Richard Grant White objects to the speech of American women. So do many other men, after they are married.

church collections is noticed."

at the watering places is for the sleeve to fit miles.

Woman was never made to whistle, and when she tries, it makes her whole countenance look as if it had declared war.

It has been observed that a lady with a diamond ring will scratch her nose in a given period, four times as often as any other woman.

An Eastern Oregon paper urges the sinking of artesian wells, and believes that in this way much land now dry may be reclaimed.

Three soldiers guard the Savannah barracks, but that's enough. The remainder had to be sent to take care of the troublesome North.

morning, and promptly sat down on a pint bottle of yeast in his coat pocket. He rose immediately.

It is aptly suggested by the Rochester Democrat man that it's a waste of time to swear at the flies-they don't understand the language.

"Ho, all ye dyspeptics!" says a patent medicine advertisement. If all the dyspeptics would hoe regularly their number would be reduced.

A man having been told that "hell is paved with good intentions," said he didn't care-he wouldn't live there if it was paved with twenty dollar pieces.

Truth being founded on a rock, you may boldly dig to see its foundation; but falsehood being built on the sand, if you proceed to axamine its foundation you cause its fall.

Anonymous letters have been sent to several persons at Marshfield, Coos county, ordering them to discharge Chinese from their service, or their property would be burned.

The Troy Press says that the butter on the sandwiches furnished the soldiers at Camp M. D. Carr was stronger than the combined forces of the United States and the State of

New York.
