Hannan, Esq., intends building a new residence on the site of his old one on Oregon street. Operations will be commenced forthwith. It will be quite an addition to the town. FINAL PROOF ON HOMESTEAD ENTITIES.—J. C. Fullerton, Receiver of the Land Office at Roseburg, will be in Jacksonville on September 4th and 5th for the purpose of taking final proof on homestead and pre-emption entries.

BASKET MEETING.—There will be a basket meeting at the mouth of Foots creek on Sunday, September 10th next, Rev. J. R. N. Bell officiating. Religious services at eleven o'clock A. M. and three P. M. Everybody is invited to attend.

FROM CALIFORNIA.—W. M. Colvig, of Rock Point, after a several months' sojourn in San Francisco, returned home Sunday last. He speaks in glowing terms of the prospects of the Democracy in California, and says Tilden and Hendricks will sweep that State.

SOCIAL PARTIES.—A pleasant party occurred at the Social Club Rooms on Friday last. Another was given at the same place on Tuesday evening in honor of Misses Cally Miller and Mira Belt, of Salem, who leave this morning for home, after a pleasant sojourn among us. A good attendance was present and an "away-up" time was had.

SUDDEN DEATH.—A. F. Farnham, proprietor of the Eagle Mills, died rather suddenly at his residence near Ashland on the 16th. He had been ailing for some time with pulmonary disease, but his death was unexpected, as he had not been confined to his bed at all. Mr. Farnham was an old resident of this county and leaves a family to mourn his untimely death.

DEMOCRATIC CLUB.—Steps will be taken immediately for the formation of a Tilden and Hendricks' Club in this place. This is an eminently proper step. Every precinct in the county should have one. The best way to develop strength and activity in the coming campaign is by the formation of clubs, and we trust every friend of Tilden and Reform will lend a helping hand.

SMALL-POX NEAR ROSEBURG.—Two cases of this terrible disease have made their appearance near Roseburg, and the greatest of care should be taken that it is not brought to this place again. These cases are both imported, the men having it coming from California by the steamer John L. Stephens, on which a Chinaman was sick with it, and they doubtless contracted it from him. Teamsters and travelers are constantly coming from there, and too great caution cannot be taken, though there is no danger as yet.

LOCAL BREVITIES.

Items very scarce. Vaccination in order now. Fall fights have commenced. County scrip taken at par here. Ben. Sachs takes trade dollars at par. C. C. Beekman left for Salem Tuesday. Mrs. H. Pape has returned from Yreka. Abe Mensor left last week for San Francisco. Hon. Henry Klippel has gone to Beaver creek.

The Ashland Academy will re-open on September 11th. Henry Pape has received another cargo of Yreka beer. Capt. B. B. Griffin has our thanks for a fine water-melon. Major Jackson and wife have arrived at Fort Klamath. R. C. Armstrong has our thanks for a basket of fine peaches. The Jacksonville Social Club will meet to-morrow evening. John Orth has lost several sheep by the deprivations of dogs.

Ben. Haymond, Esq., of Rock Point, favored us with a call yesterday. Reames Bros. have just received a large supply of superior groceries. We were favored with another fine shower of rain last Tuesday evening. Matt. Obenchain killed a sheep last week which weighed 130 pounds net. H. C. Paige, route agent of Wells, Fargo & Co., was in town this week. Thos. Chavner's new bridge across Rogue river is approaching completion.

A new sidewalk around the Post Office is one of the latest improvements. We are under obligations to A. W. Sturges for a bountiful supply of first-class peaches. Trade dollars are liable to be in demand after all, as they are now worth \$1.05 in New York. Several substantial improvements have been made in town this year and more are in progress.

L. Chandler's little girl had her arm broken the other day by falling from a horse near Phoenix. Hon. L. F. Lane may be expected home soon. He will doubtless pass through Jacksonville. Rev. J. R. N. Bell will hold divine services at the M. E. Church next Sunday morning and evening. Simon Lane, brother of Gen. Joe Lane, passed through town from Indiana this week. He is on a visit to his relatives in this State.

Parties in from Goose Lake report that grasshoppers have wholly destroyed some crops there. Agents of all kinds abundant and seem to be doing well; still the cry of hard times is almost everything you can hear now. Judge Prim and E. D. Foudray, Esq., have returned from Beaver creek. They report the cinnamon as fine as ever and game plenty. Cash patents have been received at the Roseburg Land Office for Wm. Bybee and P. Powell, of this county, and J. J. Moore, of Josephine.

The Jacksonville and Ashland first nines will play the return game of base ball at the latter place about September 2d. A good game may be expected. Mrs. J. W. Thompson, of San Diego, Cal., who has been on a visit to relatives in Ashland, returned home last week, accompanied by her sister, Miss Pauline Eubanks. Newman Fisher and Fisher & Caro have the contracts for supplying Fort Klamath with flour and oats and are now filling them. The former also has the transportation contract. Daley & Emery, of the Butte creek Mills, have lately completed repairing the same and are now prepared to grind on short notice. Read their advertisement in another column.

In Justice Kent's Court this week one squaw was arraigned for assault and battery on another. Owing to the sickness of the defendant, the case was adjourned till next Monday. Judge Willis, of Roseburg, passed through town for San Francisco the other day, to test the ore of the Lucky Queen quartz mine of Canyonville and procure new machinery for crushing the same. Some unknown person, without the fear of the Lord before his eyes,

spread poison in town early last Saturday morning, and his labors were rewarded by the death of several dogs therefrom. Wing and Dodge, the rubber stamp men, were arrested near Roseburg the other day, for driving their wagon through a grain field and leaving the fence down. They were discharged upon trial. Lige Livingston, ex-Sheriff of Douglas, on Sunday last passed through town from Lake county, where he went to purchase some mules. He did not buy, as those he desired had already been sold.

The subsistence department at Fort Klamath is authorized to purchase, in open market, at lowest obtainable rates, 1,000 pounds of corn meal, 500 pounds lard, 30,000 pounds potatoes, and 20,000 pounds onions. School Superintendent Farlow was invited to treat on the subject of "History and Constitution of the United States" at the State Teachers' Institute, which convened at Salem on the 23d, but was unavoidably absent. The "museum of living wonders," which was billed to show in this place last Friday, failed to make its appearance. We learn that it was almost totally destroyed by fire at Ashland or Linkville, but are not certain at which place.

A cucumber, representing a large green snake, may be seen at Wheeler's saloon, in Yreka, brought to town from Col. Stone's ranch above Phoenix, where he has cucumbers eight feet in length, twisted into all kinds of shapes. At least, so says the Yreka Journal. COUNTY SEAT OF LAKE.—A mandamus to compel Reuben B. Hatton, County Clerk of Lake, to move the archives of the county to Bullard's creek, in Goose Lake Valley, was argued before Judge Prim last Tuesday. The County Court of that county first ordered Mr. Hatton to recount the votes on the county seat question in connection with two Justices of the Peace, but he refused. He was then ordered by the same authority to remove the papers, records, etc., of his office to Bullard's creek, but he declined. Hence the petition for a mandamus to compel him to do so. The County Court is represented by Messrs. H. K. Hanna and B. F. Dowell, and the Clerk by A. C. Jones, Esq. His Honor has taken the case under advisement.

FROM FORT KLAMATH.—Rufus Mallory, U. S. District Attorney, returned from Fort Klamath last week, bringing with him Quinn, the sheep man, who is charged with killing an Indian. Mr. Mallory left for Portland the next day, leaving his prisoner, who will be tried at the next term of Judge Deady's Court, in the County Jail at this place. Quinn had an examination before U. S. Commissioner D. J. Ferree, who held him to answer in the sum of \$5,000.

MILL COMPLETED.—J. Wimer & Son have about completed their mill on Murphy creek, Josephine county, and will be ready to grind by September 1st next. They will give thirty-seven pounds of flour, eight pounds of bran and two pounds of shorts for each bushel of prime wheat. Their mill is of the latest improved machinery and they guarantee satisfaction. They intend adding a saw mill forthwith and will be prepared to furnish lumber next Spring.

ODD FELLOWS' CELEBRATION.—The members of Jacksonville, Ashland and Kerbyville lodges, I. O. O. F., will celebrate the Centennial year as Odd Fellows by a picnic at Bybee's Grove on Wednesday, September 20th. Appropriate exercises will be had and the whole will conclude with a grand ball in the evening. No pains will be spared to make it a grand success and a good time may be anticipated. Read the programme elsewhere.

BOARD OF EQUALIZATION.—This body will meet at the Clerk's office next Monday, the 28th, to examine the assessment roll and correct any errors in the same. All persons interested should take notice and be on hand, as objections to their assessment will be of no avail hereafter.

RETURNED.—Sheriff Manning and Deputy U. S. Marshal W. A. Owen returned Monday evening from an unsuccessful search after the mail robbers. Three persons have been suspected of the crime, but no clue to their whereabouts has been discovered as yet.

AUCTION.—The undersigned will offer at auction at their store in Jacksonville their entire stock of General Merchandise, consisting of dry goods, clothing, boots and shoes, groceries, hardware and many other articles too numerous to mention. Sale will commence on Saturday, September 2, 1876, and will be continued every Monday and Saturday following, until all is sold. The entire stock will positively be sold without reserve. Come every-body and secure bargains. Those indebted to us are requested for the last time to come forward, pay up, and save expenses. SACHS BROS.

RUNAWAY.—Messrs. Quackerbush and Burnham, insurance agents, while crossing the bridge near the mines between Ashland and Phoenix, says the Tidings, met with an accident in which one of the horses and their buggy were badly damaged. One of the horses got his leg through the bridge, and in his efforts to recover, broke the buggy-pole and, becoming frightened, ran away by jumping out. The team broke every spoke out of a heavy loaded wagon, with which they collided in their mad career.

ELOPEMENT AT KERBYVILLE.—The quiet town of Kerbyville, Josephine county, was thrown into quite an excitement by the elopement of a young couple of that place, whose matrimonial intentions were not at all encouraged by the father of the girl. Being joined in wedlock, they returned home, but we learn the irascible old man didn't by any means kill the fatted calf on the return of his daughter.

DITCH SURVEYED.—J. S. Howard has just completed surveying a new ditch for the English Company at Galice creek, which will be two and two-thirds of a mile in length and carry about 2,400 inches of water. ANOTHER OPPORTUNITY FOR THE RELIEF OF THE AFFLICTED.

The Surgeons of the National Surgical Institute, located in Indianapolis; Pacific Division, Alhambra Building, Bush Street, San Francisco, have yielded to the many urgent appeals from their patrons and friends in Oregon and Washington Territories and adjoining regions to revisit Portland. The former visit was highly satisfactory and encouraging, many of the patients then accepted for treatment being now entirely cured, while nearly all are greatly benefited and in a fair way of recovery. Three or more of the Surgeons will be at the Cosmopolitan Hotel in Portland, Oregon, from Monday, the 28th day of August, until Saturday, the 21st of September, 1876, six days inclusive.

They will have with them a great amount of surgical apparatus, appliances, etc., and competent assistants and workmen to change, fit, and make such apparatus as may be required. They will come especially prepared to treat all surgical cases; Paralysis, all kinds of Infirmities of the Face, Spine and Limbs, Diseased Joints, Diseased Eyes, Catarrh, Private Diseases, Piles, Fistula, etc. All who wish to avail themselves of the advantages of the Institute, without the long journey to San Francisco or Indianapolis, should do so at this time. No cases will be undertaken without a fair hope of relief. It is needless to say that the institution is entirely responsible, and the largest and most popular of the kind in America, curing thousands annually. Remember the time and place, and come early. Send to the Institute for circular.
