

TILDEN & HENDRICKS! GRAND DEMOCRATIC RALLY! NEXT SATURDAY EVENING, July 8th, In Jacksonville.

The Democracy of Jackson county will ratify the nominations of Tilden and Hendricks by a grand Democratic rally next Saturday evening. Speakers and music will be in attendance. The speaking will be held in open air and will commence at eight o'clock. Turn out, everybody!

THANKS.—The Jacksonville Social Club returns its thanks to the public for the large attendance that honored its parties on the 4th and 5th.

TEMPERANCE RALLY.—A grand temperance rally is to be given by the I. O. G. T. at the M. E. Church in Jacksonville Wednesday evening, July 12, 1876. A general invitation is extended to all.

FIRE.—George Black's cabin, a few miles south of town, was totally destroyed by fire one morning this week, at about four o'clock. Black and another man sleeping in the cabin at the time barely escaped with their lives. The origin of the fire is unknown.

FROM LAKE.—Newman Fisher returned from Lake county this week. He reports the loss of cattle quite severe last winter. Stock is rather poor yet, but rapidly picking up. Several cattle buyers have been in that section, but desiring to purchase beef cattle are rarely accommodated.

INSTALLATION.—The following officers of Jacksonville Lodge No. 10, I. O. O. F., were installed on Saturday evening, July 1st, by John A. Boyer, D. D. G. M.; T. B. Kent, N. G.; J. H. Hyzer, V. G.; J. H. Penn, R. Sec.; J. P. McDaniel, R. S. N. G.; John Hockenjos, L. S. N. G.; J. E. Kellogg, R. S. V. G.; E. Band, L. S. V. G.

ASHLAND VICTORIOUS.—The game of base ball between the Ashland first nine and the Yreka nine resulted in a victory for the former. The following telegram will explain itself:

ASHLAND, July 6, 1876. EDITOR TIMES:—Ashland Base Ball Club defeated the "Green Horn" Club of Yreka on July Fourth by eight runs. Score—forty to thirty-two. C. H. GILLETTE

CELEBRATION AT FOOT'S CREEK.—The celebration of the Fourth at Foot's creek was a success throughout, and all who were present report having had a good time. J. H. Whipple read the Declaration of Independence in an excellent manner, while the oration by N. Langell is said to have been an able and interesting one. The Orme Bros. and F. Luy furnished excellent music for the occasion.

PERSONAL.—Judge L. L. McArthur, of the Fifth District, passed through town on the Fourth en route for the Eastern States. He will also visit Philadelphia before returning.

L. Horne has returned from Eureka. We learn that he will remove there with his family ere long.

C. C. Beekman left on a trip to the East the other day.

M. Mensor has gone to California to look for a business location.

J. M. Cook intends leaving for his old home in Missouri in a few days, to be gone about a year.

Hon. W. W. Fidler, of Josephine, was in town this week.

Judge Prim, H. K. Hanna, E. B. Watson, A. C. Jones, C. W. Kahler, B. F. Dowell and J. R. Neil returned from Lake last week.

THE FIREWORKS.—Several fine pieces of fireworks were ordered for the display last Tuesday evening, but owing to the lateness of the time at which they were sent for it was impossible to get them here, and Wells, Fargo & Co. would not receive them. It will readily be seen by the following from Church & Clark, to whom the order was sent, that the Committee on Fireworks were not to blame for the meagreness of the display:

SAN FRANCISCO, June 23d. We regret to inform you that the Express Company refuses to take the goods ordered of us in your letter of the 16th, on account of the size of the cases, and as we cannot reduce them in any way we cancel the order. Be assured we have done our best to serve you and feel very sorry to disappoint you. Yours, very respectfully, CHURCH & CLARK.

THE FOURTH IN JACKSONVILLE.

The Centennial anniversary of American Independence was celebrated in fine style and with much animation in town on Tuesday and Wednesday last. Although preparations for the event were commenced rather late and considerable opposition was manifested by some, the celebration was in every particular about the best that has occurred in this section.

About four o'clock Tuesday morning the denizens of Jacksonville were aroused by the firing of cannon and by half-past eight the roads were lined with vehicles of all kinds from every portion of the county on their way to Bybee's Grove, the scene of the celebration.

It was almost ten o'clock before the procession was got into shape by the Grand Marshal, Thos. T. McKenzie, and his aids, T. G. Reames and Judge Watson, and left the Court House. It presented a very creditable appearance, attracting much attention as it made its way to the Grove, headed by the Jacksonville Brass Band of seven pieces, which discoursed excellent music as it went. Following the band wagon came the car containing the young ladies dressed in the quaint costume of 1776 and representing the thirteen colonies, together with a representation of Geo. Washington; the car in which were the Goddess of Liberty and Angel of Peace, three boys representing the Army and Navy and Gen. Grant and thirty-eight little girls personating the various States of the Union; the carriage containing the orator, reader and chaplain; the members of Jacksonville Lodge of Odd Fellows in regalia; the Jackson county cavalry in full uniform and equipage; the Mulligan Guards, elegantly rigged in paper caps, ducking and wooden guns, and all marshaled by Capt. C. T. Conroy, who personated Uncle Sam to perfection. Citizens in vehicles, on horseback and on foot, completed the procession, which was of considerable length and quite gorgeous to see.

Arriving at the Grove, the crowd repaired to the stand prepared for the event, where the programme of the day was carried out, commencing with an appropriate prayer by Rev. M. A. Williams. After a national anthem excellently rendered by the Glee Club, Prof. Willis, of Ashland, read the Declaration of Independence in first-class style. The band favored the auditory with another air, when Prof. J. W. Merritt was introduced to the audience and delivered one of the best orations we ever had the pleasure of listening to. It was well received and is highly spoken of by all. After another song by the Glee Club and various tunes by the band the assemblage dispersed for dinner. At about two o'clock the cavalry gave a creditable exhibition of their military skill under the management of Capt. Hyzer and Lieutenants I. W. Berry and E. Kashafer. The fool-killers next made their appearance and amused the audience for some time with their comicalities. The balance of the day was spent in the various amusements the grounds afforded. The crowd present was very large and was evidently well satisfied with the day's entertainment. The display of fireworks in the evening was fair, and would have been much better, had it been possible to get the fancy pieces engaged in San Francisco here in time. After the fireworks, a large number of couples adjourned to the rooms of the Jacksonville Social Club, where several hours were agreeably spent in dancing.

SECOND DAY. The crowd was not as large as yesterday, but still good. The exercises were considerably a repetition of those of the previous day. Rev. J. R. N. Bell officiated as orator and favored the audience with a splendid oration. In the afternoon the principal affair was the base ball game between the Jacksonville and Ashland second nines. Much interest was manifested by the audience throughout. There was considerable good playing done on both sides, though the Jacksonville boys did the best. As will be seen by the score below, the Ashland club was beaten, but they accepted their defeat gracefully and will try to regain their lost laurels in a return game at Ashland in August.

THE CELEBRATION AT ISH'S GROVE.—A very fair crowd assembled at Ish's Grove on Tuesday last and celebrated the Fourth in an appropriate and pleasant manner. The programme is reported to have been well rendered and gave general satisfaction. The audience present was favored with some first-class singing, an appropriate prayer by Rev. M. Peterson, while Miss Annie Miller read the Declaration of Independence in excellent style and Rev. J. R. N. Bell delivered an oration which is highly spoken of and was well received. At the conclusion of the exercises a most bountiful feast was spread, which was enjoyed by the participants. Those who were present report everything as passing off finely.

STORE BURNED.—Joe Solomon's store on Evans' creek was destroyed by fire on the evening of the Fourth. The fire originated from a defective flue at about seven o'clock, while the clerk was cooking supper. Everything was destroyed except the books and two boxes of tea. The loss is estimated at from \$5,000 to \$6,000. Insured for \$3,000.

A GOOD APPOINTMENT.—Sheriff Manning has appointed Horace B. Seybert, of Eden precinct, as his Deputy. Mr. Seybert is an old resident of this county, well qualified for the position, and will doubtless make a good officer. He is moreover a good Democrat.

CAMPAIGN TIMES.—We will furnish the TIMES from now until the end of the Presidential campaign in November for \$1. Send in your names.

REMEMBER the Democratic ratification meeting to-morrow evening. A rousing time may be expected.

NEW BARN.—Sheriff Manning is building a new barn on the flat near the school house.

Time of game, 3 hours and ten minutes. Umpire—Chas. L. Mosher; scorers—Wm. Rieck for Jacksonville, H. Chitwood for Ashland.

The Jacksonville boys invited their opponents to a supper at Madame Holt's, prepared especially for the occasion, at the conclusion of which they parted midst the best of feeling to meet again at the party of the Social Club, to which they had all been extended a complimentary invitation.

With the two parties that occurred in the evening—one at the Social Club rooms and the other at Velt's hall—both of which passed off pleasantly, the celebration of the Centennial year in Jackson county closed, and was a great success throughout.

COMPANY INCORPORATED.—Some of the owners of the Yank ledge, on Galice creek, have joined their interests in that affair and incorporated a company on the 26th of May last for the purpose of working it. The incorporation is known as the "Galice Mill and Mining Company," the capital stock being placed at \$1,000,000, in shares of \$10 each, and announces as its object the working of the Yank lode and the buying, selling and locating of mining claims. John Bilger, N. Thoss, Fred. Fisher, Chas. Sanders, D. C. Courtney, B. A. Rawley, E. C. Brooks and W. F. Courtney are the incorporators. The stockholders held a meeting and perfected an organization on May 29th, adapting constitution and by-laws and electing the following officers, who hold until July 1, 1877: W. F. Courtney, President; John Bilger, Treasurer; J. H. Penn, Secretary; Fred. Fisher, Superintendent; John Bilger, Nicholas Thoss, W. F. Courtney, Fred. Fisher and Charles Sanders, Directors. From J. H. Penn, the Secretary, we learn that 40,000 of the whole number of shares are held as a reserve fund and 7,000 of these are unassessable. The balance of the shares will be put in the market for the purpose of raising funds for the development of the ledge, and are started at 50 cents each, with an assessment of 10 cents on the share. Fifty-two thousand shares are already taken. A revenue of about \$700 is thus raised monthly, with which the Company will proceed. Monthly assessments of a like amount are authorized, until the value of the stock is reached, if deemed necessary. The requisite tools, including a complete assaying apparatus, have been ordered, and the working of the Yank will soon be commenced in earnest. This enterprise cannot but be of the greatest importance to this section, and we are pleased that a company of enterprising men, as those certainly are, have taken hold of it with such commendable energy. That it will prove an entire success is the hope of all.

APPOINTMENT.—The following is my plan of appointments: 24 Sunday in July, Sam's valley, commencing Friday before. 34 Sunday in July, Brownsborough, Saturday before. 4th Sunday in July, Taylor's Ferry, Saturday before. 3th Sunday in July, Ashland, Saturday before. 1st Sunday in August, Linkville, Saturday before. 2d Sunday in August, Evans' Creek, Saturday before. 3d Sunday in August, Applegate, Quarterly Meeting. 4th Sunday in August, Jacksonville, Quarterly Meeting. The officary will please attend—especially the Quarterly Conferences. J. R. N. BELL, Pastor.

RUBBER STAMPS.—Everyone should embrace the present opportunity and furnish themselves with one of those neat and durable rubber stamps for marking clothing, cards, envelopes, &c., &c., with indelible ink. Order from F. H. Wing, proprietor of that elegant wagon, soon as possible, as his stay in Jacksonville will be of short duration.

NOT A VERY CREDITABLE TRICK.—The person who posted the notices the night before the Fourth that there would be no celebration at Ish's Grove didn't play a very nice trick, to say the least. There were quite a number who were turned away before the "sell" was discovered, and went elsewhere to celebrate.

COUNTY COURT.—The new Board of County Commissioners met yesterday, Judge Day and Commissioner Furry being in attendance. But little business of importance came up for transaction.

SWORN IN.—The county officers elected at the June election—at least a majority of them—having filed their bonds and been sworn in, entered upon the discharge of their duties on the 1st.

ICE has made its appearance in town.

LETTER FROM ASHLAND.

ASHLAND, July 4th, 1876.

TO THE EDITOR OF THE TIMES: We are grieved to chronicle the death of F. M. Hendricks, a former resident of this place. He had lived the past Winter in the Willamette valley, where he contracted that fatal disease, consumption, and, not long since, he moved out here in the hopes of benefitting his health. He leaves a wife and a number of children to mourn his loss. May he rest in peace.

Our Centennial celebration passed off nicely and successfully. The day was heralded by the ringing of bells and firing of cannon. At nine o'clock a large concourse of people formed in procession in the public square and marched to the grove. Noticeable in the procession was the Liberty Car, handsomely decorated and containing young ladies and little girls representing respectively the Goddess of Liberty, Angel of Peace and the several States of the Union. It was just the thing for the occasion, and our little folks were in the height of their glory. The music for the occasion was very appropriate and well rendered and the Declaration of Independence was read by Miss Kate Thornton in a style that covered her with honor. That great document seemed like an inspiration as it came from the lips of the reader. Our pen utterly fails to do the oration of Mrs. Goodchild anywhere near justice. All we can say is it was perfectly elegant and an honor to the occasion. We believe it was the first oration by a lady we have ever had the pleasure of listening to on that memorable day. The poem was well read by Miss Fanny Myer and after it was finished we had the pleasure of listening to a short speech from Prof. J. H. Skidmore. It was one of his happy hits, just to the point, and was well received by the audience. He is an excellent speaker and always commands the closest attention of his hearers. Our tables presented a nice appearance and were well laden with provisions, the most conspicuous dish being the ox cooked whole by Mr. Houck. After dinner the people were generally entertained by toasts and were amused by the appearance on the ground of the "soldiers" of 1776 and 1876. Swinging and ice-cream also contributed considerably toward the amusement and comfort of the people assembled, and taking it all in all, our celebration was a grand success and will long be remembered by our citizens.

The most important part of the programme was the marriage of J. M. McCall to Mrs. E. Brown. The ceremony was performed by Rev. J. H. Skidmore, after which the happy couple went on their way rejoicing, taking part in the Fourth of July exercises. Rob Roy.

The Fourth in Sam's Valley.

SAM'S VALLEY, July 5, 1876.

TO THE EDITOR OF THE TIMES: The celebration of the Fourth in this section was a success, and exceeded the expectations of the most sanguine. The citizens met at Col. Ed. Morgan's at half-past 9 o'clock and formed in line of procession, in which all of the different orders of the valley participated. First in position was the O. U. R.; second, the I. O. G. T., and third, the P. of H., which were followed by many citizens, accompanied by a band of splendid music, to the stand on the celebration grounds. A prayer, suited to the occasion was then offered by the Rev. F. Dingman, after which we had singing by the Glee Club. Then came the effective reading of the Declaration of Independence, by J. S. March, followed by the oration of Prof. W. J. Stanley, of Illinois, which was able, lengthy and appropriate. The Glee Club again did themselves great credit in furnishing splendid music. A very cordial invitation, by Marshal M. A. Houston, was then extended to all to march up to two spacious tables, of about 100 feet in length, each loaded down with a plentiful repast of luxuries of all kinds which would have done honor to the feasts of ancient Kings, which speaks well for the patriotism and liberality of our citizens, of which none are more deserving of praise than our patriotic and energetic lodges of Sam's valley and vicinity, who superintended the getting up of this plentiful and magnificent repast for the celebration of the first Centennial Fourth of July of our national existence. After partaking of the repast the young folks began to engage in the various amusements of the evening, such as dancing, swinging, and all appeared to enjoy themselves to the fullest extent, till the lateness of the evening warned them that they must depart for home. OBSERVER.
