## IMPORTANT INFORMATION for the PEOPLE.

I HAVE RECEIVED ANOTHER LARGE consignment of the celebrated Singer Sewing Machines, which are for sale on the usual liberal terms and at the regular prices established by the company. Therefore waste no time, money and patience on inferior machines when you can purchase a genuine Singer at the same figures. In buying a Singer you get a machine of acknowledged merit and established reputation, and are certain of having value received for your money, as every machine is warranted by the company.

The Singer Company now sell three-quarters of all the machines sold in the world, the capacity of their works at Elizabeth, New Jersey, enabling them to turn out over a thousand machines a day, and they have 1,500 offices for the sale of these finely constructed sewing machines, which have taken the
