CHINESE KILLED.—A couple of Chinamen, while mining on Jackass, were caught by a cave of dirt and received injuries from which, we learn, they both died.

FOR ASHLAND.—Dr. W. Jackson will visit Ashland on the 15th of this month, when those desiring anything done in his line can then be accommodated in the best style.

RICHER THAN EVER.—Parties lately up from the Fort Lane diggings report the prospects even better than ever.

HOW IS THIS?—We have it from good authority that Dun Leavens, of Douglas county, has been issuing poll tax receipts to Chinese located in this county.

A HANDSOME SPECIMEN.—The large nugget picked up in the Fort Lane diggings some time ago by Jas. McDonough, is now in possession of Robt. Kahler, at the City Drug Store, where it may be seen.

REPUBLICAN COUNTY CONVENTION.—Capt. Caton, Chairman of the Republican County Committee, has issued a call for a county convention, to elect four delegates to the Republican State sanhedrim and nominate a full county ticket, to be held in Jacksonville on April 26th.

PROBATE COURT.—The following proceedings transpired in the Probate Court this week:

H. F. Barron, administrator of the estate of Minus Walker, deceased, filed his semi-annual exhibit, which was approved.

W. Beeson, administrator of the estate of Roxanna Thurber, deceased, files the inventory and appraisal of said estate, which was approved and placed on record.

The final exhibit and settlement of Heruan v. Helms, administrator of estate of John Blattner, deceased, was allowed and said administrator ordered discharged and his sureties released upon filing receipts of claimants against said estate.

In the matter of the final settlement of the estate of John C. Thurber, Sr., deceased, E. D. Foudray, administrator. Same as above.

Adjourned until to-day at 9 o'clock A. M.

LOCAL BREVITIES.

Read James Hamlin's estray notice. Sachs Bros. are selling very cheap. Republican primaries will be held on April 19th.

The political ball in this county is now in motion.

Alex. Watts, of Josephine, was in town this week.

One thousand old papers for sale cheap at the TIMES office.

Squire Gillette and James Woodson, of Ashland, were in town this week.

Several trotters may be seen exercising each morning on Bybee's race-track.

The high waters threaten to take off the bridge crossing Bear creek near McKenzie's mill.

A heavy wind-storm prevailed Monday night, but did no serious damage that we hear of.

The Sisters are having a neat, new fence built around the grounds of St. Mary's Academy.

John Cimborosky has returned from Linkville, where he successfully organized a lodge of Red Men.

We will next week publish a synopsis of the educational history of this county since its organization.

Rev. J. R. N. Bell will hold divine services at the M. E. Church next Sunday morning and evening.

The settlers living in the vicinity of Joe Solomon's store on Evans creek have petitioned for a post office.

All those knowing themselves indebted to the TIMES office are requested to settle, as the money is needed.

K. Kubli, County Treasurer, will shortly leave for Salem to settle Jackson county's portion of the State tax.

Wintry weather still continues, and the farmers who have sowed little or no grain as yet are looking rather blue.

Persons desiring to purchase pianos, organs or sewing-machines, will find superior inducements by inquiring at the TIMES office.

Plenty of rain and some snow has fallen during the past week, which has considerably increased the water supply for mining purposes.

Frank Krause, formerly of this place, but now telegraph operator at Kalama, W. T., is in town on a visit, after an absence of over two years.

Wm. Hoffman and Wm. Ray, as will be seen by advertisement, have applied for a patent to their placer claims in Jackass Mining District.

Cash patents have been received at the Roseburg Land Office for H. F. Barron, E. Wells and J. J. Nichols, of this county, and for David John, of Josephine.

M. A. Houston, one of our efficient County Commissioners, informs us that a very heavy rain fell in Sam's Valley last Monday night, which raised the streams considerably.

Prof. Fleming, School Superintendent, elsewhere gives notice that the quarterly examination of applicants for teachers' certificates will be held on the last Saturday of this month.

An immensely rich quartz ledge, assaying \$1 per pound, is reported to have been found on Cayote creek by a Mr. O'Shea. We trust it is not a myth, as many other quartz stories have proven.

The heavy rains the forepart of this week raised Cow creek so as to make it impassable for the stages, in consequence of which they have been very irregular from both north and south.

J. C. Overbeck, who has been keeping a repair station on the other side of Trinity mountain (Cal.) all Winter, returned home this week, and will soon take a position as telegraph operator under Dr. Plummer at Albany.

Joe Clow has thrown up his position of driver on the Oregon and California Stage Line and has been sojourning in town for a few days past. We learn that he intends starting for Eastern Oregon shortly and will take a band of horses to the Black Hills.

A bloodless affray occurred on Butte creek this week between Arthur Pool and Wm. Sutherland, originating over some trivial matter. Words were first the instruments of warfare, and soon came to blows and stones, when Sutherland rushed into his house and procured a pistol, which he fired at Pool, but missed him. The former was arrested and had an examination before Justice Tinkham Wednesday. H. Kelly, Esq., who was in attendance as his counsel, informs us that Sutherland was bound over in the sum of \$200, which bonds were readily furnished. It is difficult to imagine, from the stories told, who was to blame.

PROCEEDINGS OF THE DEMOCRATIC COUNTY COMMITTEE.

The Democratic County Committee met, pursuant to call, at the office of H. K. Hanna, Esq., in Jacksonville on Saturday, March 4, 1876, and was called to order at 2 o'clock P. M.

Members present—J. W. Manning, John Sizemore, Samuel Furry, H. Klippel, by H. K. Hanna proxy, and J. S. March.

On motion, Samuel Furry was elected Chairman pro tem., and J. S. March, secretary pro tem.

The following resolution was adopted: Resolved, That a Democratic County Convention be held at the Court House in Jacksonville on Saturday, April 15, 1876, at 1 o'clock P. M., for the purpose of electing eight delegates to attend the Democratic State Convention, to be held at Salem April 26, 1876.

It was recommended that the primary meetings for the election of delegates to the County Convention be held at the usual places of voting in the several precincts on Saturday, April 8, 1876, at 1 o'clock P. M.

The representation of the several precincts was based upon the vote given for Congressman La Dow at the general election in 1874—allowing one delegate for every twenty votes cast, and one for every fraction of eleven over. Those precincts where the vote was less than eleven were allowed a representation of one.

The apportionment is as follows:

Table with 3 columns: Precinct Name, Votes Cast, and Delegates. Includes Ashland, Applegate, Big Butte, etc.

It was also resolved that a Democratic County Convention be held at the Court House in Jacksonville on Saturday, May 13, 1876, at 1 o'clock P. M., for the purpose of nominating county officers and the election of a Democratic County Committee. And it is recommended that primary meetings be held at the usual places of voting in the several precincts, at 1 o'clock P. M., of Saturday, May 6, 1876.

The representation of the several precincts will be the same as given for the County Convention to convene on April 15th.

On motion, Committee adjourned. SAM'L FURRY, Chairman. J. S. MARCH, Secretary.

TOWN ELECTION.—The annual election for municipal officers last Tuesday passed off quietly, though considerable interest was taken in some particulars.

The saloons, as usual, were closed during voting hours. One hundred and thirty-eight votes were polled, which is an increase of several on last year's vote. The following is the result:

Table with 2 columns: Candidate Name and Votes. Includes M. Caton, Newman Fisher, J. Nunan, etc.

FOR RECORDER: U. S. Hayden, 113; C. W. Savage, 20; Matt. W. Dillon, 3.

FOR TREASURER: Hayden's majority, 90; Henry Pape, 134.

FOR MARSHAL: James P. McDaniel, 80; J. H. Hyzer, 48.

McDaniel's majority, 32; J. C. Weiss, 138.

SPRAGUE RIVER.—A correspondent just in from Sprague River Valley, Lake county, writing from Ashland, under date of March 4th, gives the following items concerning that section:

The Winter has been quite severe, and should the bad weather continue considerable stock will perish, as hay is getting scarce.

Health has been generally good, although several cases of intermittent fever have been reported.

Some of the citizens of Sprague River Valley are talking of going to Arizona.

There is considerable talk concerning where the county seat is to be located. The people are unanimously in favor of its being located in Lake county somewhere.

BOARD OF TRUSTEES.

The Board of Trustees met, pursuant to adjournment, on Tuesday evening, March 7th, with President Beekman in the Chair, and all the members present.

The Town Marshal made a report of the moneys collected by him in the past year, which was read and placed on file.

The Street Commissioner's annual report was received and read, and supplemental to the same was a report from P. Boschey, as Deputy Street Commissioner, which was also read and examined. The Board refused to receive the Deputy's report, recognizing no such an officer, and ordered both reports to be returned to the Street Commissioner, with instructions for him to embody all road matters in his report.

J. A. Wilson made a written statement to the Board of work done on California street, graveling, etc., amounting to \$58. Referred to the Committee on Public Improvements, with instruction to examine the same and recommend such action as they shall deem proper in the matter.

A petition was received from C. W. Savage, representing that he had previously paid into the Town Treasury \$5 in coin for a billiard license, but did not take out the license, and asked to have the money refunded to him. Referred to the Recorder for examination.

The returns of the election were then canvassed, and the result declared as follows, to-wit: Trustees, J. Nunan, George Brown, David Cronemiller, Newman Fisher and M. Caton; Recorder, U. S. Hayden; Treasurer, Henry Pape; Marshal, J. P. McDaniel; Street Commissioner, Chris. Weiss.

The Recorder was ordered to issue a certificate of election to each of the officers-elect.

It was ordered that the Judges and Clerks be allowed \$2 each for their services.

The Board then adjourned to meet on Thursday evening, March 16th.

JURY LIST.—The following is the list of jurors drawn to serve at the ensuing term of the Circuit Court, which convenes this month: Frank W. Myer, S. A. Carleton, Thomas McAndrews, Dennis Murphy, Albert Alford, George Fordyce, Henry Klippel, John H. Breeding, Feter Boschey, G. W. Lance, Asher D. Heald, Henry Cromer, Frank Miller, George W. Ratlie, Conrad Mingus, John Miller, J. C. Campbell, Isaac Constant, T. L. Beck, C. F. Blake, Jesse Dodge, J. B. Bunyard, Nicholas Wright, J. A. Carter, Lindsey Applegate, J. C. Durkee, David Linn, H. S. Emery, James M. Hoxie, R. J. Cameron, Andrew Davison.

IN MEMORIAM.—At a recent meeting of Kerbyville Grange, P. of H., the following resolutions were adopted:

WHEREAS, It has pleased the Great Ruler of the Universe to call from our midst our brother, E. N. Tolen; therefore, be it

Resolved, That in his death our Grange has lost a zealous member, the community a good citizen, and his family an affectionate husband and kind father, and to them we tender our sympathy in their bereavement.

Resolved, That the secretary of this Grange be instructed to enter these resolutions on the minutes and forward a copy of the same to the family of our deceased brother, and also one to each of the Jacksonville papers for publication.

J. C. ELDER, M. D. L. COOKS, Committee.

FOR DOUGLAS COUNTY.—A. P. Armstrong has secured a school at Day's creek, Douglas county, and will leave about the 15th to assume his charge. He goes highly recommended by Prof. T. M. Gatch, President of the Willamette University, as also by the directors of the various schools he has managed in this county. He has proven himself an industrious and energetic instructor of the young, and will doubtless give entire satisfaction wherever he may go.

"RINGS."—Our cotemporary sarcastically dilates upon the Republican prospects in the ensuing campaign, and says something about gagging rings. Perhaps he can explain what he means, for it would puzzle the average reader to opine what he is driving at. Let us hear from him again on this matter.

CAMPAIGN TIMES.—One dollar will pay for the TIMES from now until after the June election. Those desiring it during that time should send in their names at once.

COUNTY COURT.—The County Court was in session this week, but nothing of particular importance was transacted.

No stage from the South for two days—hence our Ashland notes are missing.

SAM'S VALLEY ITEMS.

Mumps and scarlet fever have both disappeared, and the health of the people is improving.

J. T. Ralme is at present engaged in putting out grape-cuttings, and intends planting ten acres this Spring. He has about half that amount out at present.

Messrs. Houston & Co.'s cinnabar interests are becoming more flattering as they go down in the shaft. The paying ore is now about nine feet wide, and continues to widen as they go down.

Our brotherhood in Sam's Valley is laboring under another one of those terrible convulsions, and the most sanguine are beginning to despair, as it is thought they are now in the very agonies of death.

The farmers are courageously battling against rain and mud in order to get in their crops, and are doing well, considering. Father Pickens has about 140 acres of land plowed, the most of which he has sown. He has a decided advantage over most all our farmers, however, as his soil is sandy and easily cultivated.

The political cauldron is again beginning to simmer, and aspirants will soon be elbowing us around. The general sign of an aspirant in old Table Rock is the wearing of a high plug hat, set on the back part of the cranium on an angle of about forty-five degrees. We have noticed but one of these signs as yet, and it is supposed that his aspirations are very high. There were only two independent votes cast in Table Rock precinct at the last election, and this noble aspirant is a second-cousin to the person casting the first vote. CITIZEN.
