MAN ARRESTED.—Carnasi, who killed Gordon in Siskiyou county, Cal., an account of which we gave in our last, was captured at Roseburg last week. He passed through town shortly afterward, in charge of D. B. Rowland.

BURNT IN EFFIGY.—We learn that some of the residents of Kerbyville last week burnt Senator Green and Representative Fidler in effigy for their action on the county seat question. We extremely regret that such a thing should have occurred.

RETURNED.—Wm. Bybee returned home last week, after an extended visit to the old folks in Kentucky. He looks in a well preserved state of health and is glad to get back to Jacksonville again. We learn that Mr Bybee has some fine stock on the road here.

COMING.—We learn that Hon. L. F. Grover, our Senator-elect, will deliver one or two speeches in this county before election. We hope it may prove true, as the Governor is an able and interesting speaker. He is bound to be greeted by a large and appreciative audience.

PREMIUMS AWARDED.—Judge Tolman's Scamperdown received a first premium at the State Fair; his two-year-old Norfolk colt also took a first premium, and his filly, Peggy Winters, took a second premium. This stock is thoroughbred. W. C. Myer's horses took well and were highly admired.

JOINT DISCUSSION.—Hon. Henry Klippel, Democratic candidate for Presidential Elector, left Monday for Linkville, where he will meet Gen. W. H. Odell, Republican candidate for the same position, in joint discussion today. They speak at Ashland on Saturday next; at this place on Monday, the 23d, and at Kerbyville on the 25th. Turn out and hear them.

LAKE COUNTY SEAT.—The Governor has signed the bill for the location of the county seat of Lake and it is now a law. It provides that at the ensuing Presidential election the voters of that county shall vote for either Linkville or Lakeview as such seat, and the locality receiving the highest number of votes shall be the permanent county seat until otherwise provided by law.

ASHLAND TILDEN CLUB MEETING.—The Tilden Reform Club of Ashland held an interesting and spirited meeting at the District School House last Monday evening. A large attendance was present to listen to Wm. M. Colvig, Esq., who entertained his hearers with a splendid speech of two hours' duration, which is highly spoken of. After he had concluded, Hon. Henry Klippel was called for, but, owing to lateness of the hour, declined to speak at length. The Democracy of Ashland is alive to the importance of the ensuing election and will give a good account of itself on November 7th.

The State Fair is over and was a success, but the receipts lacked considerably of coming up to last year's. Our folks are returning home, and seem well satisfied with the affair, if we except the beating of our horses, which they didn't relish, of course.

BETTER POST HIMSELF.—Mr. Colvig, in his speech Saturday evening, informed his audience that the largest portion of the Union army were Democrats. He was a soldier himself and knew whereof he was speaking. Now comes the "Sloan" who conceived the Sentinel's account of the meeting and disputes the statement, but only exhibits his gross ignorance in the premises instead of disproving what Mr. Colvig said. He says:

Right here we ask, if half the army were Democrats, or if in 1860 half the people were Democrats, how did Abraham Lincoln get elected President of the United States?

Any one at all posted in political matters knows that Lincoln received considerably less than half the popular vote in 1860. The writer of that article had better acquire a little knowledge before he attempts the role of a newspaper critic, especially as Jackson county has quite a number of intelligent people, even if he is not included in the catalogue.

TEACHERS' INSTITUTE.—The Jackson County Teachers' Institute will hold its next regular session in the Ashland Academy on Friday and Saturday, October 20th and 21st, 1876. The Institute will open on Friday morning, at 9 o'clock, and the day will be occupied in illustrations of the different methods of teaching. In the evening the following question will be open for discussion: Resolved, That it is the duty of the present Legislature to increase the school tax and enact a law enforcing compulsory education.

Saturday will be spent in discussing methods of teaching. In the evening Prof. J. W. Merritt will address the Institute.

All teachers are requested and expected to be present and assist in trying to make this the most interesting session ever held in Jackson county.

J. H. SKIDMORE, President.

J. Q. WILLIAMS, Secretary.

OUT OF LUCK.—This section, usually successful with its horses at the various fairs, is decidedly unfortunate this year, being beaten in nearly every case.

At Salem, Judge Tolman's Norfolk colt Scamperdown was beaten in both the mile and two-mile heat races, although making a fine effort in each instance. McDonough's horse Major was defeated in the trotting race, good time being made. Manning's horse Stonewall Jackson was also beaten at Yreka, his driver being unable to get him down to his work.

YREKA FAIR.—The Fair at Yreka was not as much of a success as usual. J. W. Manning's Stonewall Jackson took the first premium of \$20 as the best roadster exhibited, and Little Nell, also owned by him, took the first premium of \$5 as the best animal of all work exhibited. R. J. Minnis, of Ashland, displayed specimens of leather and his wife exhibited a carriage robe, rag carpet and fur gloves.

FROM SAN FRANCISCO.—Wm. F. Herrio, formerly of this county, is on a brief visit to his relations. Senator Herrio and family, Mr. Herrio is now practicing law in San Francisco, and we are pleased to learn that he is flourishing.

COMING TO THE CENTER.—We shall in the next few days forward statements of account to those indebted to the TIMES office, and trust they will respond promptly, as we are in need of the money or its equivalent.

PHOENIX CLUB MEETING.—W. M. Colvig, Esq., and Hon. W. J. Plymale will address the Tilden and Hendricks Club of Phoenix next Saturday evening, October 21st. Let there be a good turn-out.

BOARD OF TRUSTEES.

TUESDAY EVENING, Oct. 17th.

A regular meeting of the Board of Trustees was held this evening. All the members were present excepting Mr. Numan; President Fisher presiding.

The minutes of the two previous meetings were read and approved.

Mr. Brown, of the Road Committee, made a verbal report, stating that they, the Committee, after examining the walk over the creek from Smith & Hockenjos' shop, had deemed it inexpedient to have a railing put up, as proposed until the walk itself was repaired and made safe. The report was accepted.

The Finance Committee reported back the DEMOCRATIC TIMES' bill of \$8.50, and the same was ordered paid.

R. S. Dunlap, Sexton, submitted his second quarterly report, which was read and placed on file.

Bills presented: L. W. Carter, for painting posts for Cemetery, \$3.25. Referred to usual Committee.

Mr. Brown suggested the necessity of a foot-bridge over the creek on 5th street, and other improvements on this street leading to the Alden Fruit Drying establishment lately put up.

After much conversation on the subject, the President said that no ordinance had been yet passed declaring this part of 5th street a public street and opened for travel, which was necessary before improvements could be made upon it.

Mr. Brown then moved that the Board authorize an ordinance to be drawn up and submitted at the next meeting to declare this street open from California street to Pine. Passed.

The Recorder was directed to notify all parties whose liquor licenses would expire on the 19th of October.

Board then adjourned to Saturday evening, Oct. 28, 1876.

WHEN the first news came that the October elections had resulted in favor of the Republicans, great was their enthusiasm; but it was not long before a telegram announced that Indiana and West Virginia had gone Democratic and Ohio was close, and a sicker looking set than these same Republicans could not be imagined. To add to their tribulations the Democracy had a justification over this grand result, and their lamentations have been taken up by the Sentinel which, after declaring that the meeting was an unimportant affair, sees fit, however, to wade through an entire column in reviewing it. Not satisfied with belittling the meeting in an untruthful manner it also misrepresents the speakers, no doubt deeming that service to its party demands such action. The Democrats nevertheless feel satisfied with the meeting, and why should Republicans complain?

LOOK OUT FOR HIM.—We have received the following, under date of New York, October 9d, 1876:

There is a man in your State who has been victimizing many of your citizens by collecting subscriptions to our monthly "World of Fashion," pretending to be our agent; he is a swindler and is unknown to us except through the complaints made to us of his operations; he uses various names, such as Howard, Hardy, &c. By noticing this through the columns of your valuable paper, people would be put upon their guard and perhaps it might lead to his capture.

Very respectfully,
A. BERDETTE SMITH.

P. S.—To make himself appear more respectable he has had a receipt printed with "World of Fashion" on it.

AUCTION.—The undersigned will offer at auction at their store in Jacksonville their entire stock of General Merchandise, consisting of dry goods, clothing, boots and shoes, groceries, hardware and many other articles too numerous to mention. Sale will commence on Saturday, September 2, 1876, and will be continued every Monday and Saturday following, until all is sold. The entire stock will positively be sold without reserve. Come every body and secure bargains.

Those indebted to us are requested for the last time to come forward, pay up, and save expenses.

SACHS BROS.

FIVE GRAPES.—Col. J. N. T. Miller has placed us under obligations for a large basket of delicious grapes. One of the bunches weighed nearly three pounds. Even our devil smole a ghastly smile as they disappeared down his capacious throat.

SELLING OUT.—Ben Sachs is selling out his entire stock of goods at San Francisco cost. Here's a chance for bargains. Store fixtures for sale. Give him a call.

Letter From Sam's Valley.

SAM'S VALLEY, October 13th.

TO THE EDITOR OF THE TIMES:

The peaceful quietude of pious old Sam's Valley has again been disturbed by another one of those lawsuits to recover personal property before Justice C. C. Gall, in an action between Jacob Conley vs. B. F. Wade. W. J. Stanley acted as counsel for plaintiff and B. F. Wade appeared for himself. A verdict in favor of defendant was given by the jury.

Uncle Sam Tilden is very popular in Table Rock precinct, there being very few voters, if any, but who will do him honor in casting their votes for him when the day of voting comes.

There is quite an amount of sickness prevailing in this section at present. Elijah Morrison has been very ill for nearly a month, and is yet lying in a critical condition.

J. B. Thomas, who met with the serious accident of breaking one of his legs in two places, is doing as well as could be expected. OBSERVER.

GRAND JOLLIFICATION.—The Democrats of this section last Saturday evening held a lively jollification over the result of the October elections. Although but short notice was given a good-sized audience, including several ladies, assembled to hear the speaking. The Jacksonville Brass Band was in attendance, auvils were fired and Democratic enthusiasm ran high. At about half-past seven o'clock the meeting was called to order by E. D. Foudray, Esq., who stated its object. Stirring speeches were made by W. M. Colvig, Esq., Hon. H. Klippel and A. C. Jones, Esq. Some person induced a hoodlum to hurrah for Jeff. Davis; but when Mr. Klippel arose, he soon quieted this disturbance by a well-administered rebuke, which doubtless made the parties feel ashamed of the selves and it was not repeated. At a late hour the meeting broke up with three cheers for Tilden and Hendricks.

MR. FIDLER'S ANSWER.—We elsewhere publish Hon. W. W. Fidler's reply to our remarks on the Senatorial question, in which we criticized his action in refusing to go into caucus and voting against the nominee thereof. Mr. Fidler's reasons for doing as he did are certainly novel, to say the least. He intimates that he was at liberty to do as he pleased, which we acknowledge was in one sense his privilege; but we yet hold that the greater mass of his Democratic constituents doubtless desired that he conform to Democratic usages, go into caucus and support its nominee, whoever he may be. To have beaten the caucus nominee and elected a Senator with the aid of Republican votes could not but have greatly demoralized the Democracy and made our success doubtful next month.

QUARTERLY MEETINGS.—The following is the first round of quarterly meetings for Jacksonville District, M. E. Church South: Applegate Circuit, fourth Sunday in October, at Morning Star; Jacksonville Circuit, fifth Sunday in October, at Manzanita; Table Rock Circuit, first Sunday in November, at Sam's Valley. The officary will please attend.

J. W. STAHL, P. E.

IRON IN THE BLOOD.—The PERUVIAN SYRUP vitalizes and enriches the blood, tones up the system, builds up the broken-down, cures Dyspepsia, Debility, Dropsy, Chills and Fevers, Chronic Diarrhoea, Nervous Affections, Bolls, Humors, Diabetes, etc. Thousands have been changed by the use of this remedy from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and invalids cannot reasonably hesitate to give it a trial.

A 32-page pamphlet, containing a history of the PERUVIAN SYRUP, a valuable paper on progress in medical science, a treatise on iron as a medical agent, testimonials from distinguished physicians, clergymen and others, will be sent free to any address. SENT W. FOWLE & SONS, Proprietors, 86 Harrison Ave., Boston. Sold by dealers generally.

FROM R. FELLOWS, M. D., or HILL, N. H.—Although I have generally a great objection to patent medicines, I can but say in justice to DR. WESTON'S BALSAM OF WILD CHERRY that it is a remedy of superior value for Pulmonary Diseases.

This wonderful use of this preparation for years, and it has proved to be very reliable and efficacious in the treatment of severe and long-standing Coughs. I know of one patient, now in comfortable health, who has taken this remedy, and who, but for its use, I consider, would not now be living.

R. FELLOWS, M. D.

The intense itching caused by certain diseases of the skin is speedily allayed by HOGAN'S SW/ALPH (SOP), which entirely removes every species of eruption, is perfectly safe, and far cleaner and more effective than any ointment.

The National Gold Medal was awarded to Bradley & Hudson for the best Photographs in the United States, and the Vienna Medal for the best in the world. 429 Montgomery street, San Francisco.
