

Settled the Question.

The late election in this State settled the question as to the political status of Oregon. The Independent vote has returned to the Republican or Democratic parties, says the Journal, and so far as the Independent party in this State is concerned, it is a party of history—its mission accomplished, its existence remaining only in the name it has left behind.

An Important Decision.

The New York Nation of October 14th says the Supreme Court at Washington has given a woman-suffrage decision which will set at rest all doubts as to the effect of the Fourteenth Amendment on the woman's "right" to the ballot.

Disastrous Fire.

Virginia City, Nevada, was visited by a disastrous fire on the 25th ult., which laid a greater portion of that city in waste, and destroyed property to the amount of \$5,000,000 or more.

Another Kind of Radical Argument.

Unable to meet Hon. J. K. Luttrell in fair discussion, the Republicans adopted another line of warfare and filched his documents while at Portland.

THE SPECIAL ELECTION.

The returns of the late election come in slowly, but enough is known to place the election of Hon. L. F. Lane beyond a doubt. However, his plurality is not near as large as was at first announced.

REPORTED MAJORITIES.

Table with 3 columns: Counties, Lane, Warren. Lists majorities for various counties like Linn, Marion, Jackson, etc.

Lane's majority over Warren, 330.

In some of the above returns the official majorities are given, while the balance of them are estimated.

Women's Centennial Board.

The Women's Centennial Board of Oregon met on Oct. 13th in the committee room of the State Agricultural Society. The meeting being called to order, Mrs. Duniway in the chair, Mrs. Victor was appointed secretary and the business of the meeting taken up.

The Elections.

Nothing definite has been learned from the result of the elections in the Eastern States, but enough is known that Pennsylvania has gone Republican, which was of course expected.

Newspaperial.

The Eugene City Guard and Oregon City Enterprise, two of the staunchest and most valued exchanges that come to our table, have each lately entered upon new volumes.

GENERAL NOTES AND NEWS.

Nebraska planted over 12,000,000 forest trees last year.

St. Louis (Mo.) lays claim to being the healthiest city in the world.

California hunters say that grizzly bears, when captured alive, though not wounded, soon die of a broken heart, induced by excessive rage.

The President has issued his proclamation designating the 25th day of November as a day of thanksgiving and prayer throughout the United States.

A disastrous fire occurred at Walla Walla, W. T., on Tuesday evening, Oct. 19th, starting in the Oriental hotel, consuming eleven buildings in all, and occasioning a loss of about \$25,000.

Here we go with more reform. A Washington dispatch states that the new Secretary of the Interior, Hon. Zach Chandler, will discharge all clerks and others who refuse to pay assessments for electioneering purposes.

There is a report in Boston that the crews of three vessels bound for the Auckland Islands, were captured near New Zealand and eaten by cannibals.

Dr. Linderman, director of the mint, estimates by the Virginia City fire, the supply of gold bullion will be cut off to the extent of \$1,000,000 per month for four months.

An exchange says that "Ben Holladay and Gen. Ingalls have purchased a fine farm near Bladensburg and will stock it with game birds of every description."

A National Railroad Convention will be held in St. Louis, Missouri, November 23d, 1875, "to consider the construction of a Pacific railroad through the States and Territories of the Southwest."

The last surviving daughter of the great South Carolina statesman, John C. Calhoun, died last week. The Calhoun family are no more, and were the dead statesman to revisit earth and see South Carolina in its present condition, he would bless his stars that the Calhoun family had not lived to behold such degradation.

Another Exposure.

Almost every day the telegraph informs us of the rascality of some Radical officeholder, or the unearthing of some great Radical fraud.

The committee appointed by the Pennsylvania House of Representatives to investigate the affairs of the treasury, have agreed upon a report, stating that their investigation has developed the following facts: That from 1864 to 1874 there appears to be a yearly overcharge on the interest account on the public debt, the different treasurers taking credit for paying more interest than the State debt owes.

The Cuban Insurrection.

It may be supposed that, next to an irredeemable currency, a state of insurrection is the most unfavorable to the prosperous and peaceful use of a country's resources.

A Shallow Excuse.

We see it stated in the Eastern press that Gen. Sheridan's recent visit to this State was for the purpose of looking into threatened Indian troubles. This is about as shallow an excuse for the little General to get his expenses paid to visit Oregon as we have ever seen.
