ALL SORTS.

Tombstone, A. T., has 48 saloons. It's never too hot for billiard balls to

freeze. If congratulations were votes Hancock

would already be our President. Many a man thinks he has a naive look when it is but the look of a knave.

The steamer Oregon, on her last trip down from Astoria, struck a sleeping whale.

There are 77 bona fide settlers along the Skagit river, W. T., and 295 residents in the mining districts proper. A great many Republicans will have to

take crow this year, or come over to the Democratic side and get turkey. An editor who thinks he knows all about farming in speaking about straw-

berries says the best way to raise them is with a spoon. There are forty-six regular teachers in the Portland public schools, and two su-

pernumeraries. Four only of the fortyeight are men. Oregon's population now exceeds that of Delaware, one of the original thirteen. By the next census it will pass two or

three more of them. The Americans are the champion riflemen of the world. This was proved some time since by the officers of the Freedmen's Bureau Bank.

A solid Republican club of St. Louis, consisting of sixty-five members, has de clared for Hancock. They were first organized in the interest of Grant.

The average price paid farm laborers by the month in California, with board, is about \$26. In the Northern Atlantic States, \$15. In the Southern States, \$9. General Hancock, in addition to his present duties, has been assigned to the command of the Department of the South during the temporary absence of Brigadier-General Augur.

A sentimental contributor sends us a poem, "I have to weep in solitude." All right, Susie. Get a dish-pan of onions and repair to some secluded nook. Success will attend your efforts.

Hayes and wife will visit the Pacific Coast during the Autumn and doubtless extend their trip to Oregon, as they have frequently expressed a desire to see the State and its magnificent scenery.

Samuel J. Tilden had 250,000 majority of the popular vote in 1876. No sound and correct thinking citizen who then voted for New York's great statesman will fail to vote for Hancock in 1880.

Baltimore Consolidated, an American Flat "cat," that sold in the Board some eight or nine months ago for \$20 per share and upward, was recently sold (the whole mine) at Sheriff's sale for \$40,000.

Speaker Randall is described as a genial and kindly man, with a round, smooth face, pleasant eyes and glossy dark hair. His expression is said to be winning and Loyish. He has two daughters and a son.

A \$50,000,000 mortgage-the heaviest mortgage ever recorded in St. Louiswas recently entered there. It is exe ented by the Wabash, St. Louis and Pacific Railroad Company in favor of the Central Trust Company of New York.

Governor Thayer has made the following military appointments: J. M. Gearin. Assistant Adjutant General on Brigadier. General M. V. Brown's staff. George W. Belt, Aid-de-Camp on same. M. S. Monteith, Aid-de-Camp on same, with the rank of Captain.

The Chaplain of the Greenback Convention, Chicago, seems to be under the impression that the deity prefers plain language. In his opening prayer he said: "We come to Thee, O Lord, on our own hook," and the convention applauded. - Rochester Herald.

Prof. Rutan, the blind musician wellknown in Oregon, and many parts of California, turns up in Idaho, engaged in a suit against publisher Kelly for \$25,000 damages. The copy of the World, from which we glean the existence of the trouble, does not state what damages are claimed for.

Sarah Winnemucca has a standing offer to stay at Vancouver, receive quarters and rations; also \$600 per annum from the government, for meritorious conduct while scout for the U. S. A. during the late war with the Bannacks and Piute Indians. She has concluded to accept the generous offer.

H. C. Paige, who was arrested about two weeks ago charged with robbing Wells, Fargo & Co.'s treasure box containing \$2,200, has waived a preliminary examination, and been held to await the action of the Grand Jury in the sum of \$3,000. Paige has not yet succeeded in securing bonds.

Young men should never lose presence of mind in a trying situation. When you take the girl you love to a picnic, and you wander away to commune with nature, and she suddenly exclaims, "Oh. King of the Blood

Cures all disorders resulting from Impurity of the Blood, including all Scrofulous Diseases, Skin Eruptions, Salt Rheum, Swellings, Dyspepsia, Liver Complaint, Debility, Catarrh, &c.

Nine-tenths of all chronic and temporary disorders are caused by disturbance of the circulation of the blood, which depends greatly upon the quality. If impure from want of proper food, air, light, exercise, change of scene, or from overwork, the whole system feels it. Sometimes its impurity is indicated by one of the diseases named; sometimes by a gloomy, despondent, dull, lazy feeling commonly called

"THE BLUES."

implying lack of energy, debility, and general unhappiness. Nothing is so magical in its effects as this KING OF THE BLOOD, at once a tonic and alterative, so called because it tones and alters the stagnant functions, and healthful activity results.

Numerous testimonials-the genuineness of which is guaranteed by our standing offer of \$1.000-and full directions can be found in the "Treatise" accompanying each bottle. Price \$1.00 per bottle. Sold by all dealers in medicine. D. RANSOM, SON & Co., Proprietors, Buffalo, N. Y.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely with-stand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood. and strengthen the system by freeing it

from the elements of weakness. Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.
