

THE County Court was in session this week, the proceedings of which will appear in our next issue.

PERSONAL.—Capt. Jas. Jackson and Lieut. J. Q. Adams, of Fort Klamath, are now in town. They are in quest of first-class horses for cavalry use.

ELECTION IN LAKE.—Advices from Lake county denote that it has given 100 Democratic majority on the State ticket. Thayer's majority will probably be somewhat larger.

CALL AND SETTLE.—We have been and are now sending out statements of account an early response to which is requested. We intend enlarging and must have money to accomplish it.

THE Packard and Taber organs are not only the sweetest-toned and most durable, but also the cheapest in the market. Levinson & Arrington, agents therefor, are now in this section and doing a rushing business.

IN TOWN.—Geo. H. Durham, of the firm of Hill, Durham & Thompson, Portland, is in town. He is of the defendant's counsel in the case of the United States vs. W. C. Griswold, and comes on business connected therewith.

FATAL ACCIDENT.—Thos. Moreland, Jr., aged about 49 years, met with a fatal accident at the saw-mill of Davis & Torrey on Wagner creek one day last week. He was caught in the machinery while at work, and before it could be stopped his body was mangled in a horrible manner, death resulting soon afterward.

MISTAKEN IDENTITY.—A. Mead, arrested by Noah Holt at Clear Lake under the supposition of being Wm. Lee, who murdered his wife in Sonoma county, Cal., several years ago, is probably the wrong man after all. Mead stoutly denies the charge, and there seems to be no evidence to identify him, notwithstanding his description is similar to the man sought after.

PAMPHLET RECEIVED.—We are in receipt of the list of premiums for the Oregon State Fair for 1878, which commences Oct. 19th and continues until the evening of Oct. 18th. The pamphlet also contains the list of premiums awarded at the last fair, besides other information concerning the State Agricultural Society. The next session promises to excel all former exhibitions.

THE ELECTION.—Returns from the county are sufficient to denote the election of the entire "Citizens" ticket, with the exception of Merritt for School Superintendent and Donegan for Treasurer. The majorities will range from 3 to 100. The count between Colvig and Kahler for Representative will be very close, with chances about even. We have been unable to procure enough figures for a tabulated statement, but next week will present the official vote.

IMPROVEMENT OF THE TIMES.—The political campaign being ended, we shall once more devote our attention to matters of local and general importance, endeavoring to make the TIMES the paper of Southern Oregon. About the first of next month we shall enlarge the size from a twenty-four to a twenty-eight column paper, making material improvements in every respect. The demand for our advertising space and a large increase in our circulation has prompted this step, which will be steadily advanced.

LIST OF JURORS.—The following is the panel of jurors for the June term of the Circuit Court:

FOR LAKE COUNTY.—Dr. W. Jackson left for Lake county on Monday last, expecting to be absent until about the middle of July. The citizens of that section will find him a first-class workman and worthy of their patronage.

I. O. O. F. ELECTION.—At the last meeting of Jacksonville Lodge No. 10, I. O. O. F., the following officers were elected: J. H. Penn, N. G.; F. Luy, V. G.; Silas J. Day, Secretary; Wm. Bybee, Treasurer.

CONTRACT LET.—The County Commissioners this week let the keeping of the county poor to Dr. Danforth for two years, at \$2,000 per annum. This is a very reasonable figure.

The best brand of liquor now upon the market is Jesse Moore's celebrated "Pony Whisky." It is kept in quantities to suit by H. L. Webb, of the New State saloon.

CIRCUIT COURT.—The June term of the Circuit Court will commence next Monday, June 10th. The docket is very light.

MONEY it is said, notwithstanding the stringency of the times, was never before so plentiful. The vaults of the various monetary institutions are filled to repletion. Is anything further requisite to the happiness of the fortunate possessors of this golden store? Many of them are the victims of disease—congestion, liver or kidney complaint, piles, fever and ague, or some similar ailment. To such we say, do not be discouraged. Freese's Hamburg Tea will surely bring relief. It cleanses the bowels, purifies the blood, and renovates the entire system.

SERIOUS ACCIDENT.—On Monday

last, as S. Hubbard was driving a team down the hill near Henry Blecher's residence, the back-band on one of the horses broke, letting the buggy down on the heels of the animals. This frightened them and they commenced kicking and running, throwing out Jos. Rath, who was also in the vehicle, and severely injuring him. Stepped hung to the reins until it became perilous and then jumped out. Assistance came to hand after awhile and Rath was taken to the County Hospital, where it was ascertained that his leg was badly broken above the ankle and other severe bruises inflicted upon his head and body. Amputation was rendered necessary, and next day Doctors Danforth, Aiken and Vrooman performed the operation, taking off the wounded limb at just above the break. We learn that the patient is comfortable, and, considering that he is quite an old man, seems to be doing well. The horses parted company with the vehicle soon after the accident and came to town. One of them is severely injured, while the buggy itself was sadly demoralized.

NOTE.—Since the above was in type Rath has died, departing this life on the 7th.

TEMPERANCE.—W. R. Dunbar, G. W. C. T., during his recent visit here, organized a Good Templars lodge at Althouse, one at Kerbyville, Josephine county, and another at Eagle Point, in this county. The following are the officers of the latter lodge: Geo. A. Hill, W. C. T.; Theodore Culbertson, W. V. T.; J. E. Potter, W. S.; Rosa Potter, P. W. C. T.; and Eber Emery, Lodge Deputy.

A VALUABLE WORK.—J. Elliott has been appointed agent of the "Pictorial History of the World," a valuable work by James D. McCabe. It is a work that should be in the library of all, as it combines a vast store of information concerning both ancient and modern ages. Mr. Elliott will soon make a thorough canvass for it.

ARRESTED.—We learn that Andrew Galvin, against whom there is an indictment for embezzling money left in his care by Haskel Amy several months ago, has at last been captured at Keokuk, Iowa. Governor Chadwick has been written to for a requisition, and T. B. Kent will probably start after Galvin as soon as it arrives.

NEW WAGON SHOP.—E. DeRoboam has opened out in the rear of G. W. Crystal's blacksmith shop, and is now fully prepared to execute all work in his line on short notice and at most reasonable rates. Emil is a first-class mechanic and will give satisfaction. Read his advertisement elsewhere.

RELIGIOUS SERVICES.—Rev. Herman Krebs, minister of the German Lutheran Church at Marysville, Cal., will preach in the German language at the Court House on Sunday, June 16th. Everybody is invited to attend.

FOR PORTLAND.—T. G. Reames and E. B. Watson left for Portland yesterday. They go as Representatives from Warren Lodge No. 10 to the Masonic Grand Lodge, which convenes next Monday.

CHANGE OF ELECTION.—Although Kelly leads Neil considerably in this county, it is probable that the latter will receive enough majorities in Josephine and Lake counties to elect him.

VARIOUS CAUSES—advancing years, care, sickness, disappointment, and hereditary predisposition—all operate to turn the hair gray, and either of them inclines it to shed prematurely. AYER'S HAIR VIGOR will restore faded or gray, light and red hair to a rich brown or deep black, as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brassy, weak or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft lustre and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric; yet it lasts long on the hair, and keeps it fresh and vigorous. For sale by all dealers.
