NO COUNTY COURT.—Owing to the absence of Hon. Silas J. Day, County Judge, who is attending the Columbia Conference at Walla Walla, County Court did not meet this week.

ILL AT ROSEBURG.—Archbishop Blanchet, who was expected to arrive here this week, on an episcopal visit, is lying dangerously ill at Roseburg. The Archbishop is an octogenarian, and his trip to Coos Bay was a severe one for him to make. At last accounts he was a little better.

COMPLIMENTARY.—We have received from the secretary of the Oregon State Agricultural Society, a complimentary ticket to their Seventeenth Annual Fair, commencing on the 9th of October and continuing six days. The Fair this year promised to be more largely attended than ever before.

CAMP MEETING.—There will be a camp-meeting held at the camp-ground in Sam's Valley, under the auspices of the M. E. Church, commencing September 13, 1877. Also another will be held at the old camp-ground on the south side of Rogue River, September 20th. All are invited.

W. HURLBURT.

SENATOR MITCHELL.—J. Hipple Mitchell, passed through town last Wednesday on his way to Washington, after a short visit to this State. It is stated that the purpose of his visit to Oregon was to lay the wires for the Republicans for the campaign next Spring, so as to secure his re-election to the Senate. He stopped one day at Roseburg, but knowing how thoroughly Democratic Jackson county is, he did not waste any time here.

FELL FROM A HORSE.—A little daughter of Dr. Danforth was riding a horse Saturday evening when the animal started to run and she fell from his back. Fortunately she suffered no injuries, other than a few bruises. Horseback riding is becoming fashionable among the girls here, and although it is a very healthful exercise, it is often fraught with danger. Parents should be careful about the kind of horses they allow their children to ride.

W. C. MYER'S PREMIUMS.—W. C. Myer, of this county, offers a special premium of \$200 at the State Fair for the best family of draft horses, "to be one stallion, one or more mares and colts or fillies, full blood." Also for Percheron stock, sired by "White Prince" and "Pride of Perche," foaled this year, he offers a premium of \$20 for best colt; second-best, \$10. Fillies—best, \$15; second-best, \$8. Mr. Myer has always displayed much enterprise in importing blooded-stock, and this action of his in encouraging their introduction is commendable.

THE EMELINE MINE.—The retort of the Emeline Co. on Beaver creek was completed last week, and the first fire built in it on Monday. The work of retorting the ore has been already commenced, and, after the building over the retort is completed, at which hands are now at work, this company expect to turn out 400 pounds of quicksilver a day. A large quantity of ore is now laying on the dump, and they will begin soon in taking out more. We learn that they expect to make about 10,000 pounds of quicksilver before they are compelled to shut down next winter.

BIG CHIEF.—Winnemucca, chief of the Piutes, and a number of his braves were in town Wednesday for the purpose of meeting Commissioner Turner, who they expected would be here from Jacksonville, Oregon. The old chief had a talk with the Governor and expressed a desire to go on a reservation. He exhibited in this office a photograph of Governor Brayman, which he seemed to prize very highly, and, pointing to the governor's hair, remarked: "Heep old chief; hair very white; Winnemucca one hundred and five years old; governor heep big chief." The party remained in this vicinity till Friday night waiting for the commissioner, who failed to put in an appearance.—Idaho Advertiser.

Read the sales of sewing machines in the United States, published elsewhere, and you will find that in 1876 the Singer Manufacturing Co. sold over 150,000 more machines than any other Company. A machine that is so universally popular must indeed have great merit.

The stockholders of the Alden Fruit Preserving Company did not respond to a call for a meeting this week. It seems as if they had given up hopes of doing anything with their dryer this season. It is too bad that it should remain idle, while so much fruit is going to waste in this valley.

Pioneer Celebration.

The Committee having charge of the arrangements and programme for the first annual re-union and picnic of the "Pioneer Society of Southern Oregon" met on Saturday last, and decided to hold the celebration at Ashland, as the most eligible place, all things considered Thursday, September 13th.

A procession will be formed in Ashland, at half past 10 o'clock A. M., under the direction of the marshal of the day and proceed to the ground selected for the public exercises of the occasion.

The order of the exercises will be as follows:

- Music by the band. Prayer by the Chaplain. Music by the Choir. Oration. Music by the choir. Dinner, Toasts, &c. Members of the Society will be furnished with badges on application to the Secretary. A general invitation is extended to the public to participate in the festival.

Families, whether members or not, are requested to come with a bountiful supply of provisions for the table. All persons who arrived in Oregon prior to the end of the year 1855, may become members of the Society, and by applying or sending to the Secretary, the date and place of birth, from whence they emigrated and the time of arrival in Oregon, together with one dollar, the initiation fee, will be enrolled as members.

WM. HOFFMAN, Secretary.

JACKSON COUNTY HORSES.

The following horses are now in training, on John Watson's track, some six miles from this place, and will compete for the premiums offered by the Agricultural Society of Siskiyou county, California, at their Fair next month:

RUNNING HORSES.

"Scamperdown," is a bay stallion five years old; sired by "Norfolk," dam "Nettie W;" S. Booth owner and trainer. "Scamperdown" won the two-mile race at Yreka in 1875, distancing all his competitors, and at the Oregon State Fair last year displayed fine speed, and had he been in good condition would have made it "lively" for "Tom Merry" and "Ryestraw." If we are not mistaken he will carry off the ribbon very easily.

"Boston," owned by J. C. Tolman, is a sorrel stallion, 3 years old; sired by "Norfolk" dam "Minnie Biffle"; Geo. Stephenson, trainer. He is about 16 1/2 hands high and is of fine form and action. Last year he was taken to the State Fair, but was not allowed to be entered in the 2-year old race, on the pretext that he was not an Oregon colt, (having been bred in California and foaled in Oregon) otherwise he would have been very apt to have carried off that premium.

"Naty," owned by J. A. Cardwell, a sorrel stallion, 3-year old; Lexington stock; trainer S. Booth. He has never appeared on the turf before, but is a "goer" and we think will make his mark at the Yreka races.

TROTTERS.

"Sir Walter," owned and trained by George Stephenson, is a coal-black stallion, 7 years old; "Hambrobian" stock. He is a powerful and fine looking horse, 16 hands high; was recently imported from Kentucky, and has a record of 2:35. "Sir Walter" is lame at present, having received injuries during the season, and unless he fully recovers will, of course, take no part in the trials of speed.

"Little Jennie," owned and trained by George Stephenson, is a bay mare, 8 years old. She is a spirited little thing and a lively stepper, and, although she has no record, promises to make good time.

"Montreal," owned by John Watson, is a brown gelding, "Lionheart" stock; N. Berry, trainer. He is a large horse and has already given the people of Yreka a display of his speed, in 1875, trotting mile-heats, three in five, in 2:54.

STILL ANOTHER PARTY.—Last Tuesday another party left for Crater Lake. It was composed of Adam Klippel and A. Maegly, of Missouri, Richard Klippel, Wm. Penizer, Lundis Klippel, and Wes. Ingrahm. They will be absent about two weeks.
