

The Democratic Times.

SATURDAY, JANUARY 20, 1877.

PROBATE COURT.—In this Court, on the 16th, Jacob Wagner was appointed executor of the estate of David Phipps, deceased.

R. A. M.—We have been requested to announce that all the members of the above organization in Jackson county will meet at Odd Fellows' Hall, in Jacksonville, to-day, at two o'clock p. m. Business of importance will come up.

CASE DECIDED AND APPEAL TAKEN.—In the case of Geo. A. Webb, assignee of the estate of A. W. Sturges, vs. Sachs Bros., tried in Judge Deady's Court last week, a judgment was given for plaintiff in the sum of \$2,248. The defendants have appealed.

DEATH.—Rev. Father Farley, formerly Catholic pastor of Yreka, died at Marysville, Cal., on January 17th. He was in his 42d year, and was much esteemed in this community, where he was well known, having preached here quite often. May his soul rest in peace.

INSTALLATION OF OFFICERS.—At a special meeting of Kerbyville Lodge No. 55, held on January 5th, John A. Boyer, D. D. G. M., installed the following officers: T. F. Floyd, N. G.; T. G. Patterson, V. G.; John Taylor, R. S.; Daniel Hunt, T.; T. Fatey, R. S. N. G.; James Spence, L. S. N. G.; M. Ryder, Con.; Chas. Anderson, W.

P. OF H. INSTALLATION.—At a regular meeting of Harmony Point Grange No. 137, P. of H., held on Saturday, January 13, 1877, the following officers were installed for the ensuing year: Thos. Wright, W. M.; T. Cook, O.; Mrs. E. Wright, L.; A. Barnaburg, S.; S. Cook, A. S.; J. F. Kellogg, C.; Mrs. J. Tupper, Treasurer; W. H. Peninger, Secretary; John McKay, G. K.; Mrs. S. McKay, C.; Mrs. D. Peninger, Pouna; Miss Cherry Dean, F.; Mrs. V. S. Ralls, L. A. S.

ROAD SUPERVISORS.—The following Road Supervisors were appointed for the ensuing year by the County Commissioners at their January session: John Cantrell, District No. 20; M. A. Hueston, District No. 26; C. F. Blake, District No. 1; James P. Woodson, District No. 2; Granville Naylor, District No. 4; Jacob Ish, District No. 5; J. W. Baker, District No. 10; Silas Draper, District No. 11; John Woods, District No. 13; John Cardwell, District No. 14; A. F. Randall, District No. 15; Peter Simon, District No. 16; C. D. Reed, District No. 25; Wiley Parker, District No. 23; John O'Brien, District No. 19; H. P. Duskins, District No. 36; Wm. Taylor, District No. 31;

SCHOOL TAXES.—Deputy Clerk Kent has about finished the assessment of the District, and school taxes are now due. The School Directors met as a Board of Equalization last week, passing on the assessment roll as presented by the Clerk. A considerable increase was made, but even now, (including the \$800 this District will receive from the School Fund,) the sum necessary to pay for building the addition and keep the school running will somewhat exceed the amount liable to be raised under the present tax levy. And the deficit would have been still greater, had not the Directors taken great interest in the matter and exerted themselves in making the tax as full and equal as possible.

DEATH OF R. B. HARGADINE.—We are pained to hear of the death of this gentleman, long a prominent citizen of Jackson county. A dispatch from San Francisco announces his death on the 13th. Mr. Hargadine was an old resident of this section, having arrived here in an early day, when this was but a wilderness. As far back as 1854 he kept a store near the place where Lindsey Applegate's house now stands, and has resided at Ashland ever since. Through indomitable enterprise and energy he amassed a large fortune, to-day paying taxes on more property here than any other person in the county. Some time ago he was seriously affected by sunstroke, since when he has been ailing. He went to San Francisco for medical treatment several weeks back, and it was supposed he was recovering. But grim Death had claimed him for his own, and he succumbed to the powers that be. In his death, Jackson county loses an enterprising citizen and the community an upright and respected man. He leaves a wife and several children to mourn his untimely decease. His body has been sent to Ashland for burial. Peace to his ashes!

Ashland wants a public library, and the citizens of that place were to have a meeting last Tuesday to put the matter under way.

In the case of B. F. Dowell vs. W. C. Griswold et al, the defendants were given until the first Monday in February to file brief.

We have received Peterson's counterfeit bank note detector, which is not very useful here where gold and silver constitute the prevailing currency.

Look out for counterfeit halves. They are generally new in appearance, sound well, but bend rather easily, and are said to have glass inside of them.

Our fellow townsman, K. Kubli, has concluded not to "pass in his checks" as yet, but still lives to sell hardware, tinware, etc., at "demnition" low prices.

The judgment held against J. W. McKay and wife by James T. Glenn and Alex. Martin, has been satisfied, and the Sheriff's sale of real estate in that case will not occur.

An appeal has been taken by the defendants in the case of B. F. Dowell vs. W. C. Griswold and James A. Cardwell, wherein the plaintiff got a judgment for several hundred dollars.

A Lake county correspondent says: "Some of our young fellows have returned from Ashland. They say it is a fact that the girls there are prettier and more of 'em than any other place except Jacksonville, which is ahead."

As soon as the weather will permit, the Jacksonville Base Ball Club will go into active practice for the season. The club will be regularly organized, and have both a rattling first and second nine. Farris, W. W. Fidler, H. W. Cooper, Dr. Miller, L. Miller, H. York, P. Barkhatter, I. Cox, C. Long, Josephine.

DOESN'T KNOW ANYTHING.—As we predicted, our telegraph operator didn't know anything in particular about the Oregon Electoral matter. Upon being called on the 15th, Mr. Turner certified that the parties telegraphing the \$8,000 from New York to Oregon had told the committee all and more than he (witness) knew in relation to that transaction. He stated further that he knew nothing in relation to \$17,000 being sent from New York to Oregon.

WHEN IMPURITIES IN THE BLOOD are determined to the surface in the form of blotches, dry exfoliations, rashes, etc., the safest and most expeditious remedy is *Glenn's Sulphur Soap*.

BOARD OF TRUSTEES.—The Board of Trustees met in regular session on Tuesday evening, January 16th. All the members present, and President Fisher presiding.

A report was made to the Board by the Finance Committee, stating that they had made an examination of the Treasurer's account, together with the Recorder's, for the previous fiscal year, and found all correct. The report was accepted.

An order was made requiring the Recorder to make out the annual statement of the receipts and expenses of the town one month before the annual election.

The Board then adjourned.

I. O. O. F. INSTALLATION.—At a regular meeting of Ashland Lodge No. 45, held on Saturday, January 13th, John A. Boyer, D. D. G. M., installed the following officers for the ensuing term: H. S. Helman, I. G.; W. Flowers, L. S. S.

AGGRAVATE HIM.—The mass meetings at Jacksonville and Linkville on the 8th ruffled the equanimity of Bro. Nixon, of the Yreka *Journal*, and he makes some ridiculous assertions in relation thereto. We can't blame him, however, as there are many of his kind in the same boat.

Go and examine the pictures made by Abell & Welsh. They will bear close inspection. These gentlemen make a specialty of photographing babies. Nothing is neater for a young child than white cabinet photographs. They are all the rage. Get some.

SCHOOL TAX due.
