOD.—It has puzzled people to decide why the dark wood so highly valued for furniture should be called rosewood. Its color certainly does not look like a rose, so we must look for some other reason.

RECENTLY in Coffee county, Georgia, a negro accosted a young girl on the high road as she was returning from a visit to a friend, and informed her that the passage of the Civil Rights bill had conferred upon him the right to walk home with her, which he proceeded to do.

THY MOTHER.—It has been truly said that the first being that rushes to the recollection of a soldier or sailor, in his heart's difficulty, is his mother. She clings to his memory and affection in the midst of all the forgetfulness and hardihood induced by a roving life.

REDUCTION IN POSTAGE.—The Postmaster-General, under authority of the Act of Congress of June 8, 1872, has ordered that the rate of United States postage on letters sent to or received from foreign countries with which different rates have not been established by Postal Convention or other arrangement, be reduced from ten to five cents for each half ounce or fraction thereof, to take effect July 4, 1875.

The easiest and simplest remedy for chapped hands is found in every store-room. Take common starch and grind with a knife until it is reduced to the smoothest powder, and then every time the hands are taken from the suds, or dish-water, wipe them, and while they are yet damp, rub a pinch of starch thoroughly over them, covering the whole surface.

As the State road train came in last night a negro very busy eating watermelon on Whitehall crossing, and the approaching train, with its glaring headlights, struck him and landed him some rods out in the darkness. As he picked himself up he exclaimed, "Who swung dat lamp! who frowed dat brick!" The locomotive is but slightly injured.

The National Gold Medal was awarded to Bradley & Rulofson for the best Photographs in the United States, and the Vienna Medal for the best in the world.

SPECIAL NOTICES.

Life is Sweet. The blood is the life of the human system. Keep it pure and all is well; for this purpose no standard medicine has so uniform and amazing success as Dr. Henley's Celebrated I. X. L. Bitters. This is a pure stimulant, medicated with the finest tonics and alteratives which the vegetable kingdom affords; and is the only preparation at present known which thoroughly meets the emergency. The effect of this popular restorative is instantaneous. Each dose taken invigorates the vital energies and the brain, and its prolonged use will unquestionably cure any case of debility, or mental torpidity that does not arise from organic causes beyond the reach of medicine.

TARRANT'S Seltzer Aperient. WHAT ARE YOUR SYMPTOMS? Are they pain in the right side, yellowness of the eyes, nausea, debility, irregularity of the bowels and headache? If so your liver is wrong; and to set it right and give tone and vigor to your system, the one thing needful is Tarrant's Seltzer Aperient.

Ayer's Cathartic Pills. For the relief and cure of all derangements of the bowels, liver, and stomach. It is a mild aperient, and an excellent purgative. Being purely vegetable, it contains no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the Pills with which the market abounds. By their occasional use, the blood is purified, the corrutions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged, and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation. Full directions are given on the wrapper to each box, how to use them as a Family Physician, and for the following complaints, which these Pills rapidly cure:—

For Dyspepsia, Indigestion, Flatulency, Langor and Loss of Appetite, they should be taken moderately to stimulate the stomach, and restore its healthy tone and activity. For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Jaundice or Green Sickness, Bilious Colic and Bilious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required. For Rheumatism, Gout, Gravel, Pain in the Side, Back and Loins, they should be continued until the system is thoroughly cleansed, as required, to change the diseased action of the system. With such change those complaints disappear. For Dropsy and Dropsical Swellings, they should be taken in large and frequent doses to produce the effect of a drastic purge. For Suppression, a large dose should be taken, as it produces the desired effect by sympathy. As a Dinner Pill, take one or two Pills to promote digestion and relieve the stomach. An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.
