FASHION NOTES.—For full dress occasions the most noticeable feature in this season's fashions is the almost uncalled for length of the court trains. The Empress dress, beautiful as it is, seems rather designed for a court dress than for our receptions or ball rooms; but fashion is fashion, and we have simple material, such as gauze or crepe; it is tight and clinging to the figure, is cade or Pompadour material, and is held back by quaintly designed orna-The proper soil for the calla lily is ments, in which ribbons, birds' wings,

> ROUGH .- Watterson, of the Louisling up on the half shell in this style: "Conkling is a base demagogue. Disout of the Presidency.
