BRIEF REFERENCE.

Snow-balling is popular again.

Local correspondence solicited.

The German Red Men elected officers last night.

Health is improving and cases of sickness are scarce.

German calendars can be obtained at the Times office.

Fine ornamental clocks at the New York Store at cost.

There will be a social party at the residence of Daniel Fisher on the 27th inst.

Table oil cloths in all colors, first quality, 50c. per yard, at the New York Store.

Three and a half pounds of coffee, extra Costa Rica, for \$1 at the New York Store.

Mrs. A. W. Cawley has resigned the management of the Rock Point telegraph office.

The streams are high, but not threatening.

Yesterday was the last day for exchanging school books.

Wilderness had two parties on New Year's night.

Major & Culverhouse have purchased of Mr. Taylor the stage line from Alturas to Lakeview.

Business men will find a fine supply of notes of all kinds and receipts on hand at the Times office.

The holidays are over, and none seem sorry because of it, though they were pleasantly spent.

PERSONAL NOTES.

Thos. H. Short, formerly of this place, is now located at Alturas, Cal.

E. F. Walker has gone to Grave creek to look after his mining interests.

J. W. Manning left for Linkville Tuesday on business, intending to be gone a short time.

S. L. Howard, an attorney from California, is paying this place a visit, with a view of locating.

John Murphy, of Ashland, precinct, one of the pioneers of the valley, favored us with a call this week.

N. DeLamarter and family who have been paying Jacksonville a visit, returned to Josephine county last week.

Mrs. Wm. Bleckert of Gall's creek, recently dangerously ill, is recovering under the treatment of Dr. Colvig.

Dr. J. A. Callender, who has been spending a few days among his friends in this place, returned to Roseburg to-day.

A. C. Cox, City Marshal of Roseburg, and Miss Fannie Hill, of Wilbur, were united in matrimony on Christmas eve.

Wm. Brown, brother of Mrs. J. A. Cardwell, left for his home in the Umpqua valley last Saturday, after paying this section an extended visit.

Friend Wallis of the Yreka telegraph office received a substantial present on New Year's day.

John Sizemore of Sam's valley was in town Tuesday and informs us that stock is faring fairly in that section at present.

I. L. Savage returned to Linkville Tuesday, after having spent the holidays in this place.

Mrs. A. Bilger leaves on a visit north this week, to recuperate her health, which has been quite poor of late.

Col. W. S. Stone, Superintendent of the O. C. Stage Line, was kicked in the thigh by a horse at Yreka, which crippled him for a few days.

L. F. Gall informs us that a sudden heavy rain the forepart of last month raised the water in Thomas' dam at the Meadows so that the levee broke and the mill was undermined.

MINING NEWS.

Miners are all busy.

Chas. Schultz is now engaged in ground-staking in the vicinity of Rich Gulch.

Copp's Handbook of Mining Law and every description of mining blanks can be obtained at the Times office.

The Applegate Gravel Company is at work again and Superintendent Fitzpatrick is pushing operations with all speed.

Geo. L. Dean, formerly of Big Butte creek, has rented the Grandview Gravel Creek, owned by E. F. Walker & Co., for the season.

A good season is now anticipated by all. The prospects are favorable for an extended and profitable run and a great amount of gold-dust will no doubt be taken out.

There is a break in the Squaw Lake Company's ditch, but the delay this occasion will not be protracted, as Superintendent Klippel has a considerable force of men engaged in repairing it.

Major Eugen's Fechtel may be expected in this section at almost any time. He is now at San Francisco, from which point he is corresponding with different parties here in relation to our mines.

Eagan & Co.'s arastra in the Willow Springs district is in operation again. A clean-up will soon be made.

A. O. Eckelson and S. Lackland, who spent the holidays in Jacksonville, have resumed their positions at the Star Gulch and Palmer creek diggings and are moving the gravel at a lively rate.

Henry Gross & Co. have leased the diggings, recently opened by the Gravel Creek Ditch Company, for the season.

The annual issue of Prof. Tice's "Weather Forecasts and American Almanac for 1880" is out, and we learn that the first edition of over 20,000 copies was called for within eight days of its publication.

The miners have an abundance of water since the thaw commenced and are making the most of it.

A miner from California is working some ground on Prairie Flat, two miles south of Yreka, by means of an ingeniously contrived self-shooter that is now in this section and has caused considerable comment.

C. H. Williams has found excellent prospects on his place near Rock Point and will immediately commence fitting up for an extended run this season.

John Sizemore of Sam's valley was in town Tuesday and informs us that stock is faring fairly in that section at present.
