

DEMOCRATIC NOMINATIONS.

FOR PRESIDENT: SAMUEL J. TILDEN, OF NEW YORK.

FOR VICE PRESIDENT: THOS. A. HENDRICKS, OF INDIANA.

FOR PRESIDENTIAL ELECTORS: W. B. LASWELL, Of Grant; HENRY KLIPPEL, Of Jackson; E. A. CRONIN, Of Multnomah.

FOR CONGRESS: LA FAYETTE LANE, OF DOUGLAS.

The Old Story.

It is wonderful to see how the Republican press goes back on itself. Before Mr. Tilden was a candidate for President it acknowledged he was a reformer of the true color, a man of great ability and integrity, and a friend of the people.

Statement by Charles Francis Adams.

With Mr. Tilden and this platform the Democratic party stands better morally, before the people, than does the Republican party. Hayes is nothing; respectable, no doubt, but without any record as a reformer.

"Brick" Pomeroy's Paper.

The Democrats of this section, who have heretofore placed confidence in "Brick" Pomeroy, will doubtless seriously question his Democracy when they learn that Republicans are most active everywhere in getting up clubs for his paper.

A Leader Disgusted.

Bob Ingersoll, who led the Blaine crowd in the Cincinnati convention, is discouraged and demoralized at the prospects for Hayes.

HAYES' STUMPERS.

It is said of Governor Tilden, by the press in the interest of the plundering party, that he has been in bad company. This, of course, is a base calumny upon an honest, upright man.

If the Republican press can find any blacker sheep in the Democratic fold than Schuyler Colfax, Belknap, Spencer, Orth, ex-Attorney-General Williams, Schenck, Zack Chandler, B. F. Butler and other noted political tricksters and blacklegs, we would like to have their names and the many dark acts committed by them, in order to draw a comparison; and those are the men who own Mr. Hayes, the candidate for President.

But we are more than confident he will not be elected. We trust the good sense of the people will prevent such a dire calamity to befall this nation and people. Every man of good sense knows that, should Hayes be elected, those blacklegs, assisted by Conkling, Morton, Blaine, old Simon-pure Cameron and "Boss" Shepherd will run the Government in the interest of the plundering ring which now so successfully holds the reins of power and fraud.

It is all moonshine to talk of "reformation" in any party with such leaders as the above. It cannot be done, and the sooner the people understand this, the better it will be for themselves.

President Grant might, with all his faults, have ended his public career in an honorable manner, had he kept those thieves and political blacklegs away from him. But, no; he drew them about him and signs be on it he retires from public life a disgraced man.

Have Done Nothing.

The Radicals have resolved to resume specie payments on the 1st of January, 1879. But they have done nothing to accomplish the object. Suppose a railway company should advertise to carry passengers from Boston to Philadelphia on a certain day, suggests the Hartford Times.

An Exploded Canard.

The Radical press still continues to repeat the often exploded canard that Union soldiers were replaced as employees in the House by ex-Confederates. The fact is that in the Forty-third Congress there were 153 employees, of whom 18, or at most 23, were ex-Union soldiers.

The Case Condensed.

Eight million dollars saved in one year in one State by Governor Tilden, \$30,000,000 saved in one session by the Democratic House, in spite of Senatorial trickery and Executive bullying.
