

The Democratic Times.

THURSDAY, DECEMBER 7, 1876.

THEATRE.—The Wilton Dramatic Troupe has been playing to fair houses at the Masonic Hall for the past few evenings. It is a first-class company and deserves liberal patronage.

AT A BARGAIN.—A first-class sewing-machine, brand new, will be sold at a bargain. Flour or wheat will be taken. Those desiring a new machine of an improved pattern will do well to enquire immediately at this office.

REMOVAL.—The Farmers' Hotel has been removed to the building on Oregon street formerly occupied by Isaac Sachs, where the best of everything the market affords will be served up to the hungry public. Lodgings also furnished. Give Mrs. Williams a call.

SOUTHERN OREGON PIONEERS.—The Pioneers held another meeting at the Court House last Saturday, pursuant to adjournment. Constitution and by-laws were adopted, besides which no further business of importance was transacted. Several names were subscribed to the Constitution.

SCHOOL EXHIBITION.—The pupils of the Jacksonville District School will give an exhibition at the school house next Monday evening, the proceeds of which will be devoted to the purchase of an organ. The entertainment will comprise dramas, declamations, songs, etc. Doors open at seven. Admission, fifty cents.

MASONIC ELECTION.—At a regular meeting of Warren Lodge No. 10, A. F. & A. M., held on the evening of Wednesday, November 29th, the following officers were elected for the ensuing year: C. C. Beckman, W. M.; Matt. Obenchain, S. W.; E. B. Watson, J. W.; Max Muller, Secretary; John Miller, Treasurer; R. S. Dunlap, Tyler.

COUNTY SEAT REMOVED.—H. K. Hanna, Esq., who returned from a professional tour to Linkville on Saturday last, informs us that the records of Lake county had already been removed to Lakeview, the new county seat, when he arrived there. The District officers will have to travel over a hundred miles farther than heretofore to mete out justice to the citizens of Lake county, and it will take them about ten days to make the round trip, traveling time alone being reckoned.

BOARD OF TRUSTEES.—The Board held a special meeting at their hall on Dec. 1, 1876. A full Board was present, with President Fisher presiding. The minutes of the last meeting were read and approved.

The Finance Committee reported completion of its duties as regards the Ordinance printing and asked to be discharged.

On motion of Mr. Cronmiller the report was received and filed.

Mr. Brown moved that the bill presented by the Finance Committee for printing the pamphlet of Ordinances, etc., amounting to \$93, be allowed and paid. Carried.

The deed to John Herburger, for block No. 55 of town lands, executed and dated October 30, 1875, was approved.

On motion of Mr. Cronmiller, the Recorder was authorized to sell the pamphlet of Ordinances at 50 cents each; also to furnish to each town officer a copy free of charge, said pamphlet to be returned or paid for at the end of his official term.

"OREGON BLOCK."—This is the name of an elegant brick block recently built in Oakland, Cal., by Messrs. J. B. White and James T. Glenn, former residents of this section. We find the following description of it in the *Real Estate Advance*, which will give our readers some idea of its importance:

One of the many new and imposing buildings which have been erected in Oakland during the past few months is the "Oregon Block," which has been built jointly by Messrs. J. B. White and J. T. Glenn. The block has a frontage of 100 feet on Broadway, with a corresponding depth on Thirteenth street. The four stores on Broadway are large and fitted up with great taste and elegance, being suitable for any branch of business. Two are already in course of occupation, one by Buck & McCourt, No. 1152; dealers in California wines and brandies, and the second (No. 1160) by an agency of the Pacific Pottery, with W. H. Parkinson as managing man. The second story contains forty rooms, which have been leased to J. C. Gage for sub-letting as offices and living apartments. The total cost of the building is put at \$40,000.

We are under obligations to Robt. A. Miller for a copy of the *Willamette Collegian*, a sprightly little monthly published under the auspices of the students of the Willamette University, Salem. We are pleased to learn that Bob has recovered from his recent severe illness.

HURRAH FOR TILDEN!

JUSTICE GLORIOUSLY TRIUMPHANT!

A private dispatch from Salem, under date of December 6th, says:

Cronin got certificate. Two votes for Hayes, one for Tilden. Republicans refused to act with our man and made a full vote of their own.

Haal in your dilapidated, old dung-hill chicken, B. F.!

CAMP CREEK ORE.—T. G. Reames this week showed us a can of the celebrated Camp Creek (Wasco county) ore sent him, by H. B. Oatman, of Portland, of which so much is being said. These mines are creating great excitement in the Willamette, and consist of boiling springs, which exude a soft mud, gray in color, and said to be rich in chloride of silver, assaying several thousand dollars to the ton. If half what is said of these mines is true, Oregon has certainly the richest mines in the world.

MASONIC BALL.—A grand ball will be given at the new Masonic Hall on Wednesday evening, December 27th, St. John's Day. No pains will be spared to make it a complete success, and it will doubtless be the event of the season. For particulars see advertisement elsewhere.

SETTLE UP.—We have sent statements of account to those indebted to the TIMES office, and trust they will respond promptly, as we are in need of the money or its equivalent.

LATEST NEWS.

OMAHA, Dec. 2d.—It was discovered yesterday that the Nebraska constitution provides that the Legislature shall canvass the electoral vote. The Governor not being aware of this, had not convened the Legislature, and was about to canvass the votes himself. When informed of the law, he hastily issued a proclamation convening the assembly. The Democrats, it seems, had been cognizant of this for some time and kept it secret in hope, by technicalities, to throw out the State.

OMAHA, Dec. 2d.—The Democratic electors to-day presented a petition to Judge Savage, of the District Court, which prays a perpetual injunction be granted to restrain the Republican electors from meeting and casting their votes for President. The petition states that Cobb, Republican elector, is ineligible, being a disbursing officer of the U. S. in constructing the postoffice at Lincoln; that the Governor, Secretary of State and Attorney-General conspired to evade and defeat the laws of the State, and issued, or caused to be issued, to the County Clerks, envelopes with the address of the Secretary of State thereon, to transmit to him the statements of the number of votes cast; also allege that the Governor, to carry out said fraudulent design, notified the Republican electors they were elected, and that he has certified to their election. The court ordered a hearing of the case on Monday, Dec. 4th, at 4 P. M.

It is thought a quorum will not answer the Governor's call for a special session of the Legislature. Many Senators are absent, and others cannot be reached in time. It is claimed the Democrats will all stay away. The Senate is composed of 10 Republicans, 8 Democrats, and 2 Independents. The excitement is great over this matter.

CHICAGO, Dec. 2d.—The *Times* Washington special says Fish's resignation in the cabinet yesterday causes the Republicans gloomy forebodings concerning the Presidential question, and the President's back-down is accepted as an indication that only constitutional methods will henceforth prevail. It seems Fish was moved by the receipt of angry expostulations from New York business men against propping up Hayes. Evans, in the latter part of the campaign, expressed to the President the opinion that the better sentiment of the country was greatly averse to the forcing process. He doubted very much the propriety of Hayes accepting the place if even tainted by the suspicion of fraud.

COLUMBIA, Dec. 3.—It is reported to-night that preparations are being made by the State constabulary or militia to remove the Democratic speaker from the chair he occupies, and eject the Democratic members of the Edgefield and Laurens counties delegations, which the Republicans claim were not legally elected. The report states that they will be sustained by United States troops. Owing to all these reports the Democrats are preparing for the worst. It is feared they will resist the State constabulary, but not the troops.

CHICAGO, Dec. 2d.—The *Journal's* Washington special says: Fears are entertained that a conflict between the two parties at Columbia will occur to-day. Both branches of the legislature will

go into joint session and count the votes of governor and lieutenant governor at 2 o'clock to-day. The Democratic House is still occupying the legislative hall in conjunction with the Republican house, and the Democratic members say they don't propose to attack the returns for Presidential electors, conceding the State to Hayes, but will not allow the Republicans to count out Hampton by throwing out the votes of three counties. The Republicans are determined to go ahead, and if Chamberlain has a legal majority to inaugurate him. At this state of proceedings a row is looked for.
