

TO ADVERTISERS.

The TIMES has the largest circulation ever attained in Southern Oregon by any newspaper and therefore offers superior inducements to advertisers.

ALL SORTS.

Always offer ladies the right arm. When a pastor is discharged isn't it a sack-religious act on the part of the congregation?

A philosopher remarks that a man may sow his wild oats, but he never can sow his corns. Young ladies in England have taken to corns for amusement, and the sport is very popular.

The Postmaster General will not find it necessary to go to Spain to hear himself called Don Key.

Always exhilarating to watch a lady bend herself out of shape trying to button her dress behind.

A Vermont editor claims to have seen a rainbow at night, and the temperance people despair of him.

Stylish parasols in Pique satin and polka-dotted borders vary in size from twenty-two to twenty-six inches.

A Philadelphia barber refused to color Bob Ingersoll's moustache on the plea that it should never be said of him that "he dyed an infidel."

What is commanding a good price, and so with all farm products. Oregon can't be beat in the richness of its soil, or the quantity in yield.

A Syracuse man, says the "Sunday Times" of that city, thinks his wife is a righteous woman because she is never forsaken—by her mother.

A gentleman who was asked for his marriage certificate quietly took his hat off and pointed to a bald spot. The evidence was conclusive.

A mol-tort and feathered a comic singer out west for eloping with another man's wife. His manager bills him now as the "Great Feathered Songster."

A little girl who was sent out to look for eggs came back unsuccessful, and complained that "there were lots of hens standing around doing nothing."

"Winnie, what makes you such a bad girl?" "Well, mamma, God sent you just the best children He could find, and if they don't suit you I can't help it."

The daughter of a wealthy couple of Hartford, with the full consent of her parents, has gone out to learn a trade to fit herself for the ups and downs of life.

A schoolmistress asked a child what a-se-e-spelt. The child hesitated. Said the teacher: "What do I do when I look at Mr. Smith?" "Thimble," replied the pupil.

Governor—Now, Jack, if I were to give twelve pears to Maudie, ten to Edith, and three to you, what would that be? Jack (faced six)—"It wouldn't be fair!"

The Ukiah Board of Supervisors have ordered complete files of the Mendocino "Democrat" to be bound and filed in the office of the county clerk of Mendocino county. A good idea.

A country editor, in speaking of a steam-boat, says: "She had twelve boilers in her cabin." "Oh, life of me!" exclaimed an old lady, on reading the above, "what a squalling there must have been!"

Arabella on her toes in a chair, clutching convulsively at her skirts—"O, Bridget! a mouse! Come and catch it quick!" Bridget: "Shure, mum, there's no burry. If this one gets away, I can catch plenty more for you."

"Joe, what makes your nose so red?" "Friendship." "Friendship?" "How do you make that out?" "I've got a friend who is very fond of brandy, and as he is too weak to take it strong I've constituted myself his taster."

Young people should marry late in the Fall. Cold weather approaches and the momentous question, "who shall get up first and build the fire?" presents itself before the honeymoon has waned long to settle which of the firm is to be the boss.

Juries sometimes give very curious verdicts. One of the most remarkable, says the Reno "Gazette," was found by a Washoe jury in 1867 in a case of milk stealing. The prisoner was tried on a charge of stealing milk from another man's cow. It was proved that he had frequently milked the animal at night, thereby causing his neighbor great vexation and annoyance. The jury, of whom "Tale Frank" was foreman, desired to express in their verdict their sense of the aggravated nature of the offense. They therefore found the prisoner "guilty of milking the cow in the first degree."

Justice William Christian, who has performed magisterial functions in Mountain township, El Dorado county, for eighteen years, has lately added a novel branch to his official duties, viz: He now baptizes all the infants born in that region, being sent for in some instances to travel several miles for the purpose of performing this solemn ceremony. The "Squire" doesn't profess to find any warrant for this in the Codes, but thinks it may be all right under the new Constitution. He says he don't charge anything for it, nor enter it on his docket; it don't hurt him any and may help the babies.

Miss Cornelia Green of Jersey City, was disappointed in love at 18. She has since lived in seclusion and died the other day aged 73. She had occupied her brother's house for 24 years, never going out of it or showing herself.

She was taken sick and a doctor was summoned and had a talk with her brother through the keyhole of the basement door. On the next day the house was found scantily clothed and lying on a pile of rags. Bags and refuse were scattered through the rooms, and torn mattresses, spread on chairs, had formed the beds for the couple. Near each couch lay an old-fashioned pistol.

A Cross Baby. Nothing is so conducive to a man's remaining a bachelor as stopping for one night at the house of a married friend and being kept awake for five or six hours by the crying of a cross baby. All cross and crying babies need only Hop Bitters to make them well and smiling. Youngman, remember this—"Traveler."

SUICIDE. A distinguished scientist once said: "No man with a strong healthy stomach ever committed suicide, and yet many are suffering the tortures of the damned with Dyspepsia from a single bottle of DR. MINTIE'S ENGLISH DANDELION, LIVER AND BILE PILLS will give relief, and if persisted in, will cure the worst case of his distressing trouble. This pill cures Bilious Liver and Biliousness, Regulates the Bowels, Removes Pimples from the Face, cures Sufferers from Indigestion, Headache, Sick Headache, Heartburn, Pain in the Side and Back, Is Sugar-coated and GUARANTEED to be PURELY VEGETABLE. It acts directly upon the coating of the Stomach and on the Liver. Can be taken in any climate—wet or dry weather. Beware of Imitations. The Genuine has an engraving of a lion on the outside wrapper. Price 30-cents. For sale by druggists."

DR. A. E. MINTIE & Co.—Gents: I have used your famous English Dandelion Pills for torpid liver and dyspepsia and can freely say they are the best Pills I ever had. I can recommend them as a sure preventive and positive cure in all cases of fever and ague. Truly yours, AMOS PARTRIDGE, Contractor, Portland, Oct. 5, 1878.

HOW TO SAVE MONEY.—Instead of going to a doctor for a prescription, if you have Bright's Disease, Pain in the Back and Loins, Stomaching, Inflammation, Catarrh, Brick-dust, Dropsy, or any trouble of the Kidneys or Bladder, buy a bottle of Dr. Mintie's Nephreticum, the great Bile Compound. It is the best and most wonderful prescription ever compounded for these troubles. Messrs. Abrams & Carroll, wholesale druggists, say: "We regard Nephreticum as the best medicine for the kidneys in the world. Woodard, druggist, Portland, Oregon, says: "Everybody speaks highly of it." Childs, druggist, Portland, Oregon, says: "Sold lots of it; it always does the work." Many have been cured of obstinate kidney complaints after the doctors have given them up. For sale by all druggists.

SAN FRANCISCO, CAL., Nov. 29, 1877. DR. MINTIE—I cheerfully testify as to the wonderful efficacy of your Nephreticum. My waters filled with mucus and sediment, and after taking the Nephreticum for two days—eight doses—the water was as clear as crystal and mucus and sediment. It is in my opinion a wonderful kidney and bladder remedy. W. M. BRAY.

Various Causes.—Advancing years, care, sickness, disappointment, and hereditary disposition—all oppose to turn the hair gray, and either they incline it to shed prematurely, or gray, light and red hair to rich brown or ashy black as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and itching humors. It is not soiled or soiled, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brassy, weak, or sickly hair, to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft luster and richness of tone it imparts. It contains neither oil nor dye, and will not soil or color white cambric, yet it lasts long on the hair and keeps it fresh and vigorous. For sale by all dealers.

ANTONISHING FACT. SIR ASTLEY COOPER'S VITAL RESTORATIVE: The Great English Remedy for all the Diseases of the Nervous System, Spasmodic, Seminal Weakness, Lost Manhood, nocturnal emissions, Lassitude, inability for mental labor, despondency, and all diseases arising from the weakness of the brain and nerves. FIRST PRIZE

Over all competitors more than two hundred times. After the Chicago fire the Relief Committee undertook to furnish sewing machines to the needy women of that city, and applicants were permitted to choose from six different kinds of machines, and all applicants were furnished with machines, of which number 2,427 chose Singer machines and 517 distributed their choice among the five other kinds of machines. They were to earn their living on these machines, and took the Singer, because

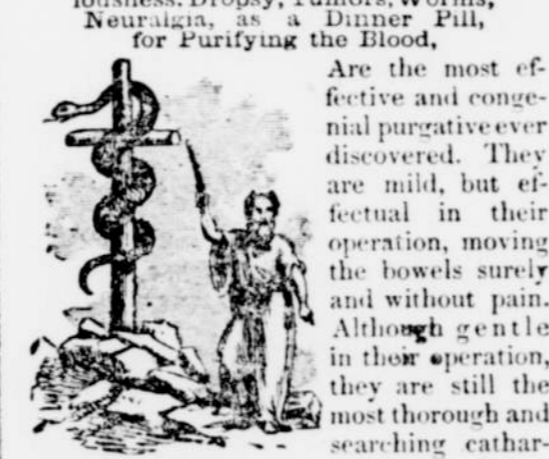

IT IS THE BEST.

The people bought Singer machines as follows:

Ayer's Cathartic Pills, For all the purposes of a Family Physic, and for curing Constipation, Jaundice, Indigestion, Biliousness, Headache, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Quinsy, Worms, Neuralgia, as a Dinner Pill, and for Purifying the Blood.

Are the most effective and congenial purgative ever discovered. They are mild, but effective in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed; cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilating organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the everyday complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripes much less than the common purgatives, and never give pain when the bowels are inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these PILLS may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
