Geese are now migrating southward, and large flocks are constantly passing overhead, but do not light extensively in the fields as yet.

The various grist mills are now busy, some, if not all of them, running day and night. A superior quality of flour is being turned out.

The returns from Big Butte precinct did not come in until after the official count had been made. The vote stood: Whitney, 4; Lane, 3.

Owing to the fact that the Circuit Court docket was not made out up to our going to press it does not appear in our columns, as it otherwise would.

LETTER FROM JOSEPHINE.

KERBYVILLE, Oct. 29, 1875.

TO THE EDITOR OF THE TIMES:

I was much surprised in visiting this place during the present term of the Circuit Court to find such a crowd of people in attendance. Every place where man or beast could be accommodated was filled to overflowing—so much so that some of the legal fraternity from Jacksonville found themselves without beds, and would have fared badly had not their early experience in packing and mining taught them how to utilize the saddle-blankets. The number in attendance at the Union Hotel, and the manner in which they responded to the bell at meal times, induced Mr. Rider, the gentlemanly proprietor, to change the name of the hotel, and it is now known as the "Rush House."

I found that there was but little criminal business at this term, as the Grand Jury failed to find bills of indictment in the cases where the parties were held to answer. But in order to make amends, I suppose, they found two indictments against parties not under arrest—one being for assault with a dangerous weapon and the other for wanton injury to animals. Bench warrants were ordered in both cases. Only one jury case was tried at the term, viz: Elder vs. Leonard, which resulted in favor of defendant.

The cases of Carron vs. Bennett and Bennet vs. Carron, excited considerable interest from the fact that the question, "as to whether the miner can hold the waters of a stream by prior appropriation against a riparian proprietor," is likely to come before the Courts of our State for the first time. Both of the cases go over until the next term.

The common saying, "that it rains ever Court week," was again verified, for it has been raining torrents. But the rains do not seem to dampen the spirits of the people here, for last evening an amateur troupe, headed by Mrs. Schutz and Abe Mensor, a former resident of your town, gave a very amusing and entertaining exhibition, consisting of songs, charades and tableaux. This was followed, as usual, by a dance, in which everybody and the rest of mankind participated.

I met Mr. Kelley, the agent of the Portland Milling and Mining Co. He informed me that the company have their mill constructed and now running, crushing some splendid quartz, taken from a ledge near the old Enterprise mill. This company and the English company, who are working the gravel-beds at Galice Creek, are making the people of Josephine very hopeful of the future.

Yours, *

FINANCIAL REPORT.—The following is a report of the financial transactions of the late County Fair:

Table with columns: Receipts, Disbursements, Balance on hand. Total receipts: \$303.04. Total disbursements: \$299.76. Balance on hand: \$3.28.

PALACE HOTEL.—Bradley and Rulofson, the leading photographers of San Francisco, have placed us under obligations for a photographic view of the celebrated Palace Hotel, lately opened in that city. It is a splendid picture, and can be had for 50 cents a copy.

RAIN-FALL.—Peter Britt informs us that six inches of rain fell during the past week or two of rainy weather, as denoted by his rain gauge, which is almost as much as fell during the months of January, February and March of the present year.

THE BANNER PRECINCT.—Jacksonville is the banner Democratic precinct of the State, having given Lane 80 majority over all other candidates, which is the largest majority he received in any one precinct. Hurrah for Jacksonville!

FOR SALE.—Those desiring a first-class sewing-machine, brand new, at less than first cost, can be accommodated by calling on E. C. Brooks and examining one of the celebrated Wilcox & Gibbs' machines.

In Memoriam.

At a regular meeting of Jacksonville Lodge No. 10, I. O. O. F., held on Saturday, October 30th, the following preamble and resolutions were adopted:

WHEREAS, It pleased God in his infinite wisdom to remove by death our well beloved brother, John Neuber, Resolved, That in the death of our brother our Lodge and the fraternity of Odd Fellowship have lost a zealous and active member, and society an esteemed and respected citizen.

Resolved, That we tender to the family of our deceased brother our most heart-felt sympathy in this hour of their affliction, and commend them for consolation to Him who doeth all things well.

Resolved, That the Lodge be draped in mourning and the members wear the usual badge of mourning for thirty days.

Resolved, That these resolutions be spread upon the minutes of the Lodge, and that a copy thereof be furnished each of our town papers for publication and a copy under seal of the Lodge be sent to the family of our deceased brother.

WM. M. TURNER, SOLOMON SACHS, KASPAR KUBLI, Committee.

OFFICIAL RETURNS OF JACKSON COUNTY.—The following is the official vote of Jackson county, as canvassed by the proper authorities on Wednesday last:

Table with columns: Precincts, Lane, Warren, Whitney. Total: Lane 192, Warren 159, Whitney 27.

Florence Rock and Big Butte precincts failed to report in the prescribed time, perhaps owing to the polls not being opened.

Dimick, Temperance candidate, received four votes in Eden, one in Ashland and one in Leland, making six votes in all.

Lane's majority over Warren is 192; his majority over all is 159.

STREAMS RAISED.—The late rains raised the various streams so as to render it for a time almost impossible to cross them. Slate creek, in Josephine, was so high Saturday that the stage was delayed nearly twenty-four hours in making the trip to this place. The stages from the North and South are behind hand, owing to the bad roads and high waters. The weather has turned off clear again, however, and the mails will doubtless arrive with more regularity.

SACHS BROS. are constantly receiving new goods, and have one of the most complete and best assortments of general merchandise ever brought to Southern Oregon. "Quick sales and small profits" is their motto, and those desiring anything in their line will be accommodated at the lowest rates.

ELECTION IN LAKE.—No official news has as yet been received from Lake county, though we have received information, which is considered reliable, to the effect that Lane has carried it by about 50, which is doing very well for the first election held there.

RETURNED.—Judge Prim and Messrs. Watson, Hanna and Dowell returned from Kerbyville last week, where they have been holding Circuit Court. They report the business as having been light and soon disposed of.

The National Gold Medal was awarded to Bradley & Rulofson for the best Photographs in the United States, and the Vienna Medal for the best in the world. 429 Montgomery street, San Francisco.

MARRIED.
