

THE North Pacific Mutual Life Association of Portland is purely mutual, simple, plain and easily understood.

HILL'S MANUAL.—L. S. Bates, the agent of this work, will deliver it to subscribers in Sam's Valley and other places next week, commencing on the 15th.

Now is the time to insure in a home institution while the agents of the North Pacific Mutual Life Association of Portland, Oregon, are in the county.

FIRE.—The residence of Wm. Bailey, of Foots creek, was totally destroyed by fire on Sunday before last, while the family was at church. The origin of the fire is unknown. Loss, about \$500.

FOR HAPPY CAMP.—George W. Frey intends leaving for Happy Camp, Cal., in a few days, where he intends setting up shop. He will take his family with him. George is a good workman and we wish him success.

REAL ESTATE TRANSACTIONS.—S. Plymale has sold his house and lot on Oregon street to Mrs. Shibley for the sum of \$1,047. Geo. W. Frey has sold his residence on California street to James P. McDaniel for \$275.

RELIGIOUS APPOINTMENT.—Rev. Ephraim Barnes, of Surprise Valley, Cal., will preach at the meeting house near John Lewman's, on William's creek, next Saturday, at four o'clock, P. M., and on the following Sunday morning at eleven.

OPERATIONS COMMENCED.—G. W. Holt is now engaged in breaking the ground for his proposed hotel on the lot formerly occupied by the U. S. Hotel. The building is to be of brick and two stories high. It will be a valuable addition to the town, and everybody hopes for its early completion.

RETURNED.—W. C. Myer returned with his Percheron horses from the Willamette Valley last Sunday, after several months absence. Mr. Myer intends being at the State Fair with a fine collection of Percheron stock. He is having a stable built at Salem for the accommodation of his animals.

I. O. F. CELEBRATION.—September the 20th next is the day appointed for a national celebration by the Independent Order of Odd Fellows, and Jacksonville, Ashland and Kerbyville lodges will hold a joint picnic at Bybee's Grove on that day, to which all are invited. The programme will be announced hereafter.

TRADE DOLLARS.—The merchants of town—at least a majority of them—have decided to hereafter take trade dollars at only 90 cents. It will have the effect of preventing this section from being flooded with this depreciated money, though it may work a hardship on those who have a considerable amount of them.

"MUCH ADO ABOUT NOTHING."—The Yreka Union labors under the wrong idea that Jackson county will be able to supply the home market this year. The crops, owing to the unusual circumstances, are not as large as generally, but with the remainder of last year's surplus this section is able to supply the home consumption and have plenty left for export.

DIED.—Henry Remme, formerly foreman of the Sentinel, died at the residence of his mother in Yreka on the 8th, aged 21 years, 8 months and 4 days. He was taken sick last winter, since which time he has been failing, until death relieved him. His affliction was consumption of the bowels and kidneys. He leaves a mother, brother and two sisters, and a large circle of friends and acquaintances to mourn his untimely death. May he rest in peace.

THEATRE.—The Sawtelle Troupe, composed of several first-class male and female actors, is now on its way from California and billed to play at this place this and to-morrow evenings. J. Al. Sawtelle, the leading player of the company, has performed in San Francisco, Portland and other cities, and in the character of Rip Van Winkle is said to be immense. The Yreka papers speak highly of the troupe, and we have received a letter from a friend there recommending it as the best that has passed through Northern California for years. For particulars, read the advertisement elsewhere.

White & Kearns' Minstrel Troupe performed at the Social Club Rooms last Monday and Tuesday evenings to good audiences. The performance was fair.

C. C. Beekman this week received a splendid clock from San Francisco, which is about the largest and finest in town. It also keeps the day of the week and month.

Assessor Childers informs us that he has about completed assessing the county. The assessment roll will not be as large as last year, owing to the decrease in the valuation of stock.

Uncle Jimmy Leslie has returned from a trip to Josephine and Douglas counties. He sold his fine Black Hawk stallion to Chas. Duncan, of Josephine, for \$240—a small price.

Laban Buoy, who served as Captain of a company of volunteers in the Indian war of 1855-56 in this section, died at his residence near Creswell, Lane county, on July 31st, aged 74 years.

We have thus far escaped from the smoky weather common every Summer. Fires are raging in the hills southwest of town, however, but are not large enough to create much smoke.

The mill at the E-ther mine, in Josephine, is pounding away at the quartz night and day. The indications are that this month's run will be the most profitable yet made by at least \$500.

The Crescent City Courier says Mr. Diederich intends putting on a stage

line between Waldo and that place, to connect with Charley Griffith's stage. It will be running about the first of next month.

The stage from the South arrived five hours behind time last Saturday, owing to a series of accidents befalling it between Reading and Cole's station. Nobody was hurt and the damage done in each instance trifling.

If the necessary arrangements can be concluded, the "third" nines of this place and Ashland will meet in a match game at Phenix next Saturday. The Jacksonville boys play a "stiff" game for "thirds" and are eager for the fray.

S. C. Taylor, living near Phenix, informs us that he lost his fine Sligart stallion some days ago. He was adventuring in good health when left the evening before, but when found the next morning was in the last agonies of death.

A harvest-hand named Swindon was the other day knocked senseless by a derrick with which he was raising straw at the farm of Jacob Ish. Dr. Callender, who dressed the wound, says it is a slight one, as the blow was glancing.

Donation patents have been received at the Roseburg Land Office for O. D. Hoxie and Frank Ball, of Jackson county, and C. Niday, of Josephine. Also homestead patents for T. M. Hatton, of this county, and Antoine Joseph, Geo. Grotz, John Trimble, of Josephine.

The bill passed through the House by Representative Lane to reimburse Oregon and California for Modoc war expenditures, is still pending in the Senate. It appropriates \$70,000 for Oregon, and not the merely insignificant sum of \$7,000 as transformed by telegraphic error.

NEW I. O. G. T. LODGE.—Rev. J. S. McCain organized Rogue River Lodge No. 275 on July 15th, with nineteen charter members. The following are the officers chosen for the ensuing term: Wm. Savage, W. C. T.; Miss Ada Birdseye, W. V. T.; G. M. Savage, W. S.; Geo. Owens, W. A. S.; R. J. Orme, W. F. S.; Mrs. C. Birdseye, W. T.; Alex. Orme, W. M.; Miss Dora Birdseye, W. D. M.; J. T. Bailey, W. C.; J. R. Bailey, W. I. G.; W. Houston, W. O. G.; Miss Hattie Savage, W. R. H. S.; Miss Lottie Schieffelin, W. L. H. S.; E. L. Schieffelin, P. W. C. T. We learn that eleven members have been admitted by initiation since the organization of the lodge.

ANOTHER FINE MINERAL SPRING.—On the south fork of Evans' creek, in this county, near J. B. Thomas' saw-mill, is one of the finest soda or mineral springs. Many invalids have for the past few years been using the water of this spring, and in every instance have received much benefit and in some cases complete relief. It is considered by persons who are acquainted with both, that this spring is similar to and contains equally as beneficial medicinal properties as the celebrated Bartlett Springs, in California. The spring is free to all who may desire to try its waters.

ELOPEMENT.—Jump-off Joe, in Josephine, has a sensation in the shape of an elopement. A girl named Cole, aged about fifteen, has been missing for some days, and as the young fellow who has been courting her and whose name is Williams, is non est inventus, it is supposed they have eloped.

FROM GALICE CREEK.—We learn that the company incorporated to work the Yank ledge has commenced operations and is working day and night hands. The prospects are reported favorable. Fred. Fisher, the Superintendent, was in town this week.

AGENT FOR LAKE COUNTY.—R. B. Hatton, Esq., County Clerk of Lake, is our agent for that section. He is authorized to collect and receipt for all accounts due this office, as well as to receive subscriptions, advertisements, etc.

CATHOLIC CHURCH.—On the occasion of the inauguration of the new "Standard" organ next Sunday, there will be High Mass and a discourse appropriate to the ceremony. The public is cordially invited to attend.

THE North Pacific Mutual Life Association of Portland, Oregon, is based upon the true principles and is conducted by some of the best men on the coast.

MEDICATED baths are expensive. Not so, however, GLENN'S SULPHUR SOAP, a cheap and efficient substitute, which answers the same purpose as far as local diseases of the skin, rheumatism and gout are concerned.

ASHLAND ITEMS.

R. B. Hargadine is slowly recovering from his late indisposition. He is able to be on the streets again.

It costs only ten dollars to hit a "peachick" on the head with a stone. It makes "peachicks" scarceer though.

Mr. Bancroft, of the firm of A. L. Bancroft & Co., San Francisco, was in town last week. He seemed to be talking up the text-book question. Of course he wishes for the re-adoption of the Pacific Coast series—being largely interested therein.

We missed the usual household and kitchen "hints" in the last issue of the Tidings. We would advise our editor *pro tem.* to procure a *bundle* of hints.

The match game of base ball advertised to transpire between the Ashland Base Ball Club and Mystic Base Ball Club of Fort Klamath was played here last Saturday, in the presence of a large concourse of people, who had assembled to witness the progress of the game. The points in the game, from beginning to end, were well played, and both clubs manifested skill in "picking" up balls on fly or foul. The first innings played resulted in favor of the Mystic Club, but the tide turned and the Ashland boys scooped them up to the tune of twenty-five to eight. The following is the score:

Table with columns: Ashland, R. O. Mystic, R. O. Innings, Ashland, Mystic. Totals: 25 27. Innings: 1 2 3 4 5 6 7 8 9. Ashland: 0 5 4 2 2 2 0 10 0 25. Mystic: 2 1 0 1 2 0 0 1 1 8.

Fly catches—Ashland, 6; Mystic, 10. Time of game—2 hours and 10 minutes. Umpire, C. K. Klum, of Ashland.

The game passed off smoothly and the Mystic Club bore its defeat good-naturedly. We would say, in justice to that club, that it is a fine club, and a jollier and better set of boys can not be found than its members. They said our boys got the best of them in that game of ball, but at the ball in the evening they would make it up; and we guess they did. They danced until twelve o'clock, and it was rumored that the clock did not do much good during the hour preceding twelve—that is, it got along slowly. Taking it all in all, we think both clubs had a good time. We were loth to part with the "boys in blue," but they were compelled to return to the Post, so Sunday morning we bade them good-bye and they departed for their home at Fort Klamath.

ROB ROY. Ashland, August 6, 1876.

APPOINTMENT.—The following is my plan of appointments: 2d Sunday in August, Evans' Creek, Saturday before. 3d Sunday in August, Applegate, Quarterly Meeting. 4th Sunday in August, Jacksonville, Quarterly Meeting. The officary will please attend—especially the Quarterly Conferences. J. R. N. BELL, Pastor.

CONTRACT AWARDED.—The sealed bids for putting a roof on the Court House and repairing the inside of the building were opened yesterday by the County Commissioners. Smith & Hockenjos were awarded the contract at \$200, their bid being the lowest.

M. E. CHURCH.—Rev. J. S. McCain will hold divine services at the M. E. Church next Sunday morning and evening. This will be Mr. McCain's last appointment for the conference year.

THE North Pacific Mutual Life Association of Portland, Oregon, has now numbered among its policy holders some of the best men of Jackson county.

QUACKENBUSH, of the North Pacific Mutual Life Association of Portland, Oregon, has taken over 100 applications for policies within the last three weeks.

The National Gold Medal was awarded to Bradley & Rulofson for the best Photographs in the United States, and the Vienna Medal for the best in the world. 429 Monte gomery street, San Francisco.

To Whom it May Concern. ALL THOSE INDEBTED TO THE UNDERSIGNED are requested to come forward and settle immediately, or their accounts will be placed in a lawyer's hands for forced collection. My books must be squared, and I mean what I say. J. C. BELT, M. D. Jacksonville, Aug. 1, 1876.

FOR SALE. A FLOURING MILL, ONE RUN OF burrs, good water power, favorably located in Kerbyville. For particulars, address Kerbyville, Josephine county, Oregon.

ANOTHER OPPORTUNITY FOR THE RELIEF OF THE AFFLICTED.

The Surgeons of the National Surgical Institute, located in Indianapolis; Pacific Division, Alhambra Building, Bush Street, San Francisco, have yielded to the many urgent appeals from their patrons and friends in Oregon and Washington Territories and adjoining regions to revisit Portland. The former visit was highly satisfactory and encouraging, many of the patients then accepted for treatment being now entirely cured, and nearly all are greatly benefited and in a fair way of recovery. Three or more of the Surgeons will be at the Cosmopolitan Hotel in Portland, Oregon, from Monday, the 28th day of August, until Saturday, the 2d of September, 1876, six days inclusive.

They will have with them a great amount of surgical apparatus, appliances, etc., and competent assistants and workmen to change, fit, and make such apparatus as may be required. They will come especially prepared to treat all surgical cases: Paralysis, all kinds of Deformities of the Face, Spine and Limbs, Diseased Joints, Diseased Eyes, Catarrh, Private Diseases, Piles, Fistula, etc. All who wish to avail themselves of the advantages of the Institute, without the long journey to San Francisco or Indianapolis, should do so at this time. No cases will be undertaken without a fair hope of relief. It is needless to say that the institution is entirely responsible, and the largest and most popular of the kind in America, curing thousands annually. Remember the time and place, and come early. Send to the Institute for circular.

MARRIED. WILKINSON—SINGER—On Big Butte, by Rev. F. N. Blanchett, Hiram C. Wilkinson and Miss Martha J. Singer.
