

HOLD THE FORT.

From all parts of the country comes cheering intelligence for the Democracy. Campfires are seen on hill and in valley, and the indications are that a sweeping victory awaits the Democratic host.

Now the country sees the signal waving in the sky. Tilden, Hendricks, bold appearing, Victory is nigh.

CHORUS. Take the fort, for they are coming, Justice signals still, Wave the answer back to Tilden, In good time we will.

See united rings advancing, Raisals leading on, Millions every day are going, Money almost gone.

CHORUS. See the glorious banner waving, Hear the bugle blow, In our leader's name we'll triumph Over every foe.

CHORUS. Everywhere the battle rages, But success is near! Onward comes our chosen leader, Cheer, reformers, cheer.

WHAT THE PEOPLE SAY.

The people are disgusted and tired with the administration of public affairs by the Republican party. They demand Reform. Their only hope is in the victory of the Democratic party with Samuel J. Tilden as leader and champion.

THE GERMAN VOTERS.—There is no use discussing the happy fact, says the Cleveland Plaindealer, that the German voters of this country are hand in hand with the Democratic party.

THE PROSPECTS IN INDIANA.—The New York Herald has had a special reporter in Indiana to ascertain the probable result in that State in the October election, as it is generally conceded this year that the way Indiana goes, "so goes the Union."

How to tell a new sewing machine from an old one worked over.—Wheeler & Wilson side-feed will number about 900,000 on cloth plate and bed-casting where cloth presser arm is screwed on.

THE REPORT OF SUPERINTENDENT WATKINS, of the state penitentiary, gives the number of convicts in the prison September 1st, 1876, at 104.

WHY HE SUPPORTS TILDEN.—Hon. Porter Sheldon, ex-Republican Congressman of New York, and a warm personal friend of Horace Greeley, is out in a strong letter supporting Tilden.

DURING an examination of a class of youngsters the teacher asked, "What is a monarchy?" and was immediately answered by a bright little boy, "A country governed by a king."

"ARE you going to make a flower bed here, Judkins?" asked a young lady of a gardener. "Yes, miss; they're the orders," answered the gardener.

"Why, it will spoil our croquet ground!" "Can't help it, miss; them's your pa's orders. He says he'll have it laid out for horticulture, not for husbandry!"

DEMOCRATIC PLATFORM

ADOPTED AT SALEM ON APRIL 25, 1876, BY THE STATE CONVENTION.

The Democracy of Oregon in Convention assembled, re-affirms the platform of principles adopted at the last Democratic State Convention, and adopt the following in addition to the same, to-wit:

Resolved, That the action of the Democratic House of Representatives of the United States, in ferreting out corruption and bringing criminals to justice, merits the commendation of every true patriot.

Resolved, That the large influx of Chinese immigration to the States of the Pacific coast of America has been a curse to the country; and that the Chinese are a people that have not, and never can be brought to have, any interest consistent with the welfare and prosperity of our Government and its institutions; and that we pledge ourselves to use our best endeavors for the adoption of such measures as will prevent and cure this growing evil.

Resolved, That our inestimable system of common schools, and our no less valuable scheme of religious toleration, are the workmanship of Democratic hands, and the fruits of Democratic policy; that it is the exclusive right and duty of the State to provide for the education of its children; and it having been a principle established in the formation of our State Constitution that no public funds of any class should be used for sectarian schools or societies we declare our faithful adherence to this principle, and oppose any invasion of it; that it is the inalienable right of every citizen to worship God according to the dictates of his own conscience, and no political disabilities should be imposed by reason of religious belief; and while we will defend these principles and institutions to the full extent, we deprecate all attempts to raise sectarian issues as utterly unbecoming and reprehensible and meriting the emphatic condemnation of every good citizen.

CENTAUR LINIMENTS!

[Letter from a Postmaster.]

"ANTIOCH, ILL., Dec. 1, 1874. Messrs. J. B. Rose & Co.—My wife has, for a long time, been a terrible sufferer from Rheumatism. She has tried many physicians and many remedies. The only thing that has given her relief is Centaur Liniment. I am rejoiced to say this has cured her. I am doing what I can to get a supply of it. W. H. RING."

This is a sample of many thousand testimonials received, of wonderful cures effected by the Centaur Liniment. The ingredients of this article are published around each bottle. It contains Witch Hazel, Mentha, Arnica, Rock Oil, Carbolic, and ingredients hitherto little known. It is an indisputable fact that the Centaur Liniment is performing more cures of Swellings, Stiff Joints, Eruptions, Rheumatism, Neuralgia, Sciatic, Caked Breasts, Lock-jaw, &c., than all other Liniments, Embrocations, Extracts, Salves, Ointments and Plasters now in use.

For toothache, earache, weak back, itchy, and cutaneous eruptions, it is admirable. It cures burns and scalds without a scar. Extracts poison from bites and stings, and is highly recommended for all such cases. No family can afford to be without the Centaur Liniment, white wrapper.

The Centaur Liniment, Yellow Wrapper, is adapted to the tough skin, muscles and flesh of the animal creation. It is effective upon severe cases of Spavin, Sweeney, Wind Gall, Big Head and Poll Evil, are little less than marvels.

For wounds, galls, scratches, ring-bone, &c., and for Screw Worm in Sheep it has no rival. Farmers, Livery-men and Stock-raisers have in this Liniment a remedy which is worth a hundred times its cost.

How to regulate stitch above the table and number 600,000 and upward on slide-plate and bed-casting at front end of shuttle race.

Florence will have cloth presser arm on left of needle arm and number 140,000 and upward on cloth plate and cast-iron under cloth plate.

Grover & Baker chain stitch is best sold by the number, while the lock stitch No. 9 can be readily told by its having round needle and cloth presser bars and cloth presser spring enclosed in face plate, and numbering 600,000 and upward on slide plate and bed-casting under the front slide plate.

By following the above rules no one need have an old worthless machine sold them.

"HOW HAVE THE MIGHTY FALLEN."—The people of Portland all remember with what enthusiasm the Radicals received Gen. H. Williams four years ago on his arrival here. When the steamer landed here the other morning, not one of those to whom he had thrown the fat offices were there to meet him.

YOUNG MEN

Who may be suffering from the effect of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Dr. SPINNEY will guarantee to forfeit \$500 for every case of seminal weakness, or private disease of any kind or character which he undertakes and fails to cure. He would therefore say to the unfortunate sufferer who may read this notice that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage; remember you are approaching the last. If you are bordering upon the last, and are suffering some or all its ill effects, remember that if you persist in procrastination, the time must come when the most skillful physician can render you no assistance; when the door of hope will be closed against you; when no angel of mercy can bring you relief. In no case has the Doctor failed of success. Then let not despair work upon your imagination, but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill, or before grim death hurries you to a premature grave. Full course of treatment, \$25.00. Send money by Post Office order, or Express with full description of case. Call or address DR. A. B. SPINNEY, No. 11 Kearney St., San Francisco.

PITCHER'S CASTORIA.

Mothers may have rest and their babies may have health, if they will use Castoria for wind colic, worms, feverishness, sore mouth, croup, or stomach complaints. It is entirely a vegetable preparation, and contains neither mineral, morphia, nor alcohol. It is as pleasant to take as honey, and neither gags or gripes.

Dr. E. Dimock, of Dupont, O., says: "I am using Castoria in my practice with the most signal benefits and happy results." This is what everyone says. Most nurses in New York City use the Castoria. It is ordered by Messrs. J. B. Rose & Co., 46 Dey St., New York, successors to Samuel Pitcher, M. D.

AFTER A QUARTER OF A CENTURY

Of active work in the field of honorable practice in California, during which time thousands of the most difficult cases of premature decay and diseases of contaminating poisons have been overcome and the sufferers restored to healthy life and manhood

The J. C. Young MEDICAL AND SURGICAL INSTITUTE still offers to the afflicted the positive assurance of honorable treatment and rapid and absolute cures, as can be shown by thousands of testimonials from grateful Patients. Let me call the attention of those who suffer from some of the effects of

SEMINAL WEAKNESS. The preservation of health and life is dependent upon the proper condition of the procreative functions and any weakness or cause of weakness of the generative organs or their uses is a direct attack upon the general health as well as a sure destruction—if not properly cured—of the organs that are the pride of one sex and the blessing of the other. In youth is laid the foundation of much of the misery of after years by the indulgence of the most destructive habits making ruin among mankind, for it is a well known fact that the indulgence in solitary vice, even in the slightest degree, plants seed of weakness in the system that grow to a harvest of disease and shame in after years.

YOUNG MAN. If you experience any weakness you should not delay, for a day may imperil your health if not your life. In all forms of weakness and premature decay a cure is guaranteed by the Doctor to the young, middle-aged or old, without exposure or hindrance from business. The remedies are purely vegetable and of a nature that leaves no taint behind. Observe the symptoms and hasten to check the course of the complaint, if you experience any of them—night discharges, slight discharges at other times, trembling, anxiety, forgetfulness, confusion, pain in the back, limbs or body, forebodings, indigestion, timidity, aversion to society, loss of power, want of control, variable temper, adish discharges, a biliousness, deposits in urine, irregular bowels, etc., etc.

TERRIBLE POISON. Among the most subtle and virulent of poisons in the human blood is that arising from venereal taint, often breaking out, after years of apparent cure, in hideous sores upon various parts of the body. Its great danger lies in the fact that it is given to the innocent partner or to the unborn child without showing in the person originally contracting it.

THE SAFE MERCURY. Only aids in this terrible deception by drying it upon the surface and driving it back into the blood. All venereal poison is a blood poison and can be communicated in the blood and the only certainty of prevention of transmission is in the proper cures of the reform treatment practiced at the Dr. J. C. Young Medical Institute, comprehensive, scientific and thorough, having received endorsement as the best of all modern practice. Recent cases cured in a few days and chronic cases with remarkable rapidity. Our test of the presence of the taint in the blood are never failing.

TO MARRIAGES. There are no class of complaints that so enlist the sympathies of the medical mind or so commands its gravest thought and study as those that afflict women. The Doctor after years of patient investigation and treatment is enabled to assure them rapid and thorough cures in all the complaints incident to the sex. The weak can hope for strength and the suffering for relief. Those who require personal supervision the Doctor can furnish with apartments with careful and skillful nurses where unremitting attention and constant care give every assurance of rapid and permanent cures.

The Institute is supplied with a LYING-IN DEPARTMENT where the patient receives the treatment so essential in such cases.

CURED AT HOME. Correspondence. The great difficulty many sick find is in trouble of visiting the city, often incurring an expense far exceeding the cost of treatment. This expense can be avoided by writing to the Doctor, giving in your own way, the symptoms of your trouble or condition, and the Doctor will send the same as by personal visits. All communications strictly confidential and all letters either returned or destroyed.

The Doctor can be relied upon in all cases requiring confidence. He guarantees to restore confidence in him, all you who suffer or are in distress. He will speedily relieve and cure you. Address, DR. J. C. YOUNG, 618 Sacramento Street, San Francisco, Cal. Box 635.
