GENERAL NOTES AND NEWS. Curry county has a Beecher case. Tilden is opposed to Chinese Immigration. Plymouth church has fixed the salary of Beecher at \$20,000 annually.

General John A. McClernand, of Illinois, was elected Permanent Chairman of the St. Louis Convention, and, upon being conducted to the platform, made the following remarks. Gentlemen of the Democratic National Convention—I thank you for the distinguished honor which you have done me in directing me to preside over your deliberations.

There are no enemies of the Union to-day on this Continent except that administrative centralism which is congregating at the Capital, the vital currents which ought to flow out through every part, giving life to the furthest extremities of the body politic and energy to all its members.

THE ALBANY DEMOCRAT learns from W. C. Griswold, of Salem, that he has in contemplation the rebuilding of the Willamette Woolen Factory, and of rebuilding it in Albany.

MAJ. GEN. McDOWELL will succeed Maj. Gen. Schofield in command of the military division of the Pacific, and he is expected to arrive here for that purpose on the 20th inst.

HON. J. C. AVERY, a prominent citizen of Corvallis, died a few days ago. Also at Astoria, Simon N. Arrigoni, the once popular hotel man of Portland, is no more.

THE EFFECTS OF MEACHAM'S WARM Springs Indian show were sold at auction at Northampton, Mass., a few weeks ago. The speculation indulged in by the ex-Indian Agent was a decided failure.

HON. L. F. LANE sent J. O. Booth, of Umpqua valley, a specimen quantity of barley for him to test on Oregon soil last spring. The barley is now in head, and the straw is much longer and the heads double the length of common Oregon barley.

RATES OF ADVERTISING.

Advertisements will be inserted in the Times at the following rates: One square, one insertion, \$1.00; each subsequent one, 1.00. Legal advertisements inserted reasonably. A fair reduction from the above rates made to yearly and time advertisers.

THE ALDEN PROCESS. We are pleased to notice the evidence of the success of the Alden Process in our State. We are informed by the agent, O. P. Beardsly, says the Salem Statesman, that his sales this season are quite as extensive as last year, and that they extend into Eastern Oregon, into Southern Oregon as far as Jacksonville and even into Coos county.

Mr. Beardsly is authorized by the company he represents to offer \$5,000 to any of these so-called rivals if they will test their machines by the side of the Alden and demonstrate that they can do one half as much work and do it as well, with the same cost of apparatus.

Our observations lead to the belief that whenever the fruit becomes known, its future use will become a fixed fact, at remunerative prices. The market for it will be, in the course of time, in every civilized portion of the world, and the demand almost unlimited.

SINKING OF A HOTEL INTO THE EARTH—The St. Louis Journal of May 13th says: "Considerable excitement was created in East St. Louis yesterday morning on the discovery that the Belleville House, a two story frame, just south of the Pittsburg Railroad and Coal Company's dike, near the southern limits of the city, had disappeared in the quicksand.

FLOWERS.—How beautiful are flowers! Bring one of the commonest field flowers into a room, place it on a table or chimney-piece and you have brought a ray of sunshine into place. They are a sweet enjoyment, coming as messengers from the country and seeming to say, "Come and see the place where we grow."

AN EXCHANGE SAYS: "New York ladies wear nothing but the gypsy hats." And unless the brim of the hat is at least four feet deep, and turns down all around, we should think a modest man would want to leave that city.—Norristown Herald.

A Baltimore correspondent writes: "A merchant who does not advertise can no more succeed than a young lady who does not wear a bustle."
