Democratic County Committee.

A meeting of the members of the Democratic County Central Committee is hereby called for Tuesday, July 6, 1875, for the purpose of apportioning the numbers of delegates each precinct will have in the ensuing County Convention, and for the transaction of any other business that may come before the meeting for consideration.

HENRY KLIPPEL, Chairman. Jacksonville, June 30, 1875.

FIREWORKS.—John A. Boyer has just received a complete and first-class supply of fireworks for the Fourth, consisting of rockets, roman candles, etc., of all sizes, which will be sold at reasonable rates. Call and see them.

NOTICE.—County Scrip will be taken at par in payment on accounts due the late firm of Hull & Nickell. Also all those indebted to the TIMES office under the present management can pay in the same way and at the same rates.

W. Savage, J. S.; H. K. Hanna, C. of R.; A. Fisher, C. of W.; E. D. Foudray, F. C.; David Cronmiller, Trustee.

THE FOURTH AT KERBYVILLE.—We last week unintentionally neglected to state that the citizens of Josephine county propose celebrating the Fourth of July at Kerbyville with a basket picnic. Appropriate exercises will be had. Kerbyville Grange will participate. A ball will be given in the evening, and no pains spared to make the whole affair a successful and pleasant one. All are invited to attend.

THE FRUIT CROP.—From all appearances, the fruit crop in this section will be a large one. The continuous cold weather has kept all kinds back, however, especially grapes. The late unusual frost a short time since did but slight damage, as the fruit was too large to be injured much, and there will be enough for all purposes. The present warm weather is doing much towards ripening the different varieties, some of which will be in market soon.

THE BRIGGS CASE.—The motion for stay of judgment and new trial made by the defendant's counsel in this case, after being urged, was denied by His Honor, Judge Prim. Mrs. Briggs was then sentenced to five years in the Penitentiary and to pay a fine of \$25, and the costs of the case. Her counsel gave notice of an appeal to the Supreme Court, and also asked that defendant be allowed bail until said appeal had been decided, which was granted by the Court. The bonds were fixed at \$8,000, which were procured, Isaac Thompson and Lawrence Leonard becoming Mrs. Briggs' sureties, and she was released from custody.

W. M. Turner and N. Langell have secured a contract for surveying Government land in the region of Lost River. They have secured the services of J. S. Howard and party, who started for the scene of their labors Wednesday, accompanied by the contractors, and expect to be gone about three months.

W. T. Jones, a tramp blacksmith, who last week applied at the printing offices in town for work, is seriously missed by the proprietor of the Roseburg Plaindealer. He left that section with some money he had fraudulently collected from the subscribers of that paper, and although efforts were made by Mr. Byars to arrest him, he escaped. He is on his way South. Our contemporaries should look out for him.

PASSING STRANGE.—Jacksonville, as is well known, contains two printing offices, both well prepared for doing all ordinary work in good shape and at reasonable rates. Notwithstanding this fact, however, lately whenever a local entertainment is to come off in Ashland, the managers thereof, instead of encouraging home industry, send their job printing to Yreka, taking the money out of the country and throwing it into circulation in a town always entirely alienated from Ashland, and Oregon in particular, and which at present is endeavoring to secure a mail service from there to Linkville, to the detriment of the Ashland route and Ashland itself. The Jacksonville papers, with their extended circulation in that place and vicinity, have from time to time inserted gratuitous notices for these affairs, which has done more good than all the posters and advertisements in the Yreka papers, with their small circulation, could do, and yet the latter have always received the pecuniary benefits thereof. We haven't lost any sleep over the affair, and don't propose to. It is an affair amounting to little, but it does seem passing strange why this should be the case in the face of these facts, and we only write this article to illustrate the principle of the matter.

THE FOURTH.—To-morrow the 99th anniversary of the declaration of our independence will be celebrated in appropriate manner at the Overbeck Grove, under the auspices of the Patrons of Husbandry. An excellent programme of exercises will be observed, which will doubtless be rendered in the best possible manner. It is their intention to have the finest dinner ever served in Southern Oregon, which will be furnished free of charge. No efforts have been spared to make the celebration worthy of the occasion, and all are invited to attend.

DEMOCRATIC PRIMARIES AND CONVENTION.—Hon. Henry Klippel, Chairman of the Democratic County Committee, informs us that the recommendations of the State Central Committee will without doubt be endorsed. The Democratic primaries will therefore be held in the various precincts on Saturday, July 17, 1875, and the Convention on Wednesday, July 21st. Democrats will take notice of this fact, and be on hand.

OATS WANTED.—Sealed proposals will be received at the office of the O. & C. Stage Company in Jacksonville until 12 M. July 10, 1875, for the delivery of oats at the following stations: 3,000 bushels at Grave Creek; 2,500 bushels at Casey's; 2,000 bushels at Cole's; 1,500 bushels at Jacksonville.

TRIAL OF THE BROWN BROTHERS.—From Chas. Griffith, who left Linkville early Tuesday morning, we learn that the Circuit Court is in full blast. But little trouble seems to be experienced in procuring a jury, as eight persons were obtained Monday. The case is doubtless under way ere this.

OFFICERS ELECTED.—At a regular meeting of Jacksonville Lodge No. 10., I. O. O. F., held on the evening of June 26th, the following officers were elected for the ensuing term: John Miller, N. G.; Sol. Sachs, V. G.; T. B. Kent, R. S.; Wm. Bybee, Treasurer.

SENTENCED.—Ah Hoo, convicted of the larceny of a watch, was last Friday sentenced by Judge Prim to three years' imprisonment in the Penitentiary.

CHETCO WAGON ROAD.—The affairs of the Chetco Wagon Road Company are gradually assuming a practical shape, and earnest efforts towards completing this road will doubtless soon be made. The incorporation of the company has been consummated, three persons from each county through which this road will pass having acknowledged and executed the articles of incorporation, to-wit: Jackson—John E. Ross, John O'Brien, W. Beeson; Josephine—D. Fiester, H. Thornton, W. A. Forgey; Curry—H. G. Bonham, A. F. Miller, Alvin Cooley. We learn that great interest is being taken in the enterprise by the citizens of Josephine and Curry, several signifying their intention of taking \$1,000 of stock, and others in lesser sums. Jackson county will not be behind in the matter, and we trust forward steps will immediately be made. This is an affair of great importance to all, and no efforts will be spared in making it an ultimate success. It ought to be built by the citizens of these three counties, and doubtless will be. If it is, a large amount of money will be kept at home, the toll will be lower and it will be better for the people in every instance.

THE ELIZABETH LEDGE.—Rock from the Elizabeth ledge taken to San Francisco by C. C. Beckman, and subjected to a mill test, makes a showing of over \$21 a ton. Mr. Klippel thinks that not reliable, as the rock pays \$13 by astra working, by which a greater portion of the quicksilver is lost and of course much gold with it. The ore is refractory, but the proprietors of the ledge believe they can now overcome the difficulty, which, if successful, will greatly increase the bullion product. An experiment with some tailings of the ledge this week, revealed the presence of considerable quicksilver containing quite a sprinkling of gold.

THE BALL.—At a meeting of the young men of Jacksonville, held Monday night, arrangements were perfected for a grand Fourth of July ball at Veit's Hall next Monday evening. The various committees were appointed, and no pains will be spared to make the affair a success. The Orme brothers and Fred. Lay will furnish the best of music, while Mrs. Horne will prepare the supper in her usual excellent manner. Everybody is invited to attend.

JUDGMENT RENDERED.—In the Circuit Court last week, in the case of W. K. Ish vs. D. R. Jones, a dissolution of partnership was granted and judgment rendered in favor of the defendant, Jones, for the sum of \$6,967.02 and over \$2,000 costs, to be paid out of the partnership property. This case has been on trial almost three years.

SACHS BROS. are constantly receiving new goods, and have one of the most complete and best assortments of general merchandise ever brought to Southern Oregon. "Quick sales and small profits" is their motto, and those desiring anything in their line will be accommodated at the lowest rates. \*

PETITION FOR PARDON.—A petition to His Excellency, Gov. Grover, for the pardon of Mrs. Caroline Briggs, is now in circulation in different portions of Southern Oregon. Copies of the petition may be seen at various stores in town, and those desiring to sign their names thereto can do so.

SELLING OUT.—Ben Sachs, desiring to close business in Jacksonville, will sell his complete and first-class stock of goods at cost and freight for cash. Those indebted are requested to settle. See his advertisement elsewhere.

FOR SALEM.—Sheriff Manning and Martin Angel started for Salem last Saturday, having in charge Lockhart and Ah Hoo, who will reside at the Penitentiary for the next few years.

SPECIAL NOTICES. Life is Sweet. The blood is the life of the human system. Keep it pure and all is well; for this purpose no standard medicine has had so uniform and amazing success as Dr. HENLEY'S Celebrated K. L. Bitters. This is a pure stimulant, medicated with the finest tonics and alteratives which the vegetable kingdom affords; and is the only preparation at present known which thoroughly meets the emergency. The effect of this popular restorative is continuous. Each dose taken invigorates the vital energies and the brain, and its prolonged use will unquestionably cure any case of debility, or mental torpidity that does not arise from organic causes beyond the reach of medicine. It is in the strictest sense of the word, an invigorating and regulating cordial. If the nerves are enervated and relaxed, it braces them; if the liver is torpid it promotes activity in that organ; the appetite is poor and digestion a slow and painful operation, it creates a relish for food and enables the stomach to convert it into healthful aliment. Moreover, it is a specific for a large number of ailments, some of which are particularly prevalent in the damp and chilly weather which we so often experience in mid-winter. Among these may be mentioned rheumatism, chills and fever, and all the morbid conditions of the digestive organs. By insuring perfect digestion and a proper flow of bile, it insures pure blood, a vigorous circulation, and the prompt discharge of all waste matter from the system.

CAST THEM OUT.—If there are any diseases which depress the name *demonium*, Dyspepsia is one of them. It racks and tears the system like a veritable fiend, and renders life a burden. The medicines of the Dispensary will not expel it. Cast it out with Dr. WELLS' Vegetable Compound Bitters. There is no form of indigestion or liver complaint that can withstand this potent tonic and alterative. The newly discovered California roots and herbs, from which it is made, are of more value to mankind than all the gold of the Pacific States.
