CATHOLIC SUNDAY SCHOOL. — Regular meetings every Sunday afternoon, at two o'clock.

SODA WATER.—Kahler & Bro. are now manufacturing a first-class quality of soda water, and during the warm weather the thirsty can procure this delicious beverage at their establishment.

NOTICE.—The citizens of Jacksonville and vicinity are requested to meet at the shop of M. Caton next Saturday, at 3 o'clock P. M., for the purpose of organizing a cavalry and infantry company.

THE BARNEY BROS.—This Company gave one of their select entertainments at Veit Schutz' hall on Tuesday evening. The performance was excellent throughout, and gave entire satisfaction to the audience present.

GRAND JURORS.—The following are the Grand Jurors for the June term of the Circuit Court, which convened last Monday: David N. Birdseye, foreman; W. G. Bishop, Wm. Mathes, Ed. Hendricks, James Hamlin, Oscar Gilbert, David Cronemiller.

ABSENT.—Chas. Nickell, editor of this paper, left for Yreka Tuesday last on a recreation tour, and will be absent from his post of duty for about two weeks. Our readers must excuse us, if, during his absence, the TIMES is not up to its usual standard.

GONE TO SALEM.—James C. McCully left for Salem this week. He goes there to take his place in the College Base Ball Club, which will participate in the Centennial matches at Portland. Jim is a good "ballist" and the club can't do without him.

SODA SPRINGS.—This place is fast becoming the most popular Summer resort in Southern Oregon, and the Soda Springs House, under the management of A. H. Russell and lady, afford the very best accommodations to guests. Persons in search of health or pleasure should visit them.

PROGRAMME. — The Committee on Arrangements, have concluded to hold a Centennial celebration on the 4th and 5th of July at Bybee's grove, and have completed their programme for the same, which will be found in another column. Prof. J. W. Merritt, of New York, has been secured as Orator, and Prof. Willets of Ashland, as Reader, on the occasion.

ELECTED.—As will be seen by the official vote, which we publish in this issue, Dan. L. Green was elected Senator from Josephine county instead of being defeated, as was reported last week. The people of that county have been wise in their choice, as Messrs Green and Fidler will represent them ably and faithfully in the two branches of our Legislature.

THE ELECTION RETURNS.—The vote of Jackson county was officially canvassed last Tuesday and the result will be found elsewhere. The vote in the county was large—over 1300 ballots being cast. No change was made from the result in our figures last week, except that Jeffry was beaten by Howard for Surveyor. This gives the Pizzarinktums both Representatives, Assessor and Surveyor.

CELEBRATION AT ISH'S GROVE.—The Fourth of July is to be celebrated at Ish's grove, in an appropriate manner. The grounds are to be fitted up in good style, and persons from all parts of the county are invited to be present and participate in the festivities of the day. They will have a picnic dinner and those attending are requested to bring a supply of edibles with them.

FROM GALICE CREEK.—We learn from F. L. Mace, who returned from Galice creek this week, where he has been in the employ of the English Mining Company for some months, that that company has suspended work on the Thoss claim on account of the scarcity of water. He states that the company intend running a ditch this Summer from the Reed diggings to these claims, a distance of about three miles, which will enable them to work the claims throughout the year.

LOCAL BREVITIES.

Cherries are now in the market.

The District School of this place closed on Friday.

Circuit Court will adjourn about the middle of next week.

Kahler & Bro. received a supply of drugs, medicines, etc., last Tuesday.

The Sisters school in this place will close for the Summer vacation to-day.

The street sprinkler was out this week for the first time during the season.

Madame Holt has been putting up awnings and otherwise improving the Franco-American.

Our friend, Simon Caro, has gone on a trip to Soda Springs for his failing health. We trust he will be benefitted.

The Barney Bros. will give an entertainment at Veit Schutz' hall Saturday evening. Don't fail to attend.

The weather has turned warm again, and the thermometer has been as high as 85 in the shade every afternoon this week.

Over $300 has been subscribed by the citizens of this place to aid in getting up the celebration at Bybee's grove.

The roads between this place and Roseburg have once more become good, and the teamsters are now making quick trips.

The Jacksonville Social Club will give a dance on both evenings of the Centennial Celebration, July 4th and 5th. Tickets, $1.

The Teachers' Institute for this county will commence at the school house to-day, at 9 A. M., and will continue over Saturday.

A raffle for a Spencer rifle took place at Pape's saloon last Saturday. Judge Watson and S. Arrasmith were the lucky winners of the prize.

It is expected that several of the Lodges in this city will turn out in regalia and assist at the celebration of the Fourth at Bybee's grove.

The calico ball given by the Jacksonville Social Club Wednesday evening was a very pleasant affair, dancing being kept up till midnight.

If you want to buy goods cheap go to Ben Suchs', as he is now selling off his entire stock and intends to close out his business by the first of October.

Henry Pape moved into his elegant new saloon last Saturday, and is now prepared to supply the public with the best quality of wines, liquors and cigars.

We call the attention of mechanics and contractors to the advertisement for sealed proposals for building an addition to the Jacksonville school house which will be found in another column.

A team belonging to J. A. Cardwell became frightened and ran away last Saturday, damaging the wagon to a considerable extent. The driver was thrown from the wagon, but escaped uninjured.

Jacob Ollefer, merchant tailor, publishes an advertisement elsewhere. Persons wishing any work done in his line should give him an order, as he is a competent workman and will insure entire satisfaction.

George A. Webb, assignee of A. W. Sturges, bankrupt, will offer for sale at public auction, on June 29th, some mining claims and ditches belonging to said bankaupt. See advertisement elsewhere.

GRAND JURY REPORT.—The following is the report of the Grand Jury on the county records and buildings:

We, the Grand Jurors of the June term of the Circuit Court for the county of Jackson, State of Oregon, beg leave to submit the following report, to-wit: We have carefully examined all the public records belonging to said county and also the public buildings, and find the records kept in a neat and appropriate manner. The county jail is in an excellent condition and well kept. The Court House, although suffering in appearance in comparison with many of the Court Houses of the State, we can, in view of our high taxes, no more than recommend to be repaired, by re-plastering and making such other repairs as may be necessary. The Clerk's and Sheriff's offices we recommend to be newly painted and fitted up inside.

D. N. BIRDSEYE, Foreman.

THE project of having a three-days celebration of the Fourth of July at Ish's Grove has been abandoned, owing to a lack of interest being taken by the people of the county—a report of the Finance Committee in but one precinct having been received. This is to be regretted, as it was hoped that a general celebration of our National Anniversary would be held in which the citizens of all the different sections of the county would participate.

ASHLAND ITEMS.

Ashland is overflowing with new goods.

The average citizen now revels in ripe strawberries and cream.

W. A. Hamilton, of Crescent City, is visiting his friends in Ashland at present.

M. H. Drake passed through town yesterday with a fine drove of cattle from the Willamette Valley.

Ab. Giddings started for Nevada yesterday. He goes with his team for the purpose of teaming in that section of the country.

A paper is being circulated in Ashland for the purpose of raising funds to be expended in repairing a portion of the S. O. W. Road.

The champion croquetist lives in Ashland. The reason we think him champion, arises from the fact that he "skunks" us five games out of every six.

Jay Beach tarried with us a short time this week. He seemed to be in considerable of a hurry, and many rumors are afloat concerning his intentions.

J. M. Sutton failed to get out an issue of the *Ashland Tidings* last Saturday, as he expected. This failure was caused by the continued absence of his foreman.

Politics have simmered down since the election from boiling to about fever heat, and another week will probably elapse ere the excitement will have entirely subsided.

I. C. Applegate, of Lake county, is with us again. He says the best opening he knows of now is up Salt River. He has been "thar." There must be quite a settlement up there since the election.

Our friends, Geo. Stephenson and family, intend starting for Oakland, Cal., ere long. It is their intention to permanently locate there. We are sorry to lose such estimable citizens as Mr. and Mrs. Stephenson.

ROB ROY.

Ashland, June 13, 1876.

ROBBER CAPTURED.—A man was arrested in Roseburg on the 8th, by Deputy Sheriff Hogan, of Douglas county, who is supposed to have committed the stage robbery near Coles on June 2d. It seems that A. H. Burrows, of Yreka, while returning from a recent trip to Roseburg, met a man in the Canyon whom he recognized as a suspicious character who had been stopping around Yreka for a few days and who had left there just before the robbery occurred, and he immediately suspected him of being the felon. When he arrived at Coles' he got further information concerning this fellow, which confirmed his opinion and he telegraphed to the Sheriff of Douglas county to arrest him, which was immediately done and the man lodged in jail, where he now lies awaiting the requisition of the Governor of California. There seems to be but little doubt that this is the thief, as a diagram of the foot-prints, taken at the place where the treasure box of Wells, Fargo & Co. was broken open, exactly corresponds with his feet, besides many other circumstances go to implicate him in the affair.

SCHOOL MEETING.—Pursuant to adjournment, 36 electors of this School District met at the school house Friday, June 9th, at 4 o'clock P. M.

George Brown, Chairman of the Board of Directors called the meeting to order.

Minutes of the previous meeting were read, and on motion, approved.

Mr. Beekman moved that the contemplated addition be built in accordance with the plan exhibited—not to cost over $1700, and that the Directors be authorized and requested to have said addition constructed and ready for occupancy at the close of the vacation.

The motion was carried.

On motion, the Directors were instructed to advertise for bids in the local papers and to give ten days notice to all persons desiring to contract for the building of the same.

A motion complimenting the manner in which the Directors conducted the business of the school was carried.

On motion, the meeting then adjourned.

SISKIYOU COUNTY FAIR.—Judge Tolman, Vice President of the Siskiyou County Agricultural Society, handed us this week a programme of the eleventh annual fair of that society, which will commence at Yreka, Oct. 10th. The pamphlet was printed at the *Journal* office, and is very neatly gotten up.

Gleave and Wm. Comstock were appointed viewers, and M. Lindsley surveyor.

John Cardwell, John Sizemore and Joseph Douden, who were appointed at the May term to view a proposed change in the county road leading from Rock Point to the Saltworks, through the lands of O. Ganiard, reported favorably of said route and recommended that the change be made. The report was accepted and said change ordered by the Court.

The petition of citizens of Flounce Rock precinct for a change in the place of voting was granted, and place changed to the house of Uriah Gordon.

Thos. Wright was appointed Road Supervisor of District No. 10, *vice* N. C. Dean deceased.

A number of accounts were allowed.

FOURTH OF JULY.—The citizens o Jacksonville have determined upon having a celebration of the Fourth at Bybee's grove, and are not perfecting arrangements to make a grand success of it. The following are the proceedings of a meeting held in the Court House last Saturday for the purpose of taking this matter under consideration:

Pursuant to call, the citizens of Jacksonville and vicinity met at the Court House on Saturday evening, June 10th, for the purpose of arranging to celebrate the approaching anniversary of American Independence in a suitable manner.

The meeting was organized by the election of Henry Klippel as Chairman and C. W. Savage, Secretary.

On motion, a General Committee of five, consisting of Geo. Brown, Herman Helms, James A. Wilson, Max Muller and Milo Caton, was appointed to make the necessary arrangements to carry out the will of the meeting and to make a grand success of our Centennial Celebration.

On motion, it was ordered that the proceedings be published in the town papers.

On motion, the meeting adjourned.
