

GO! GRANT, GO!

(Tune—OLD BLACK JOE.)

Gone are the days when Grant was young and gay; Gone are his friends from the White House away; Gone are the thieves, all their heads are bending low; And now I hear the people calling Go! Grant, Go!

CHORUS.

Tilden's coming, Hendricks' coming, Dey will strike the fatal blow; I hear the people's voices calling Go! Grant, Go!

Gone are the Bristow, who was always good and true; Gone are the Jewell, because he wouldn't do; Gone are the Dyer and gone are Pratt, also; I hear the people's voices calling Go! Grant, Go!

CHORUS.

Gone are the honor of this great Republic, too; Gone are Schenck and Belknap and all that plundering crew; Gone all the money and the treasury are low; I hear the people's voices calling Go! Grant, Go!

CHORUS.

Gone are the wages of the working man, I know; Gone are the Revenue, and business wheels move slow; Gone are the nation's credit, while its debts enormous grow; And now I hear the people calling Go! Grant, Go!

CHORUS.

Gone are de Hayes from the new platform away; Gone are the Wheeler from the Cincinnati Play; Gone are the power and the Republicans must go; And now I hear the people calling Go! Grant, Go!

CHORUS.

Go! Grant, Go!

PETITION.—The following petition from citizens of Lake has been presented to the Legislature:

To the Hon. Senators and Representatives of the Oregon Legislature:

The citizens of the county of Lake would respectfully represent that a speedy settlement of the county seat question in their county is of great importance, and very much desired by all who have the best interests of Lake county at heart.

Another Argument.—Dispatches have been received here that the crooked whisky man Hering had had his sentence very considerably reduced owing to some potent influence at the locus of centralization, Washington.

A MISCHIEVOUS QUACK in Altoona City, Penn., advised a young man with more hair than brains to use molasses water, the theory being that after the water evaporated the rebellious locks would coalesce and keep in place.

SMOKE THIS IN YOUR PIPE.—Bloody shirties how do you like the dispatches recently from Albany, N. Y.?

A grand Democratic mass State convention of Union soldiers and citizens is announced to be held in this city October 5th, for the ratification of the nomination of Tilden and Hendricks, and to express their appreciation of the work of the late session of the Democratic House of Representatives.

OREGON AT THE CENTENNIAL.—The following dispatch was received in Salem the 19th: PHILADELPHIA, Sept. 18, 1876.—To Henry H. Gilroy, Salem: Oregon takes thirteen medals and diplomas, and one special diploma for State exhibits.

INNOCENT BRIGHAM YOUNG.—Jas. Haslam testified in the Lee trial at Beaver that he (Haslam) was the messenger sent to Brigham Young by Haight, who explained the object of the message.

CHOCTAW COURTSHIP.—The Cheyenne (Wyoming) Leader has this bit of description: "The Indians talk little under any circumstances. Thus it is naturally to be supposed that a young fellow done his best (which is general set off with a calico blouse having large flaring sleeves, and his hat stock full of feathers, with two or three yards of scarlet ribbon hanging down his back), he would be about speechless when he reaches the old man's mansion. After dismounting from his pony he takes his position on the fence, and sits there till he sees his fair one at the door, when he grins audibly, and if she does likewise he takes it for granted that he is welcome and goes into the house, which generally consists of one room and then he has to make his speech, which at the furthest amounts to grunts. His success depends very much upon an invitation to smoke by the father of the courted lass.

WHAT SEWARD THOUGHT OF HENDRICKS.—The late Hon. Wm. H. Seward, speaking of the Democratic party, said:

I entertain no ill will towards the Democratic party or its leaders, and have no uncharitable feelings towards the great constituency. On the other hand, I cherish a grateful appreciation of the patriotism, magnanimity, the heroism of many of my fellow-citizens with whom I have cheerfully labored and co-operated, while they still retained their adherence to the Democratic party.

At a certain stage of the whisky prosecutions, Hering approached the authorities and offered to "sneak," in consideration of immunity to himself, but it is not so well known upon whom he proposed to sneak.

THE GERMAN INFLUENCE.—Mr. Joseph Pulitzer, late editor of Carl Schurz's paper, and for some time his associate in business, publishes a letter in the New York Sun, in which, among other things, he says that over two-thirds in number, and nine-tenths in real circulation and influence of the German newspapers in the United States are supporting Tilden and Hendricks; notwithstanding Mr. Schurz's Hayes and Wheeler sourest.

TO PRESERVE PEARS.—Take pears not quite ripe and peel off the skins. Prepare a syrup with three-quarters of a pound of sugar to each pound of fruit. Melt it and boil for half an hour, removing all the scum that rises. Put in the pears and let them boil for ten minutes, or just long enough to soften a little; then take out and cover tightly with paper wet in whisky or alcohol, and cover with another paper placed over the mouth of the jar.

YOUNG MEN

Who may be suffering from the effect of youthful follies or indiscretion, will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. DR. SPINNEY will guarantee to forfeit \$500 for every case of seminal weakness, or private disease of any kind or character which he undertakes and fails to cure. He would therefore say to the unfortunate sufferer who may read this notice that you are treading upon dangerous ground when you longer delay in seeking the proper remedy for your complaint. You may be in the first stage; remember that if you persist in procrastination, the time must come when the most skillful physician can render you no assistance; when the door of hope will be closed against you; when no angel of mercy can bring you relief. In no case has the Doctor failed of success. Then let not despair work upon your imagination, but avail yourself of the beneficial results of his treatment before your case is beyond the reach of medical skill, or before grim death hurries you to a premature grave. Full course of treatment, \$25.00. Send money by Post Office order or Express with all description of case. Call or address DR. A. R. SPINNEY, No. 11 Kearney St., San Francisco.

AFTER A QUARTER OF A CENTURY

Of active work in the field of honorable practice in California, during which time thousands of the most difficult cases of premature decay and diseases of contaminating poison have been overcome and the sufferers restored to healthy life and manhood

The J. C. Young

MEDICAL AND SURGICAL INSTITUTE

still offers to the afflicted the positive assurance of honorable treatment and rapid and absolute cures, as can be shown by thousands of testimonials from grateful Patients. Let me call the attention of those who suffer from some of the effects of

SEMINAL WEAKNESS.

The preservation of health and life is dependent upon the proper condition of the procreative functions and any weakness or cause of weakness of the generative organs or their uses is a direct attack upon the general health as well as a sure destruction—if not properly cured—of the organs that are the pride of one sex and the blessing of the other. In youth is laid the foundation of much of the misery of after years by the indulgence of the most destructive habits making life a curse and spreading weakness and ruin among mankind, for it is a well known fact that the indulgence in solitary vice, even in the slightest degree, plants seed of weakness in the system that grow a harvest of disease and shame in after years.

YOUNG MAN,

If you experience any weakness you should not delay, for a day may imperil your health if not your life. In a form of weakness and premature decay a cure is guaranteed by the Doctor to the young, middle-aged or old, without exposure or hindrance from business. The remedies are purely vegetable and of a nature that leaves no taint behind. Observe the symptoms and hasten to check the course of the complaint, if you experience any of them (irregular discharges, and discharges of sperm, trembling, anxiety, forgetfulness, confusion, pain in the back, limbs or body, forebodings, indigestion, timidity, aversion to society, loss of power, want of control, variable temper, attacks of sickness skin biliousness, deposits in urine, irregular bowels, etc., etc.)

FEVERISH POISON.

Among the most subtle and virulent of poisons in the human blood is that arising from venereal taint, often breaking out, after years of apparent cure, in hideous sores upon various parts of the body. Its great danger lies in the fact that it is given to the innocent partner or to the unborn child without showing in the person originally contracting it.

THE USE OF MERCURY

Only aids in this terrible deception by drying it upon the surface and driving it back into the blood. All venereal poison is a blood poison and can be communicated in the blood and the only certain prevention of transmission is in the positive cures of the reform treatment practiced at the Dr. J. C. Young Medical Institute, comprehensive, scientific and thorough, having received endorsements as the best of all modern practice. Recent cases cured in a few days and chronic cases with remarkable rapidity. Our test of the presence of the taint in the blood are never failing.

TO FEMALES:

There are no class of complaints that so enlist the sympathies of the medical mind or so command the attention of the thoughtful as those that afflict women. The Doctor after years of patient investigation and treatment is enabled to assure them rapid and thorough cures in all the complaints incident to the sex. The weak and feeble or strength and the suffering for relief and cure.

Those who require personal supervision the Doctor can furnish with apartments with careful and skillful nurses where unremitting attention and constant care give every assurance of rapid and permanent cures.

The Institute is supplied with a LYNCHING REPORT

Where patients will receive the treatment so essential in such cases.

CURED AT HOME.

Correspondence. The great difficulty many sick find is the trouble of visiting the city, often incurring an expense far exceeding the cost of treatment. This expense can be avoided by writing to the Doctor, giving in your own way, the symptoms of your trouble or complaint. Cures guaranteed the same as by personal visits. All communications strictly confidential and all letters either returned or destroyed.

Get the Doctor's name and read upon in all cases requiring confidence and secrecy. Repose confidence in him, all you who suffer or are in distress. He will speedily relieve and cure you.
