

The Democratic Times.

FRIDAY, MAY 10, 1878.

THE Philadelphia Times well says that the American people like humor, and they appear to like it more and more every year.

THE Hawkeye tells of a man in the United States railway mail service whose eyes were so crooked he could carom with them.

Polish the Youngsters' Teeth With SOZODONT, and when they grow up their mouths will be garnished with sound and handsome ones.

The National Gold Medal was awarded to Bradley & Rutison for the best Photographs in the United States, and the Vienna Medal for the best in the world.

THE FINE THOROUGHBREDS,

SCAMPERDOWN and BOSTON!

WILL BE KEPT AT THE STABLES OF Manning & Montgomery, in Jacksonville, Oregon, the ensuing season, beginning April 1st and ending July 1, 1878.

They will serve mares for thirty-five dollars, for the season, payable at the close thereof, in cash, note, or such produce as may be agreed upon. Mares proving not to be with foal (without fault of the owner) can be bred the following season Five of Charge for the services of the horse.

Descriptions and Pedigrees.

SCAMPERDOWN is a beautiful dark bay, 16 hands high, six years old this spring, and as to form and appearance is unequalled in the State. He was bred by Theo. Winters, of California, and was sired by Norfolk (See Norfolk's pedigree). His first dam is "Settle W.," by "Belmont"; second dam "Lady Davis," by "Red Bill." (See Stud Book.) The same authority gives "Lady Davis" as the dam of "Minnie Riffe," by "Rittemann," second dam "Julia," by "Red Bird," he by "Sea Gull," and he by "Imported Expedition," third dam by "Hertrand," &c. We deem it unnecessary to give a more extended pedigree in this instance, but we can at any time do so for those who doubt. His grandsire was "Lexington" on the sire's side, and on his dam's side "Old Boston," two of the greatest and noblest horses America has ever been honored with.

We invite the attention of breeders to the unequalled colts of "Scamperdown" for size, action, looks and general make-up for all uses. POLMAN & BOOTH.

For further particulars see circulars.

BOSTON is a blood or chestnut sorrel, and is a perfect specimen of the heavy, large-boned English running horse, such as "Messenger" and "Boston." He is 4 years old this spring, weighs near 1200 pounds, and is over 16 hands high. He is also by Norfolk. His dam was "Minnie Riffe," by "Rittemann," second dam "Julia," by "Red Bird," he by "Sea Gull," and he by "Imported Expedition," third dam by "Hertrand," &c. We deem it unnecessary to give a more extended pedigree in this instance, but we can at any time do so for those who doubt.
